AGENCY PROFILE

The Department of Central Management Services (CMS) provides centralized administrative services to Illinois State and local governmental units in areas of purchasing, federal and surplus property, auditing, accounting control, data processing, building management and leasing, personnel administration, insurance coverage, statewide examinations, auto fleet management, vehicle leasing and repair, forms management, and printing services.

The Department is organized into various Bureaus, Divisions and Offices including: Administrative Hearings, Agency Services, Benefits, Business Enterprise Program, Finance and Management, Governmental Affairs, Information Services, Internal Audit, Labor Relations, Legal Services, Personnel, Property Management, and Strategic Sourcing.

As of June 30, 2018, the Department's work force consisted of 849 personnel representing all eight Equal Employment Opportunity Commission (EEOC) categories which consist of Officials and Administrators, Professionals, Technicians, Protective Service, Para-Professionals, Administrative Support, Skilled Craft and Service Maintenance workers.

The compiled data represented in CMS' fiscal year 2019 Equal Employment Opportunity/Affirmative Action Plan has determined a total underutilization of 69 affirmative action employees; more specifically CMS employees who are female, Black or African American, Hispanic or Latino, Asian, American Indian or Alaskan Native and Native Hawaiian or other Pacific Islander. The highest concentration of CMS employees are in Regions 7 and 1 respectively. Thus, Regions 1 and 7 suffer from the highest rates of underutilization. Region 1, which consists of Cook, DeKalb, DuPage, Grundy, Kane, Kankakee, Kendall, Lake, McHenry and Will counties make up approximately 64% of the underutilization. Region 7, which consists of Cass, Christian, Green, Logan, Macon, Macoupin, Menard, Montgomery, Morgan, Sangamon, Scott and Shelby counties, makes up approximately 25% of the underutilizations. The remaining underutilizations are in Regions 8 and 10.

Underutilizations of Hispanics is particularly high for the Skilled Craft and Service Maintenance categories. Those categories make up 97% of the total Hispanic underutilizations. Underutilization of females in the Skilled Craft and Service Maintenance categories make up approximately 94% of the total CMS female underutilizations.

To reduce underutilizations and to reach employment parity within CMS, targeted recruitment and outreach to females in the Skilled Craft and Service-Maintenance areas and Hispanics particularly in the Skilled Craft and Service-Maintenance areas. CMS will be actively attending job fairs and community events to further reduce underutilizations

of Blacks or African Americans in the Officials and Administrators, Skilled Craft Workers and Service-Maintenance areas, and Asians in the Professionals, Skilled Craft and Service-Maintenance areas. Coordinated efforts between the EEO/AA and the Diversity Enrichment Programs will continue this fiscal year to enhance the cohesiveness of all CMS employment-related programs and initiatives. Several CMS staff will continue to work through the Disabled Hiring Initiative Committee to evaluate barriers to entry to State employment that affect applicants with disabilities. These initiatives are significant to Personnel in general, but also to the EEO/AA Plan.

SECTION IV

DEPARTMENT OF CENTRAL MANAGEMENT SERVICES **INTERNAL COMPLAINT PROCESS**

It is the policy of the Department of Central Management Services (CMS) to comply with all equal employment opportunity (EEO) laws, regulations and executive orders to ensure fair and equitable treatment of employees. Decisions regarding recruitment, hiring, training, promotion, layoff and awarding of benefits will be made without regard to non-merit factors including, but not limited to, race, color, religion, sex, sexual orientation, national origin, disability condition or, except when it is necessary to implement the Affirmative Action Program, or when it is a bona fide job qualification.

In accordance with this Department's Statement of Policy relating to EEO/AA, it is our conviction that the establishment of an internal complaint procedure will promote the internal resolution of employee complaints of alleged discrimination in an expeditious manner at the lowest organizational level. To this end the EEO/AA Officer shall receive complaints of alleged discrimination. The EEO/AA Officer or the CMS General Counsel will investigate the complaint and make recommendations to resolve the dispute. The Director will make the final decision to resolve a complaint or the result of an investigation.

For Internal complaints, any employee who believes s/he has been aggrieved by a discriminatory practice may file a discrimination complaint within 90 days of the alleged discrimination. Filing a CMS internal complaint form does not preclude the right to file within an investigative agency, such as the Illinois Human Rights Department (within 300 days), U.S. Equal Employment Opportunity Commission (300 days) or similar agencies. Nor does the filing of the CMS internal complaint form alter the filing time limitations of those agencies.

