INTRODUCTION

The Illinois Human Rights Act authorizes the Department of Human Rights to issue guidelines for the development and implementation of affirmative action plans by state executive agencies and to approve such plans. These guidelines apply to the state executive departments, boards and commissions of Illinois State government.

An Affirmative Action Plan is a detailed, results-oriented, set of procedures arising from an in-depth review of all aspects of the agency's employment process, which may impact equal employment opportunities for minorities, women and people with disabilities. Each fiscal year, state executive agency's affirmative action plans must adhere to the format, content, and procedures outlined by the Department of Human Rights.

The Illinois Department of Central Management Services remains committed to achieving and maintaining compliance with the Illinois Department of Human Rights Affirmative Action performance profiles. The Equal Employment Opportunity Officer and management staff will continue to work together to pursue the goals and objectives of the FY22 Affirmative Action Plan and address underutilization, as it is our highest priority.

Herein is the approved Affirmative Action Plan for the Illinois Department of Central Management Services.

EQUAL EMPLOYMENT OPPORTUNITY/AFFIRMATIVE ACTION POLICY STATEMENT

The Department of Central Management Services (CMS) is strongly committed to equal employment opportunity (EEO) and affirmative action. CMS embraces a culture of diversity, inclusion, equity and respect. Our EEO policy applies to all aspects of employment, including, but not limited to: recruitment, selection, promotion, placement, demotion, transfer, training, compensation, benefits, reduction in force, and termination.

In accordance with EEO laws at the federal, state and local levels, CMS considers applicants for employment regardless of race, color, religion, sex, sexual orientation, national origin, ancestry, citizenship status, age, marital status, genetic information, military status, unfavorable discharge from military service, order of protection status, pregnancy, arrest record, disability, or any other basis declared to be unlawful discrimination.

In addition, CMS affirms its commitment to:

- Reasonably accommodate pregnant employees as required by law as well as mindful consideration of reasonable accommodations for other employees as requested;
- Take affirmative action to correct the underutilization of minorities and females in all levels of employment;
- Implement policies and programs designed to prevent sexual harassment;
- Take affirmative action to increase the number of persons with disabilities in CMS as a whole; and,
- Ensure non-retaliation against employees who file a complaint.

I fully support and endorse CMS' Affirmative Action Plan (Plan), and expect all executive, managerial, and supervisory staff to demonstrate equal support and commitment in implementing the Plan.

AGENCY PROFILE

Mission and Purpose

The [Department of Central Management Services](#) (CMS) is the operational engine working behind the scenes to enable the State's more than 80 agencies, boards, and commissions to deliver efficient, reliable services to all citizens. CMS' mission is to promote and instill a culture of quality, continuous improvement and respect for people, and meet or exceed all service and support goals for Illinois executive agencies. CMS aims to provide top-quality programs, services, guidance, and support to all Illinois executive agencies and customers, incorporating modern best practices, ease of access, and the highest service value possible.

CMS Bureaus

Among the services CMS provides are human resources facilitation; benefits programs for employees, retirees and local governments; property and facilities management; diversity initiatives for public contracting and State employment; joint purchasing support; vehicle fleet oversight and support; surplus property programs; print and electronic communications services; and administrative hearings coordination. CMS carries out its mission through the management of the following offices and programs:

Administrative Operations

[Administrative Operations](#) oversees the general management of the agency. The different areas of administrative management include but are not limited to the following: Director's Office, Legal Services, Governmental Affairs, Internal Audit, Project Management Office, the Office of Finance and Management, and the Office of Operational Excellence; and the Rapid Results program.

Administrative Hearings

The [Bureau of Administrative Hearings](#) provides centralized coordination and support for administrative hearings functions across the State through best practices, judicial education services, and oversight of administrative hearing processes. Implementing Executive Order 17-04, the Administrative Hearings Bureau facilitates professional development for the State's adjudicators, coordinates IT solutions for Statewide hearing units, promotes uniform hearings rules, coordinates inter-agency work-share initiatives, and seeks to improve administrative justice in our State. The Bureau also conducts high quality, independent administrative hearings for agencies that do not employ their own administrative law judges, providing an impartial forum where Illinoisans receive fair and prompt resolution of disputes.

AGENCY PROFILE

Agency Services

The [Bureau of Agency Services](#) supports employee transportation needs for agencies under the jurisdiction of the Governor. The Bureau oversees and coordinates the acquisition, repair, maintenance, fueling, and management of State-owned vehicles, many of which provide critical services such as snow removal, law enforcement, and emergency management services. Additionally, the Agency Services Bureau handles mail and messenger services, surplus property, and recycling initiatives. Through its Surplus Property Division, the Agency Services Bureau redistributes and disposes of surplus State property and administers the distribution of Federal surplus property through the Law Enforcement Support Office (LESO) and Government Services Administration (GSA) programs. The Agency Services Bureau conducts online public auctions of surplus items and provides recycling services at CMS-managed facilities and electronics recycling services for equipment such as computers, monitors, printers and fax machines and also oversees a consolidated mail system for State agencies.

Benefits

The [Bureau of Benefits](#) administers employee and retiree benefit programs, including comprehensive health, dental, vision, and life insurance coverage for State employees and retirees, as well as similar programs for community college retirees, school district retirees, and local government employees and retirees. The Bureau of Benefits works with labor representatives, health care providers, and insurance carriers to provide benefits to more than 440,000 members and their dependents, while working to keep plans affordable for participants and controlling costs for the State. The Flexible Spending Accounts and Commuter Savings programs allow State employees to use pre-tax dollars to help pay for medical and dependent care expenses as well as commuter expenses. The Deferred Compensation Division provides employees with an optional savings and retirement plan that allows them to invest in tax-deferred professionally managed investment funds. The Risk Management Division administers all workers' compensation claims for State employees, maintaining case histories, conducting investigations and conferring with appropriate authorities concerning settlements and awards. It also administers auto liability and insurance procurements for all property, casualty and liability expenses, as well as the State's Representation and Indemnification Program.

