Dear (Agency Director)

I am pleased to provide you with a copy of the 2008 State Hispanic Employment Plan which was submitted by the Department of Central Management Services to the General Assembly on February 1, as required by law. The Plan has just completed its second full year and is beginning to make significant progress. I would like to share with you some of this year's accomplishments:

- The Plan Coordinator has developed a Model Recruitment Plan and a Model Hispanic Employment Plan to assist agencies to meet their affirmative action goals.
- CMS completed one of the Plan's major goals – to restructure the eligibility list to include EEO data, enabling agencies to identify an underutilized pool of candidates to interview.
- The Office of the Auditor General now includes compliance with the State Hispanic Employment Plan as part of its checklist when conducting agency audits.
- Of the 4,967 hires in FY07, 203 were Hispanics, equaling a hiring rate of more than 4% – and more than 6% of all State agency promotions last year went to Hispanics.
- The State now has 1,679 positions established as Spanish-Speaking option—a gain of 590 bilingual positions since its inception in December 2005 for an increase of 35%.

The benefits of having a diverse workforce are many, including enabling agencies to provide better and more inclusive service to Illinois taxpayers and the general public. Therefore, I strongly encourage your agency to continue to build upon your affirmative action and Equal Employment Opportunity goals including emphasis on hiring, training, retention and promotion.

Please feel free to share the Plan with your senior management staff including your HR Director, AA/EEO Officer and Recruitment Manager. The Plan may also be accessed electronically at the CMS Diversity Enrichment Program web page at <http://www.work.illinois.gov/diversityenglish.htm>.

By working together on this initiative, we can achieve this goal and better serve all residents of our great state. If you have any questions or need additional information, please don't hesitate to contact Olga Iniguez, State Hispanic Employment Plan Coordinator and Acting Manager of the CMS Diversity Enrichment Program, at 312/814-3844 or olga.iniguez@illinois.gov.

There is no specific budget allocation for the HEPs. The agency currently has 3 funded bi-lingual positions (as of September 30, 2007). During FY07, there were only 2 such positions.

7. Provide FY07 budget allocation for above Hispanic Employment Program(s) and Bilingual (Spanish-speaking option) program(s):

Currently, all 3 bilingual Spanish speaking option positions are situated in the Senior Helpline which assists seniors and their caregivers access a host of public benefit programs for seniors that range from home and community based alternative care options to assistance with pharmaceutical benefits. The positions are all classified as Executive I positions that became covered by AFSCME in 2007. Accordingly, the Department is required to pay the negotiated pay rate pursuant to the AFSCME agreement and the B/L pay provisions in the CMS Pay Plan based on the employees' classification and applicable step.

8. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the Hispanic Employment Plan?

The agency completes and circulates its annual Affirmative Action Plan to executive and other concerned staff, and actively utilize that Plan in administering its complete HR functions.

9. List all agency activities undertaken in implementing the State Hispanic Employment Plan:

- a) Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):
 - i) The agency has no underutilization of Hispanic employees (as reported in the FY08 plan
 - ii) During the past three years, all 3 existing permanent full-time state positions of B/L Spanish option positions in the department were established and filled to better assist customers calling into the Senior Helpline.
 - iii) In FY08, the Department plans to establish new frontline B/L Spanish speaking option positions within the Revenue Tax Specialist series for the Circuit Breaker/Rx Division to give the agency the ability to backfill future vacancies with such skills, as the need arises. Such potential expansion in the Senior Helpline will also be examined as it related to a supervisory position.

- b) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

See 9a

- c) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

See 9a. The Department also utilizes the CMS Upward Mobility List when filling vacancies.

- d) How has your agency ensured that all appropriate staff are complying with the new mandatory Hiring and Promotion Monitor requirements:

It is strictly administered by the HA Administrator who also serves as the EEO officer (or acting office) for the agency. A monitor form is required when completing all new hires and promotions which are sent to CMS as well.

- e) Recommendations provided by DHR, CMS or the Auditor General:

n/a

10. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

1/1 in FY07

Were there any increases in those levels from the prior year? If so, please provide specific details.

1 New Professional Hispanic - B/L Employee was added in the Senior Helpline in FY07. We already hired an additional one in FY08 in the same category, while there have been no such terminations or retirements.

11. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

As the number of B/L entry level positions increase at the agency, there will be a greater need for supervisory positions with proven oral and written bi-lingual Spanish skills. This would also offer the opportunity for more diversity and better representation of Hispanics in more professional and official/manager level positions over time.

Adopt improved and more standardized testing for B/L Spanish Speaking positions and re-classify existing positions accordingly and where there is substantiated program need.

8. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment, and EEO are complying with all legislative mandates of the Hispanic Employment Plan?

The EEO Officer met with all Personnel Liaisons and explained our agency's responsibilities to DHR and underutilization reduction requirements. Moreover, the Diversity Recruitment Committee reports every month (through the EEO Officer) to the DCFS Executive Staff with respect to bilingual and diversity underutilization rates.

9. List all agency activities undertaken in implementing the State Hispanic Employment Plan:

- a) Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):

The Office of Affirmative Action (OAA) conducts monthly diversity meetings in Chicago and Springfield via video conferences. These meetings include the Deputy Director of Personnel, the Office of Latino Services, the Chief of Staff, and a senior member of the Director's staff. Every month we look at our underutilization rates and create and analyze strategies to ensure improvement with respect to our diversity.

The Office of Latino Services has been working with six Latino coalitions in down state communities in order to bolster Latino and bilingual employment in DCFS -- specifically in those traditionally underserved regions.

The Diversity Recruitment Committee urged the Director to increase the number of degrees accepted in order to be eligible for employment as a

frontline worker. Consequently, the Director initiated meetings with the Council of Accreditation (COA) and CMS to discuss this change. As a result, the accepted degrees did indeed increase in late 2007. Now, our ability to attract qualified Latino and bilingual candidates has increased significantly.

DCFS spent approximately \$1,600 dollars on employment ads in targeted Latino markets – this includes radio and newspapers.

- b) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

The Office of Latino Services has created a calendar of events and continually updates this calendar. It shares this with our Office of Employee services and signals the possible targeting of Latino/Bilingual recruitment opportunities. The Latino Advisory Committee has a Latino Recruitment subcommittee. This subcommittee works in tandem with agency efforts to identify and help recruit targeted candidates for employment.

- c) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

Every year the Latino Advisory Committee, under the direction of the Office of Latino Services, organizes the Latino Family Institute Days. This is a conference and series of workshops designed for DCFS employees as well as those from private agencies that have contracts with DCFS. The workshops are designed to promote better practices among frontline and management staff with respect to Latino issues in particular and child welfare practices in general.

Other trainings include: IAHSE Conference, IAACOMA (Illinois Association of Agencies and Community Organizations and Migrant Advocacy) Conference, and Hispanic Mental Health Conference, Latino Social Workers' Organization Conference (LSWO), National Association of Social Workers.

Moreover, DCFS has staff development grants – this is how PSA's can attend college and graduate courses.

Loyola University's Working with Latino Families Institute Days.

Ongoing clinical trainings and workshops that focus on family issues.

In addition, DCFS allows its employees to participate in CMS training such as Rutan training.

- d) How has your agency ensured that all appropriate staff are complying with the new mandatory Hiring and Promotion Monitor requirements:

The Office of Affirmative Action has held meetings with all personnel liaisons in order to bring them up to date with respect to our underutilization rates and responsibilities with respect to those numbers. Moreover, the Directors of DCFS and DHR agreed that DHR would provide training to all DCFS management staff that would emphasize the importance of achieving our underutilization reduction goals.

- e) Recommendations provided by DHR, CMS or the Auditor General:

The DHR Liaison to DCFS recommended that our agency participate in more trainings and conferences such as the American Association for Affirmative Action's yearly conference and workshops.

10. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

In 2007, DCFS hired 17 Latino employees.

Were there any increases in those levels from the prior year? If so, please provide specific details.

In 2006, DCFS hired four Latino employees. This year saw more than a four-fold increase.

11. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

We have identified retention as a significant problem in DCFS. Our Burgos Coordinator has received a list of new Latino employees and she intends to create a support group for these Latino and Bilingual employees. This should help with our retention of these targeted new employees.