The completed complaint form shall be submitted to the Department's EEO/AA Officer to be reviewed for timeliness, validity and thoroughness of the information submitted by the complainant.

Within a reasonable length of time after receiving the signed complaint, the EEO/AA Officer or the CMS General Counsel will conduct an impartial investigation of the alleged discrimination. The EEO/AA Officer or the CMS General Counsel shall interview all parties which the EEO/AA Officer or CMS General Counsel deems necessary including the complainant, supervisors, staff and other appropriate individuals and provide a report to the Director. Every effort will be made to resolve the complaint at the lowest possible level. The complaint, or any part of the complaint, may be withdrawn by the employee at any time.

If during the investigation of the complaint a settlement is reached between the complainant and the agency or its designee, complainant may withdraw the complaint by providing a written statement to the EEO/AA Officer or the CMS General Counsel. Upon receipt of that statement the EEO/AA Officer will consider the case closed.

The employee should retain a copy of this information in his or her files.
2. Once received, the supervisor shall review the request form for completeness, insure that all applicable documents have been included and make a recommendation, in writing, to the Division Manager within five (5) working days of receipt of a properly completed form.
3. The Division Manager shall review the supervisor's recommendation and make a recommendation to the Reasonable Accommodation Committee (RAC) within five (5) working days of receipt of the supervisor's recommendation. The Division Manager shall forward his/her recommendation along with the original reasonable accommodation request form and all documentation to the agency's EEO Officer/ADA Coordinator.
4. The EEO Officer/ADA Coordinator shall convene a meeting of the Reasonable Accommodation Committee within ten (10) working days of receipt of the Division Manager's recommendation. The RAC shall review the accommodation request. Once the Committee's review is complete, the Committee's recommendation shall be submitted to the Director within five (5) working days of the Committee's review for the Director's approval or denial.
5. The Director shall review the RAC's recommendation and shall render a decision of denial or approval within five (5) working days of receipt from the RAC.
6. The EEO Officer/ADA Coordinator shall inform the employee in writing of the agency's decision to grant or deny the request within thirty (30) working days of receipt of the completed request form, including appropriate medical documentation, if requested. A copy of the response will also be sent to the supervisor.

8. Reconsideration: If an employee wishes to ask the Director to reconsider a decision on a reasonable accommodation request, a written request shall be addressed to the Director within ten (10) working days of notification of the decision. The reconsideration request shall include the reasons that a reconsideration is being requested and, if appropriate, alternative suggestions for reasonable accommodation. After a complete review of the matter, a decision shall be made and the employee shall be notified. The Director's decision on this recommendation shall constitute the final internal action by the Department on the accommodation request.
9. An employee who has been denied accommodation has the right to file a complaint at the state level with the Illinois Department of Human Rights within 300 days of the denial of the request. An employee may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC).

Accommodation Request Procedures for Applicants

Qualified applicants and employees with disabilities have the right to request reasonable accommodation under the law. Applicants may request accommodation to any stage of the application process, including the employment application, examination procedure or interviewing process. Note that the Department of Central Management Services is responsible for accommodations to its testing procedures.

Once an individual with a disability has been hired, he or she has the right to request accommodation to the work site, work schedule or work process that would enable him or her to perform the job in question. Procedures for applicants to follow in making an accommodation request are listed below. The EEO/AA Officer and/or the ADA Coordinator can provide additional information about the accommodation process within their agencies.

Procedures:

1. Applicants may request accommodations to the application process orally or in writing (either through correspondence or the use of the accommodation request form for applicants). If the request is made orally or through written correspondence, the agency EEO/AA Officer and/or the ADA Coordinator will complete accommodation request forms in the matter for purposes of processing and documenting the request.
2. Applicants shall submit accommodation requests to the interviewing officer. The interviewing officer should provide a copy of the form to the EEO/AA Officer and/or the ADA Coordinator. In cases where the EEO/AA Officer and/or the ADA Coordinator completes the form for the applicant with a disability, the EEO/AA Officer and/or the ADA Coordinator shall submit completed forms to the interviewing officer and retain a copy for him or herself.
3. A response to the request will be provided to the applicant within five days following receipt of the request by the interviewing officer.
4. If it is within the bounds of the authority of the interviewing officer to grant the request and he or she believes it to be reasonable, the accommodation will be provided. Information regarding the type of accommodation provided will be sent to the EEO/AA Officer and/or the ADA Coordinator.
5. If another official within the agency must be consulted in order for the accommodation to be provided, he or she will determine whether the agency will grant the request.
6. If the agency denies the request, the applicant has the right to file an internal complaint with the EEO/AA Officer and/or the ADA Coordinator and/or external complaint with the Illinois Department of Human Rights within 300 days of the denial. Physical Barriers

CMS's facility managers make assessments of its various buildings and facilities continually throughout the year. If/when we find any physical barriers that need to be resolved, we address the issue(s) as expediently as permitted.