Business Enterprise Program

The [Business Enterprise Program](#) (BEP) and the Veterans' Small Business Program are dedicated to increasing contracting opportunities for businesses owned and operated by minorities, women, persons with disabilities, and veterans. These programs allow State agencies and universities to purchase needed goods and services from diverse businesses while promoting vendors' active competition for State business. State agencies are encouraged to purchase at

AGENCY PROFILE

least 20 percent of their goods and services from BEP-certified businesses and at least 3 percent from certified, veteran-owned businesses.

Communication and Information

The [Office of Communication and Information](#) provides a wide range of media and marketing services for State agencies, including pamphlets, signage, and fliers to promote their programs, services, and opportunities. As a resource for the news media, the Office of Communication and Information is a full-service operation. It maintains a directory of media contacts for State government entities and provides on-location and studio video production, satellite broadcasting, radio services, photography, graphic design, and publication and web-design services. It also provides information services such as press summaries and press release support for agencies and elected officials.

Diversity and Inclusion

The mission of the Office of Diversity and Inclusion is to develop equity-based inclusion strategies that enrich the diversity of the State's workforce and open access to State employment. It works to ensure that State government is fully representative of, and accessible to, its culturally diverse populations. The Office of Diversity and Inclusion works closely with State agencies, boards and commissions, advisory councils, legislators, advocacy organizations, and the general public to identify opportunities for diversity enrichment. The overall goal is to coordinate procedures among State agencies to achieve a cohesive, strategic Statewide approach to diversity that is transparent, reliable, and effective.

Labor Relations

The Office of Labor Relations negotiates more than 30 collective bargaining agreements with labor organizations representing State employees and home healthcare workers. The Office of Labor Relations administers these agreements, including oversight and coordination of grievances and arbitrations.

Operational Excellence, Rapid Results

Using proven principles of continuous improvement, the Office of Operational Excellence works to improve State government services in Illinois through centralized Statewide training and support for employees from all agencies as they utilize its Rapid Results principles of continuous improvement. The Operation Excellence Office's mission is to reduce process waste, improve service value, and instill a statewide culture of continuous improvement by empowering employees to deliver services more effectively and efficiently. Unlike traditional "top down"

AGENCY PROFILE

operational improvement initiatives, Rapid Results leverages the skills and knowledge of front-line State employees to identify opportunities for improvement and implement effective solutions.

Personnel

The [Bureau of Personnel](#) is responsible for the development and administration of the State's merit employment system in accordance with the Personnel Code, Personnel Rules, Pay Plan, Position Classification Plan, current collective bargaining agreements, and other applicable laws for the approximately 45,000 employees under the jurisdiction of the Governor. The Bureau of Personnel oversees the Upward Mobility Program, an initiative that compensates AFSCME member-employees for participating in continuing education. The Bureau of Personnel maintains personnel assessment centers throughout Illinois (Springfield, Chicago, Marion, Rockford, and Champaign) allowing citizens to seek employment with the State. These offices conduct employee development training courses as well as professional growth and advancement opportunities for current State employees.

Property Management

The [Bureau of Property Management](#) oversees all State-owned and leased facilities for agencies, boards, and commissions under the jurisdiction of the Governor, including services such as janitorial management and building engineering. The Bureau of Property Management works to limit costs and minimize the State's environmental impact by using existing State-owned and leased space more efficiently, reducing the number of overall leases, implementing newer space, and adhering to utilization standards.

Strategic Sourcing

To maximize the value of taxpayer dollars spent by State agencies, the [Bureau of Strategic Sourcing](#) provides a centralized, strategic sourcing framework that adds improved transparency, accountability, and cost savings to the sourcing process. The Bureau assists state agencies in determining purchasing needs and drafting solicitation documents, such as requests for proposals or information and invitations for bids, to ensure uniformity and efficiency. The Bureau oversees the [State Use Program](#), which facilitates State contracts with organizations providing employment opportunities for people working in not-for-profit community rehabilitation facilities. The program encourages State agencies to purchase products and services produced and provided by persons with significant disabilities.

AGENCY PROFILE

CMS' Workforce

As of June 30, 2021, the Department's work force consisted of 703 personnel representing all eight Equal Employment Opportunity (EEO) categories which consist of Officials and Administrators, Professionals, Technicians, Protective Service Workers, ParaProfessionals, Administrative Support, Skilled Craft Workers, and Service Maintenance.

The compiled data represented in CMS' fiscal year 2022 Affirmative Action Plan has revealed an underutilization of 35 individuals; more specifically individuals who are Women, Black or African American, Hispanic or Latino, and Asian. The highest concentration of CMS employees is in Regions 7 and 1 respectively. Thus, Regions 1 and 7 have the highest rates of underutilization. Region 1, which consists of Cook, Dekalb, DuPage, Grundy, Kane, Kankakee, Kendall, Lake, McHenry, and Will counties makes up approximately 63% of the underutilization. Region 7, which consists of Cass, Christian, Green, Logan, Macon, Macoupin, Menard, Montgomery, Morgan, Sangamon, Scott, and Shelby counties, makes up approximately 37% of the underutilization.