PRE-EMPLOYMENT SCREENING

Currently, no pre-employment physical exams are given to job applicants. If the Personnel Officer becomes aware of such exams in the future s/he will be responsible for ensuring that the exam is job-related and that it is required of all applicants.

EMPLOYMENT CRITERIA AND JOB DESCRIPTION REVIEW

Employment criteria for all agency positions are based on the Department of Central Management Services (statewide) class specifications. If certain positions are found to have additional requirements which cannot be shown to be clearly job-related, and consistent with both efficiency and safety, the additional requirements will be eliminated.

EMPLOYMENT TESTING

Central Management Services, Division of Technical Services, in compliance with the "Uniform Guidelines on Employment Selection Procedure (1978)," reviews all merit exams on an annual basis to assess the degree of adverse impact prevalent in the statewide selection system. Examinations which are not in compliance with the "4/5ths rule" are identified and the race and / or sex groups which are adversely impacted are acknowledged.

Statistical analysis of each exam's text scores is performed to further measure the direction and magnitude of the adverse impact and to identify specific portions of the exam which may be particularly difficult or problematic for protected class members.

Once this information is secured, every effort is made to eliminate the adverse impact by modifying the selection procedure. If the revised examination continues to display an adverse impact in accordance with the "Uniform Guidelines," a technical report which outlines the specifics of the study and demonstrates the job relatedness of the exam (i.e. business necessity) is prepared and maintained on file.

IDENTIFICATION OF THE ADA COORDINATOR

The Agency ADA Coordinator is Fred V. Stewart, II. He is located in the Stratton Office Building in room 720. He can be reached at (217) 558-6713 or (866) 273-3684 (TDD).

EMERGENCY EVACUATION

The ADA Coordinator will review the on-line disability surveys each quarter, to determine which employees need assistance in the event of an emergency evacuation. The respective building managers and section evacuation wardens will be alerted so the necessary aid will be provided.

SECTION VI

Applicable EEO Laws

FEDERAL:

CIVIL RIGHTS ACT OF 1964, as amended.

Title VI prohibits discrimination on grounds of race, color, or national origin in federally assisted programs and includes all employment and training programs, whether contractual or grants-in-aid. The Assistant Secretary and the Regional Administrators for Employment and Training have enforcement authority of Title VI as it relates to employment and training programs.

Title VII prohibits discrimination on the grounds of race, color, religion, sex or national origin by employers or unions with 15 or more employees. The definition employer includes the government of the United States, corporations wholly owned by the United States, and State or political subdivisions thereof. It also provides that all State enforcement authority for Title VII is the responsibility of the Equal Employment Opportunity Commission (EEOC). Indians living on reservations are specifically exempt from coverage under Titles VI and VII.

EQUAL EMPLOYMENT OPPORTUNITY ACT OF 1972

This is an amendment to the Civil Rights Act of 1964 which adds sex and religion to the Title VII portion and extends Equal Employment Opportunity (EEO) to State, local and municipal organizations, all employment agencies (private and public) and to labor organizations. This Act empowers EEOC to bring civil action against any organization which is alleged to be practicing discrimination. The act also gives the right to an individual to take a complaint directly to a court of law.

CIVIL RIGHTS ACT OF 1991

The Civil Rights Act of 1991 expands the protections afforded individuals under the Civil Rights Act of 1964. It provides for damages for intentional discrimination and unlawful harassment in the workplace and codifies the concepts of "business necessity" and "job related" as enunciated in various Supreme Court decisions. Additionally, it confirms statutory authority and provides guidelines for disparate impact suits under Title VII of the Civil Rights Act of 1964 and in response to recent Supreme Court decisions, expands the scope of relevant civil rights statutes.

AGE DISCRIMINATION IN EMPLOYMENT ACT OF 1967

FY-2019 Affirmative Action Plan

This Act prohibits arbitrary discrimination against persons age 40 and over. Exempted from this Act are activities and programs which are designed for the long-term unemployed, the disabled, members of minority groups, older workers, or youth. The Wage and Hour Division, Employment Standards Administration (ESA) can investigate complaints of age discrimination against State employment security agencies. Regulations for implementing this Act are 20 CFR, Parts 850 and 860.