To reduce underutilization and to reach employment parity within CMS, targeted recruitment within the Skilled Craft Worker and Service-Maintenance categories is critical as they account for 94% of underutilization. CMS will be actively engaging in recruitment and outreach efforts targeted towards community organizations and advocacy groups for minorities to further reduce underutilization of Women, Blacks or African Americans, Hispanics or Latinos, and Asians. CMS will also be engaging in recruitment and outreach activities targeted towards vocational schools, technical schools, and labor or tradesman hiring halls so as to reduce underutilization in the Skilled Craft Workers and Service-Maintenance categories. Coordinated efforts between the EEO/AA Officer and the Diversity Enrichment Program will continue this fiscal year to enhance the cohesiveness of all CMS employment-related programs and initiatives. CMS is administering and voluntarily participating in the Disabled Workers Trainee Program so as to reduce barriers to entry to State employment that affect applicants with disabilities and thereby increase the number of disabled employees employed by the State. These initiatives are significant to Personnel in general, but also to the Affirmative Action Plan.

DUTIES OF THE EQUAL EMPLOYMENT OPPORTUNITY/AFFIRMATIVE ACTION OFFICER

Section 2-105 (B) (4) of the Illinois Human Rights Act (Act) and Section 2520.780(a) of the Illinois Department of Human Rights (IDHR) administrative rules require that agencies employing 1,000 or more employees have a full time Equal Employment Opportunity (EEO)/Affirmative Action (AA) Officer who is on the administrative staff of the agency's Chief Executive Officer. Agencies with less than 1,000 employees can assign the EEO/AA responsibilities on a part-time basis; however, in agencies with less than 1,000 employees the EEO/AA Officer should have direct access to the agency Director. In addition, Section 2520.780(b) requires that the CMS Director inform the IDHR Director when there is an interim or permanent change in the EEO Officer.

The duties of the CMS EEO/AA Officer include, but are not limited to those delineated in the Act and IDHR rules:

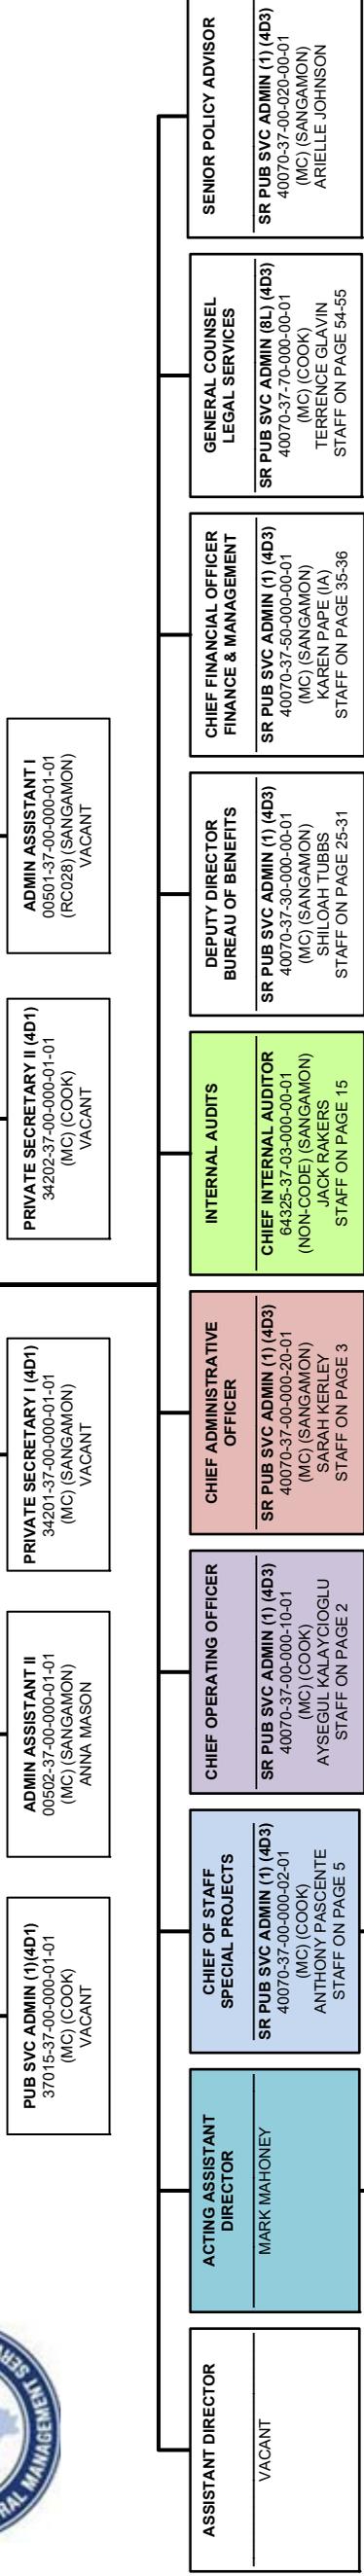

1. Develop the Agency's Affirmative Action Plan, goals and objectives and evaluate its effectiveness;
2. Serve as the ADA Coordinator for internal employees or applicants;
3. Serve as the liaison between IDHR and EEO enforcement authorities;
4. Serve as liaison between IDHR and organizations for minorities, women, and the disabled;
5. Inform management of developments in the EEO field;
6. Assist in the evaluation of employees and job applicants so that minorities, women, and the disabled are given equal opportunity;
7. Provide training and advise managers and supervisors if employment practices comply with IDHR EEO policies and the provisions of the Illinois Human Rights Act;
8. Report to IDHR all internal and external complaints of discrimination against CMS, assisting the investigation of internal and external complaints of discrimination as specified in the Illinois Human Rights Act administrative rules,
9. At the request of the CMS Director, direct CMS staff in taking appropriate action to correct discriminatory practices identified by IDHR, and to report to the CMS Director and IDHR on the progress of the action taken;
10. In conjunction with the filing of the Quarterly reports, submit recommendations to the CMS Director and IDHR for improvements to the CMS Affirmative Action Plan;
11. If necessary, work with the appropriate CMS staff and authorities to develop programs to train staff in hiring and promotional practices, and to notify IDHR of such training;
12. Report on and/or analyze Layoff Reports, Reorganization Reports, Hiring and Promotion Monitors and Exit Questionnaires;
13. Evaluate tests, employment policies and practices, and report to the CMS Director and IDHR any such policies, practices and evaluation mechanisms which have adverse impact on minorities, women and the disabled;
14. Assist in the recruitment of minorities, women, and people with disabilities; and
15. Provide counseling to any aggrieved employee or applicant for employment who believes that they have been subject to discrimination.