REHABILITATION ACT OF 1973

This Act sets the standards for promoting, expanding, and assisting in employment opportunities for the disabled in all programs or activities receiving Federal financial assistance. Sections 503 and 504 prohibit discrimination against qualified disabled individuals. Although other Federal agencies, such as the Department of Health, Education and Welfare, have certain responsibilities for the program, Section 503 refers a claimant who alleges to have been discriminated against under a Federal contract to DOL for resources. ESA, Office of Federal Contract Compliance Programs, has enforcement authority. Disabled persons who claim discrimination under a Federal grant administered by the Labor Department may file complaints with the Assistant Secretary for Administration and Management, DOL, under Section 504 of the Act. Regulations for implementing the Act are 29 CFR 32 and 41 CFR 60-741.

EQUAL PAY ACT OF 1963

This Act provides that an employer may not discriminate on the basis of sex by paying employees different wages for doing equal work on jobs requiring equal skill, effort, and responsibility, and which are performed under similar working conditions in the same establishment. The standards of "equal pay for equal work" set forth in this Act for determining what is lawful discrimination in compensation are applicable to Title VII of the Civil Rights Act of 1964. This Act applies to all State employment security agencies. This Act is enforced by EEOC. Regulations for implementing this Act are 29 CFR 800.

AMERICANS WITH DISABILITIES ACT OF 1990

Congress enacted the Americans with Disabilities Act of 1990 (the "ADA") to eliminate discrimination against individuals with disabilities in the areas of employment, housing, public accommodations, education, transportation, communications, recreation, institutionalization, health services, voting, and access to public service. Title I of the ADA prohibits discrimination in employment against individuals with disabilities and establishes the standards governing an employer's affirmative duty to accommodate an individual with a disability. Title III of the ADA prohibits

discrimination against disabled individuals by private entities in places of public accommodation.

The **Americans with Disabilities Act Amendment Act of 2008** became effective on January 1, 2009. This amendment expanded the scope of medical conditions protected by the law, and clarified the definition of "disability." The definition of disability must be construed in favor of "broad coverage of individuals ... to the maximum extent permitted" by statute. Major life activities include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, and working. Major life activities also include "operation of a "major bodily function" such as functions of the immune system, normal cell growth, digestive, bowel, bladder, neurological, brain, respiratory, circulatory, endocrine, and reproduction functions. The law overturned a series of decisions by the U. S. Supreme Court under the Americans with Disabilities Act (ADA). The ADAAA also instructs the Equal Employment Opportunity Commission to revise its current regulations under the ADA to be consistent with the amendments, and to provide a lower standard for the definition of "substantially limits."

FAMILY MEDICAL LEAVE ACT

This Act requires employers to provide up to 12 weeks of unpaid job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least one year, and for 1,250 hours during the year preceding the start of the leave, and are employed at a worksite where the employer employs at least 50 employees within a 75-mile radius.

Reasons for taking leave:

Unpaid leave must be granted for any of the following reasons:

To care for the employee's child after birth, or placement for adoption or foster care;

To care for the employee's spouse, son or daughter, or parent who has a serious health condition; or

For a serious health condition that makes the employee unable to perform the employee's job.

UNIFORMED SERVICES EMPLOYMENT AND REEMPLOYMENT RIGHTS ACT (USERRA)

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services. The U. S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

GENETIC INFORMATION NONDISCRIMINATION ACT OF 2008

This law makes it illegal to discriminate against employees or applicants because of genetic information. Genetic information includes information about an individual's genetic tests and the genetic tests of an individual's family members, as well as information about any disease, disorder or condition of an individual's family members (i.e. an individual's family medical history). The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

STATE:

ILLINOIS HUMAN RIGHTS ACT OF 1980

This Act prohibits discrimination because of race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap, or unfavorable discharge from military service in connection with employment real estate transactions, access to financial credit, and the availability of public accommodations. Sexual preference was added in 2006. It provides Equal Opportunity and Affirmative Action as the policies of the State to eliminate the effects of past discrimination in the internal affairs of State Government and in its relations with the public.

ILLINOIS RELIGIOUS FREEDOM PROTECTION AND CIVIL UNION ACT

This Act provides procedures for the certification and registration of a civil union and provides persons entering into a civil union with the obligations, responsibilities, protections, and benefits afforded or recognized by the law of Illinois to spouses.