1. It is the policy of the Department of Central Management Services (CMS) to comply with all equal employment opportunity (EEO) laws, regulations and Executive Orders to ensure fair and equitable treatment of employees. Decisions impacting employment will be made without regard to race, color, religion, sex, sexual orientation, national origin, ancestry, citizenship status, age, marital status, pregnancy, disability, arrest record, military status, and unfavorable discharge from military service except when it is necessary to implement the Affirmative Action Plan or when it is a bona fide job qualification.
2. CMS affirms its commitment to a policy of equal employment opportunity through the implementation of an investigation procedure to promote the internal resolution of employee complaints of alleged discrimination. CMS firmly believes that the establishment of this investigation procedure shall provide an internal pathway to informally resolve complaints of alleged discrimination in an expeditious manner at the lowest organizational level reducing backlog, delay, and the expense of a prolonged formal investigation.
3. To this end, the EEO/AA Officer shall receive complaints of alleged discrimination. The EEO/AA Officer or qualified designee shall investigate the complaint with such investigation to include documentation of facts, presentation of findings, and recommendations to resolve the dispute. The CMS Director shall make the final decision as to the complaint resolution.
4. The use of this internal EEO complaint investigation procedure does not preclude the rights of an employee to file a charge directly with the Illinois Department of Human Rights (IDHR), the U.S. Equal Employment Opportunity Commission (EEOC), or any other appropriate governmental agency nor does filing an internal complaint alter or toll the filing time limitations of those agencies. The filing of any complaint of alleged discrimination may not be used as a basis for future retaliation adversely affecting the rights of any employee.

B. Procedures

1. Scope and Timeliness

- a. Unless of a continuing nature, any employee who believes they have been aggrieved by a discriminatory practice may file an internal complaint within 90 days of the alleged discrimination.

DEPARTMENT OF CENTRAL MANAGEMENT SERVICES INTERNAL COMPLAINT PROCESS

The complainant shall be notified if further information or documentation is required to support the charge.
- b. The EEO/AA Officer shall inform the complainant in writing of the acceptance of the complaint for investigation within five business days of receipt of the complaint form.

3. Investigation

- a. Within a reasonable length of time after accepting the signed complaint, the EEO/AA Officer or qualified designee will conduct an impartial investigation of the alleged discrimination. The EEO/AA Officer or qualified designee shall interview all parties which they deem necessary including the complainant, supervisors, staff, and other appropriate individuals.
- b. The investigation shall be concluded within a reasonable timeframe after acceptance of the complaint.
- c. A written report with recommendations to resolve the complaint shall be provided to the Director. Every effort will be made to resolve the complaint at the lowest possible level.

4. Withdrawal and Settlement

- a. The complaint, or any part of the complaint, may be withdrawn upon written request for withdrawal by the complainant at any time.
- b. If during the investigation of the complaint a settlement is reached between the complainant and CMS, the complainant may withdraw the complaint by

DEPARTMENT OF CENTRAL MANAGEMENT SERVICES INTERNAL COMPLAINT PROCESS

providing a written statement to the EEO/AA Officer. Upon receipt of that statement the EEO/AA Officer will consider the case closed.

5. Dismissal of the Complaint

- a. After an analysis of the complaint, if there is a lack of substantial evidence to indicate that discrimination has occurred, the complainant shall be notified of the findings in writing.

6. Investigation Findings

- a. At the conclusion of the investigation, if there is substantial evidence that discrimination may have occurred, the EEO/AA Officer shall submit written notice to the CMS Director with findings and recommendations to resolve the complaint.

7. Conciliation Efforts

- a. The EEO/AA Officer shall conduct and coordinate conciliation efforts by conferring with the parties in an attempt to secure a settlement. A conciliation conference may be convened, which all parties may attend in person or by representative, to propose, discuss, and agree to a resolution of the complaint.
- b. If the complaint cannot be satisfactorily resolved at this level within a designated timeframe, the EEO/AA Officer shall document the efforts made to resolve the complaint and shall provide a written explanation of the reasons why the complaint was not able to be resolved.
- c. The findings, conciliation efforts, and proposed settlement shall be forwarded to the CMS Director for the final review, approval or other determination. REASONABLE ACCOMMODATION POLICY STATEMENT

In compliance with the Americans with Disabilities Act (ADA) of 1990, as amended by the Americans with Disabilities Act Amendments Act (ADAAA) of 2008, and the Illinois Human Rights Act, it is the policy of Central Management Services (CMS) to reasonably accommodate the known physical or mental conditions of otherwise qualified applicants and employees with disabilities.

CMS recognizes the right of a qualified applicant or employee with a disability to request a reasonable accommodation to ensure equal opportunity in the application process; to enable him or her to perform the essential functions of a job; and/or to enable him or her to enjoy equal benefits and privileges of employment.

It is the responsibility of CMS to provide a reasonable accommodation to qualified applicants and employees with disabilities, when such reasonable accommodation does not pose an undue hardship to the operation of the agency's business.

CMS' Equal Employment Opportunity Officer and/or the ADA Coordinator can provide further information about the agency's policy in this area.

Janel L. Forde
Director

AFFIRMATIVE ACTION PROVISIONS FOR EMPLOYING PERSONS WITH DISABILITIES

The [Illinois Department of Central Management Services](#) (CMS or Department) remains committed in its resolve to employ persons with disabilities. As of June 30, 2021, the total number of CMS employees with disabilities is indicated below:

Number of disabled employees: 41
Total number of employees: 703
Percent of disabled employees: 5.83

The Department is at parity in this category, however, it will continue its' efforts to increase the diversity of its' workforce, including those with disabilities.

Disabled Workers Program

The CMS Division of Examining and Counseling administers several programs and services for people with disabilities through the [Disabled Workers Program](#). The Program was established to promote access, independence and opportunity throughout the employee life cycle. The Program is conducted through the Springfield Assessment Center. The Alternative Employment Program (AEP) and the Successful Disability (SD) Opportunities Program are administered to assist persons with disabilities pursuing state employment. The Accommodated Testing program is administered to provide persons with disabilities testing assistance. The Disabled Workers Program also administers the Disabled Workers Trainee Program. Further information regarding the CMS Disabled Workers Program can be found at:

Disabled Workers Trainee Program

[Public Act 101-0533](#) requires each state agency with at least 1,500 employees to offer a minimum of 1 position per year to be filled by a person with a disability, as defined under the ADA, through an established trainee program. CMS, in collaboration with the Illinois Taskforce on Employment and Economic Opportunities for People with Disabilities (EEOPD), has been working to create the framework, rules, processes, and training for the upcoming trainee program.

The program will be administered by the Disabled Workers Program Coordinator at CMS. Program eligibility requirements include submission of the CMS 100 and disability verification documents as defined by the ADA guidelines. The CMS Disabled Workers Program will review

AFFIRMATIVE ACTION PROVISIONS FOR EMPLOYING PERSONS WITH DISABILITIES

and determine program enrollment eligibility. Qualified applicants will be placed on an eligibility list with a specific code or option, which will be distributed to agencies upon closing of the Trainee Program posting.

The hiring agency will interview (if needed) based on a total number of applicants, and conduct all hiring processes keeping in mind that reasonable accommodations may need to be met during the interview and in the workplace. Clerical Trainee is the primary title that is being offered through the program. CMS is a voluntary participant in the Disabled Workers Trainee Program.

Alternative Employment Program

The [Alternative Employment Program](#) (AEP) was established by law to find alternative employment opportunities for certified employees who are on an approved leave of absence, from an agency under the jurisdiction of the Governor, due to a work related or non-work related disability which permanently and totally precludes the performance of the assigned duties of their current position. AEP is administered by CMS.

In order to participate in the AEP program, the employee must be determined by a physician to be permanently and totally disabled from performing their current job duties but not duties of any other position. If the employee seeks AEP participation, a packet is provided to the employee by the agency. The packet must be completed in consultation with their physician and returned to the agency. The agency must explore all reasonable accommodations available to the employee and reemployment opportunities within their agency before forwarding the package to CMS.

Upon approval of the application, alternative position titles are recommended for the employee to establish eligibility. Titles recommended may only represent lateral or downward appointments. Applicants who meet the requirements for the selected position titles are issued an AEP grade and their name is placed on the AEP eligibility list for the titles and counties selected. AEP grades are valid for a two year period and participation in the program is a maximum of two years. Participation in the program is voluntary and will not affect disability benefits if participation is declined.

Successful Disability Opportunities Program

The [Successful Disability Opportunities Program](#) provides persons with disabilities greater access to employment opportunities with the State of Illinois. Candidates are issued their SD grade, pending testing and obtaining a passing Open Competitive grade.

Applicants must be registered with the [Illinois Department of Human Services \(DHS\) Division of Rehabilitation Services](#) in order to be eligible to participate in the Program. A Division of

AFFIRMATIVE ACTION PROVISIONS FOR EMPLOYING PERSONS WITH DISABILITIES

Rehabilitation Services Counselor completes the “Certificate of Eligibility Form and Narrative” for each position title that the applicant wishes to perform and forwards the form to CMS. DHS – Division of Rehabilitation Services verifies that a qualifying disability exists.

The application and testing process is the same as the General Open Competitive Process, except that with the SD Program, application submission and automated testing go through the Disabled Workers Program Coordinator’s Office. Automated tests must be scheduled through the Disabled Workers Coordinator or Disabled Workers Staff. Applications for training and experience titles go to the Disabled Workers Program for verification and are then forwarded to CMS Examining for grading. SD grades are pass/fail, “SP/Pass” or “SF/Fail”, and are valid for one year. Applicants who pass are placed on both the SD Eligible and OC list. Interviews for the filling of vacant positions must be conducted in accordance with established standards.

Effective January 1, 2020, CMS began implementing [P.A. 101-0192](#), which amends the Personnel Code requiring CMS to issue the SD list along with the OC eligible list when at the point of “other means” in the filling of vacancy language.

Disability Resource Center

The [CMS Disability Resource Center](#) operates as a centralized source of information on reasonable accommodations and can provide professional consultation to both state agency staff and job seekers on issues concerning reasonable accommodations in the state employment process. Employees and applicants may contact the CMS Disability Resource by e-mail at: CMS.DisabilityResCen@illinois.gov.

Physical and Procedural Barriers

The Department is compliant in each of the following areas:

1. Physical Access

The CMS Chief Security Officer has been conducting assessments of the various buildings and facilities utilized by CMS employees throughout the year. If/when we find any physical barriers that need to be resolved, we address the issue(s) as expediently as permitted. An accessibility survey of all CMS facilities is underway, and any necessary changes will be made.

If a disabled applicant observes or experiences any physical barriers in CMS offices, they may call the Disabled Workers Program number and ask for assistance. If a disabled employee observes or experiences any physical barriers in CMS Offices, they may call the ADA Coordinator and ask for assistance.

AFFIRMATIVE ACTION PROVISIONS FOR EMPLOYING PERSONS WITH DISABILITIES

2. Pre-employment Screening

CMS does not use pre-employment screening to eliminate applicants with disabilities. If the Bureau of Personnel becomes aware of such exams in the future they will be responsible for ensuring that the exam is job related and that it is required of all applicants. Applicants may, if they wish, indicate they have a disability on the application form.

3. Employment Criteria & Job Description Review

Employment criteria for all agency positions are based on the CMS (statewide) class specifications. The class specification identifies duties and levels of responsibilities that are generally associated with positions allocated to the classification. A position description provides more precise details on the duties of a position. Job descriptions are reviewed as part of the hiring process and at the time performance evaluations are conducted. If certain positions are found to have additional requirements which cannot be shown to be clearly job-related, and consistent with both efficiency and safety, the additional requirements will be eliminated.

4. Employment Testing

The CMS Division of Examining is responsible for the employment application and testing process for all agencies covered by the Personnel Code. The Department provides Accommodated Testing at all five Assessment Centers across the State of Illinois (Chicago, Springfield, Marion, Champaign, and Rockford). The Assessment Center sites are accessible and have computer test stations with larger monitor screens and tables that adjust to accommodate wheel chairs. The [Accommodated Testing Program](#) provides disability accommodations for State employment testing and application completion. An applicant must make the request for an accommodation through the Disabled Workers Program. Accommodations include, but are not limited to, certified American Sign Language interpreters, extra time, zoom text, braille or large print exams, readers and scribes, high contrast, closed-captioning, and extended time limits for testing. The use of calculators is also permitted during testing.

The CMS Division of Technical Services, in compliance with the “Uniform Guidelines on Employment Selection Procedure (1978)” reviews all merit exams on an annual basis to assess the degree of impact prevalent in the statewide selection system. Examinations which are not in compliance with the “4/5ths rule” are identified and the race and/or sex groups which are adversely impacted are acknowledged.

AFFIRMATIVE ACTION PROVISIONS FOR EMPLOYING PERSONS WITH DISABILITIES

Statistical analysis of each exam's test scores is performed to further measure the direction and magnitude of the adverse impact and to identify specific portions of the exam which may be particularly difficult or problematic for protected class members.

Once this information is secured, every effort is made to eliminate the adverse impact by modifying the selection procedure. If the revised examination continues to display an adverse impact in accordance with the "Uniform Guidelines," a technical report which outlines the specifics of the study and demonstrates the job relatedness of the exam (i.e. business necessity) is prepared and maintained on file.

The Americans with Disabilities Act (ADA) requires that all programs, services and activities, when viewed in their entirety, are readily accessible to and usable by qualified individuals with disabilities.

The CMS Director designates the individual listed below as the Department's ADA Coordinator. The ADA Coordinator is responsible for implementing the Department's policies and procedures ensuring compliance with the ADA, serving as a liaison to governmental agencies, the general public and other interested parties in the development, adoption and distribution of such policies and procedures, and the processing of grievances and reasonable accommodations requests.

Qualified applicants and employees with disabilities have the right to request reasonable accommodation under the law. Applicants may request accommodation to any stage of the application process, including the employment application, examination procedure or interviewing process. Note that the Department of Central Management Services is responsible for accommodations to its testing procedures.

Once an individual with a disability has been hired, he or she has the right to request accommodation to the work site, work schedule or work process that would enable him or her to perform the job in question. Procedures for applicants to follow in making an accommodation request are listed below. The EEO/AA Officer and/or the ADA Coordinator can provide additional information about the accommodation process within their agencies.

Procedures:

1. Applicants may request accommodations to the application process orally or in writing (either through correspondence or the use of the accommodation request form for applicants). If the request is made orally or through written correspondence, the agency EEO/AA Officer and/or the ADA Coordinator will complete accommodation request forms in the matter for purposes of processing and documenting the request.
2. Applicants shall submit accommodation requests to the interviewing officer. The interviewing officer should provide a copy of the form to the EEO/AA Officer and/or the ADA Coordinator. In cases where the EEO/AA Officer and/or the ADA Coordinator completes the form for the applicant with a disability, the EEO/AA Officer and/or the ADA Coordinator shall submit completed forms to the interviewing officer and retain a copy for him or herself.
3. A response to the request will be provided to the applicant within five days following receipt of the request by the interviewing officer.
4. If it is within the bounds of the authority of the interviewing officer to grant the request and he or she believes it to be reasonable, the accommodation will be provided. Information regarding the type of accommodation provided will be sent to the EEO/AA Officer and/or the ADA Coordinator.
5. If another official within the agency must be consulted in order for the accommodation to be provided, he or she will determine whether the agency will grant the request.
6. If the agency denies the request, the applicant has the right to file an internal complaint with the EEO/AA Officer and/or the ADA Coordinator and/or external complaint with the Illinois Department of Human Rights within 300 days of the denial. An applicant may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC) within 300 days, or any appropriate government agency pursuant to their time frame.

**State of Illinois
Reasonable Accommodation Request for Employees**

Pursuant to the requirements of state and federal laws, a qualified individual with a disability has the right to request reasonable accommodation in conjunction with his or her employment. Reasonable accommodation means a modification to work site, work process or work schedule that would enable a person with a disability to perform a particular job. Employers are not required to provide accommodations that would impose undue hardship on the operations of their programs. The procedures for accommodation request appear on the back of this form. Completed accommodation request forms along with current medical documentation should be submitted to the agency's Equal Employment Opportunity Officer/ADA Coordinator and the original documents should be submitted to the immediate supervisor. The agency EEO Officer/ADA Coordinator can respond to questions about the accommodation process.

Accommodation Request Procedures for Employees

The following procedures should be followed in processing reasonable accommodation requests from employees. The agency EEO Officer/ADA Coordinator can provide guidance on the accommodation process.

1. The employee shall submit a completed reasonable accommodation request form to his or her immediate supervisor and give a copy of the form and medical documentation, if requested, to the agency EEO Officer/ADA Coordinator. The employee should retain a copy of this information in his or her files.
2. Once received, the supervisor shall review the request form for completeness, insure that all applicable documents have been included and make a recommendation, in writing, to the Division Manager within five (5) working days of receipt of a properly completed form.
3. The Division Manager shall review the supervisor's recommendation and make a recommendation to the Reasonable Accommodation Committee (RAC) within five (5) working days of receipt of the supervisor's recommendation. The Division Manager shall forward his/her recommendation along with the original reasonable accommodation request form and all documentation to the agency's EEO Officer/ADA Coordinator.
4. The EEO Officer/ADA Coordinator shall convene a meeting of the Reasonable Accommodation Committee within ten (10) working days of receipt of the Division Manager's recommendation. The RAC shall review the accommodation request. Once the Committee's review is complete, the Committee's recommendation shall be submitted to the Director within five (5) working days of the Committee's review for the Director's approval or denial.
5. The Director shall review the RAC's recommendation and shall render a decision of denial or approval within five (5) working days of receipt from the RAC.
6. The EEO Officer/ADA Coordinator shall inform the employee in writing of the agency's decision to grant or deny the request within thirty (30) working days of receipt of the completed request form, including appropriate medical documentation, if requested. A copy of the response will also be sent to the supervisor.
7. If the Director approves the accommodation request, the agency shall take appropriate action to comply with the accommodation request. Approved accommodation requests shall be implemented as soon as possible. Please note: The agency may offer alternative suggestions providing an equally effective accommodation to remove the workplace barrier in question.
8. Reconsideration: If an employee wishes to ask the Director to reconsider a decision on a reasonable accommodation request, a written request shall be addressed to the Director within ten (10) working days of notification of the decision. The reconsideration request shall include the reasons that a reconsideration is being requested and, if appropriate, alternative suggestions for reasonable accommodation. After a complete review of the matter, a decision shall be made and the employee shall be notified. The Director's decision on this recommendation shall constitute the final internal action by the Department on the accommodation request.
9. An employee who has been denied accommodation has the right to file a complaint at the state level with the Illinois Department of Human Rights within 300 days of the denial of the request. An employee may also have the right to file a complaint with the U. S. Equal Employment Opportunity Commission (EEOC).
10. The EEO Officer/ADA Coordinator shall document any action taken on a reasonable accommodation request where indicated on the request form and shall retain completed accommodation request forms for one year following final action in the matter.

SECTION SIX

APPLICABLE LAWS

APPLICABLE LAWS

The federal and state EEO laws, rules, and regulations that impact the Department of Central Management Services are identified below. Where there is a discrepancy between federal law and state or local law, the federal law supersedes unless the state or local law is more stringent.

Federal

Civil Rights Act of 1964, As Amended

Title VI of the Civil Rights Act of 1964, as amended, prohibits discrimination on grounds of race, color, or national origin in programs receiving Federal financial assistance. Employment discrimination is covered by Title VI if the primacy objective of the financial assistance is a provision of employment or where employment discrimination causes or may cause discrimination in providing services under such programs.

Title VII of the Civil Rights Act of 1964, as amended, prohibits discrimination in hiring, promotion, discharge, pay, fringe benefits, and other aspects of employment on the basis of race, color, religion, sex or national origin. Applicants and employees of most private employers, state and local governments and public or private educational institutions are protected. Employment agencies, labor unions and apprenticeship programs are also covered.

Equal Employment Opportunity Act of 1972

This Act is an amendment to the Civil Rights Act of 1964, which adds sex and religion to the Title VII portion and extends Equal Employment Opportunity (EEO) to state, local and municipal organizations, all employment agencies (private and public) and to labor organizations. This Act empowers the Equal Employment Opportunity Commission (EEOC) to bring civil action against any organization, which is alleged to be practicing discrimination. This Act also gives the right to an individual to take a complaint directly to a court of law.

Pregnancy Discrimination Act

This Act amended Title VII to make it illegal to discriminate against a woman because of pregnancy, childbirth, or a medical condition related to pregnancy or childbirth. The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

Civil Rights Act of 1991

The Civil Rights Act of 1991 expands the protections afforded individuals under the Civil Rights Act of 1964. It provides for damages for intentional discrimination and unlawful harassment in

APPLICABLE LAWS

the workplace and codifies the concepts of "business necessity" and "job related" as enunciated in various Supreme Court decisions. Additionally, it confirms statutory authority and provides guidelines for disparate impact suits under Title VII of the Civil Rights Act of 1964 and in response to recent Supreme Court decisions, expands the scope of relevant civil rights statutes.

Age Discrimination in Employment Act of 1967, As Amended in 1978 and 1986

This Act prohibits arbitrary discrimination against persons 40 years of age and over in hiring, promotion, discharge, pay, fringe benefits, and other aspects of employment. The law covers most private employers, state and local governments, educational institutions, employment agencies and labor organizations. An employer cannot advertise jobs indicating a preference for, or limitation to, persons younger than age 40, such as junior executives, or recent college graduates. This law is administered by the EEOC.

Rehabilitation Act of 1973

This Act sets the standards for promoting, expanding, and assisting in employment opportunities for the handicapped in all programs or activities receiving Federal financial assistance. Sections 503 and 504 provide for the prohibition of discrimination against qualified handicapped individuals. The Office of Federal Contract Compliance Programs (OFCCP), U. S. Department of Labor, enforces section 503. Section 504 is enforced by the agency providing the federal funds.

Equal Pay Act of 1963

This Act provides that an employer may not discriminate on the basis of sex by paying employees different wages for doing equal work on jobs requiring equal skill, effort, and responsibility, and which are performed under similar working conditions in the same establishment. The EEOC enforces this Act.

Americans with Disabilities Act of 1990, As Amended by the Americans with Disabilities Act Amendments of 2008

Congress enacted the Americans with Disabilities Act of 1990 (ADA) to eliminate discrimination against individuals with disabilities in the areas of employment, public accommodations, education, transportation, communication, recreation, institutionalization, health services, voting, and access to public service. Title I of the ADA prohibits discrimination in employment against individuals with disabilities and establishes the standards governing an employer's affirmative duty to accommodate an individual with a disability. Title II of the ADA prohibits discrimination against individuals with disabilities by state and local governments.

APPLICABLE LAWS

The ADA Amendments Act of 2008 broadens the coverage of “disability” and thereby brings more individuals under the protection of the law. The EEOC issued regulations under this Act.

Family Medical Leave Act of 1993

This Act requires employers to provide up to 12 weeks of unpaid job-protected leave to "eligible" employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least one year, and for 1,250 hours during the year preceding the start of the leave, and be employed at a worksite where the employer employs at least 50 employees within a 75-mile radius. The U.S. Department of Labor’s Wage and Hour Division is authorized to investigate and resolve complaints of violations.

Unpaid leave must be granted for any of the following reasons: 1) to care for the employee's child after birth, or placement for adoption or foster care; 2) to care for the employee's spouse, son or daughter, or parent, who has a serious health condition; or 3) for a serious health condition that makes the employee unable to perform the employee's job.

Section 585(a) of the National Defense Authorization Act (NDAA) amended the FMLA to provide eligible employees working for covered employers two important leave rights related to military service:

Qualifying Reason for Leave: Eligible employees are entitled to up to 12 weeks of leave because of “any qualifying exigency” arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation.

Leave Entitlement: An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the service member. This military caregiver leave is available during “a single 12-month period” during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave.

Uniformed Services Employment and Reemployment Rights Act (USERRA)

USERRA protects the job rights of individuals who voluntarily or involuntarily leave employment positions to undertake military service. USERRA also prohibits employers from discriminating against past and present members of the uniformed services, and applicants to the uniformed services. The U. S. Department of Labor, Veterans Employment and Training Service (VETS) is authorized to investigate and resolve complaints of USERRA violations.

APPLICABLE LAWS

Genetic Information Nondiscrimination Act of 2008

This Act makes it illegal to discriminate against employees or applicants because of genetic information. Genetic information includes information about an individual's genetic tests and the genetic tests of an individual's family members, as well as information about any disease, disorder or condition of an individual's family members (i.e. an individual's family medical history). The law also makes it illegal to retaliate against a person because the person complained about discrimination, filed a charge of discrimination, or participated in an employment discrimination investigation or lawsuit.

State Laws

Illinois Equal Pay Act of 2003

The Illinois Equal Pay Act prohibits employers from discriminating on the basis of sex by paying employees different wages for doing substantially similar work on jobs the performance of which requires substantially similar skill, effort, and responsibility, and which are performed under similar working conditions. This Act further prohibits employers from paying African-American employees different wages for performing substantially similar work than non-African American employees. The Act is enforced by the Illinois Department of Labor.

Illinois Equal Pay Act of 2003 Amendments

On July 31, 2019, Public Act 101-0177, which amends the Illinois Equal Pay Act of 2003, was signed into law. The amendments make it unlawful for an employer to base employment decisions on salary history, including as a condition of applying, interviewing, receiving an offer, or otherwise being considered for employment. Employers are also prohibited from considering voluntarily disclosed salary history.

Illinois Human Rights Act of 1980

This Act prohibits discrimination because of race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap, or unfavorable discharge from military service in connection with employment real estate transactions, access to financial credit, and the availability of public accommodations. Sexual preference was added in 2006. It provides Equal Opportunity and Affirmative Action as the policies of the State to eliminate the effects of past discrimination in the internal affairs of State Government and in its relations with the public.

APPLICABLE LAWS

Illinois Religious Freedom Protection And Civil Union Act

This Act provides procedures for the certification and registration of a civil union and provides persons entering into a civil union with the obligations, responsibilities, protections, and benefits afforded or recognized by the law of Illinois to spouses.

Illinois Service Member Employment and Reemployment Rights Act

ISERRA prohibits an employer from discriminating against a service member or interfering with military service, including providing for prompt reemployment and protections for service members. Service members have a private right of action and the Illinois Attorney General's Office is authorized to investigate allegations of ISERRA violations, resolve complaints, and litigate in circuit court.

Victim's Economic Security and Safety Act

The Victim's Economic Security and Safety Act (VESSA) prohibits employers from discriminating against employees who are victims of domestic or sexual violence or employees who have family members who are victims of domestic or sexual violence.

Workplace Transparency Act

The Workplace Transparency Act amends the Illinois Human Rights Act, the Victims Economic Security and Safety Act, the Illinois Equal Pay Act and the Hotel and Casino Employee Safety Act. In addition to modifying definitions, the Act prohibits harassment, including sexual harassment, by an employer against non-employees including contractors, consultants and any person directly performing services for the employer pursuant to a contract.