6. Does your agency provide budget allocations for Hispanic Employment Programs? Additionally, has your agency established a budget for Bilingual (Spanish-speaking option) program(s)? If yes, provide FY 07 budget allocation for each of these programs:

There is no specific budget allocations for Hispanic Employment Programs or Bilingual (Spanish-speaking option) programs, although we do have positions that require the ability to speak both English and Spanish. 7. Provide FY07 budget allocation for above Hispanic Employment Program(s) and Bilingual (Spanish-speaking option) program(s):

As previously stated, positions within the Illinois Commerce Commission that require the Spanish-speaking option are part of the overall budget allocation.

8. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the Hispanic Employment Plan?

All recruitment, interviewing, and hiring is done with the assistance of the Human Resources Office, which is where the EEO Officer is located. This allows us the opportunity to make sure that filling our vacant positions comply with all mandates.

9. List all agency activities undertaken in implementing the State Hispanic Employment Plan:

- a) Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):

Our efforts to recruit Hispanic professionals currently include sending all of our postings directly to relevant Hispanic/Latino professional associations (such as the Hispanic Illinois State Law Enforcement Association, or the Hispanic Lawyers Association of Illinois) who will publicize our vacancies at no charge. College recruitment efforts go beyond posting positions with the college career services offices to include notification of Hispanic/Latino student organizations in order to solicit applications from their current and alumni membership. Further participation from these professional associations and student organizations often can be achieved through sponsorships.

- b) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

Our highest priority has been given to re-filling Spanish-speaking positions that has been vacated and offering permanent employment opportunities to Spanish-speaking employees previously in temporary positions. Our efforts to retain Spanish-speaking employees have included responding quickly to requests for geographical transfer and increasing access to flexible work schedules.

- c) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

The ICC publicizes free training programs offered by CMS and other state agencies. Though tuition reimbursement funds are available, none of our current Spanish-speaking employees have elected to participate in this program. The titles occupied by our Spanish-speaking employees are part of the AFSCME bargaining Unit which makes possible their ability to participate in the state's Upward Mobility program, an option previously unavailable to our employees. Additionally, the ICC has demonstrated a commitment to assisting well-qualified non-resident aliens secure Visas for employment in the US.

- d) How has your agency ensured that all appropriate staff are complying with the new mandatory Hiring and Promotion Monitor requirements:

All Hiring and Promotion monitors are completed by the appropriate Human Resource staff member at the completion of the interview process.

- e) Recommendations provided by DHR, CMS or the Auditor General:

The Illinois Commerce Commission has always exceeded the EEO/AA guidelines set forth by the IDHR.

10. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

The Commission is committed to hiring diverse employees in all EEOC categories.

Were there any increases in those levels from the prior year? If so, please provide specific details.

No.

11. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

The ICC is interested in using the LatPro career web site to assist recruiting Hispanic employees on the national level—something many of our professional positions require. Funding to the ICC or a consortium of state agencies interested in such an endeavor would be required.

9. List all agency activities undertaken in implementing the State Hispanic Employment Plan:

a) Hispanic employment strategies (recruitment, internships, community linkages, development of the Hispanic Employment Recruitment Plan):

The Director places great emphasis on hiring/promoting highly qualified Latino/Hispanic applicants and employees within management and professional level positions within the Department. DCEO's recruitment efforts to attract highly qualified Latino/Hispanic applicants, carried out by DCEO's Equal Opportunity Compliance/Recruitment Manager, has increased tremendously under this administration. The Director not only wants to achieve the Department's annual Affirmative Action (AA) employment goal(s), the Director wants to exceed those goals. DCEO continues to meet and exceed our overall AA goals by implementing the State Hispanic Employment Plan.

- The Department utilizes the Spanish Speaking Option (SSO) when vacancies occur that can be linked to such an option. When possible, the Department diligently attempts to promote highly qualified Latino/Hispanic employees within the workforce using the Spanish Speaking option. (See 9b)
- The Equal Opportunity Compliance/Recruitment Manager maintains contact with the Governor's Office liaison for Latino Affairs and the CMS Diversity Enrichment Program staff in Chicago and Springfield. DCEO's Equal Opportunity Compliance/Recruitment Manager apprises these sources of current vacancies within the Department and attempts to identify future employment/career fairs that might be located in the Latino/Hispanic communities throughout Illinois.
- DCEO maintains a close relationship with statewide Latino/Hispanic professional organizations such as the Illinois Association of Hispanic State Employees (IAHSE) and the League of United Latin American Citizens (LULAC), community-based organizations such as the Service, Employment and Redevelopment (SER) Jobs group, and contacts from local colleges and higher educational institutions such as the Illinois Latino Council on Higher Education (ILCHE), Illinois Community College Board (ICCB), as well as employment & training facilities that are identified within our Bureau of Workforce Development within Latino/Hispanic communities throughout Illinois. DCEO continues to participate in statewide employment/career fairs sponsored by universities, community colleges, trade associations, and annual conferences affiliated with professional minority organizations or on behalf of members of the Illinois General Assembly when our budget permits, for example on:

October 6, 2006, DCEO participated as an exhibitor and recruiter at the 19th Annual Illinois Association of Hispanic State Employees (IAHSE) Training Conference. The conference was held at the Holiday Inn Chicago Mart Plaza Hotel from 7:15A – 11:00P. Over 500 DCEO

recruitment booklets as well as programs and services brochures were distributed to conference attendees. Latino/Hispanic applicants interested in employment at DCEO became familiar with position titles utilized within the Department and were made aware of the CMS employment process as well as current vacancies.

February 23, 2007, DCEO participated as a recruiter at the Annual Collegiate Career Fair held on location at the University of Illinois at Springfield from 9:00A – 2:00P. DCEO obtained forty (40) resumes from undergrad and graduate students interested in applying for employment opportunities within state government. DCEO also responded to all submitted resume's identifying position titles utilized by the Department based upon the applicants educational background and work experience.

March 15, 2007, DCEO was represented at the 2007 University of Illinois at Chicago Spring Diversity Career Fair held at the UIC Student Center East in the Illinois Room from 10:00A – 2:30P. May 9 – 11, 2007, DCEO participated as a recruiter and exhibitor at the 19th Annual Illinois Association of Minorities in Government State of the State Education Conference from 7:30A – 5:00P each day. Latino/Hispanic applicants received DCEO recruitment and vacancy information during this statewide event.

- When position vacancies arise, whether for bi-lingual or non-bi-lingual, union or non-union positions, DCEO's Equal Opportunity Compliance/Recruitment Manager outreaches to local area churches, community-based organizations, advocacy groups, statewide minority professional organizations, staff from the CMS Diversity Enrichment Program in Chicago (e.g. Hector Villagrana or Barb MacDonald) and Springfield (e.g. Chris Griffin), other state agency Equal Opportunity or Recruitment Managers, the Illinois Department of Human Rights liaison staff, and Dan Dickerson, Manager, of the DHS Disability Recruitment Program formerly known as the Severely Disabled Program in an effort to notify and attract highly qualified Latino/Hispanic applicants to state service.

The following vacancies were brought to the attention of Jose' Lopez, former President, and newly elected President Carlos Charneco of the Illinois Association of Hispanic State Employees (IAHSE); Roy Williams, Jr., former Executive Director, and newly elected Interim Executive Director Jerrie Blakley of the Illinois Association of Minorities in Government (IAMG); Hector Villagrana and Barb MacDonald, staff liaisons of the CMS Chicago Diversity Enrichment Program; as well as Olga Iniguez, State Hispanic Employment Plan Coordinator, during 2007 to notify highly qualified Latino/Hispanic applicants of the below referenced position titles:

- The Department also requests all Latino/Hispanic applicants to access the new electronic CMS employment system and periodically review the list of current vacancies that occur within each state agency.
- The Equal Opportunity Compliance/Recruitment Manager sends correspondence to all interested Latino/Hispanic applicants responding to their need to identify specific position titles utilized within the Department as well as based upon the individual's educational background, work experience, skills, and capabilities. The Department also tracks the response rate by applicants who complete a CMS employment/promotional application, submits a resume to the Department and obtains a CMS grade(s) for various position titles which the Department utilizes.
- The Department maintains recruitment files compiled with lists of well-qualified individuals, including Latino/Hispanic applicants and employees, interested in working for or advancing within the Department. As positions become available and match an applicant or employee's education, work experience, and CMS grade, they are referred to the Office of Human Resources staff responsible for handling position vacancies, job postings, and scheduling interviews prior to the interview process.
- The Department utilizes the CMS Open Competitive list, when applicable; to obtain highly qualified test grades for Latino/Hispanic applicants.
- Supervisors who are directly involved in the selection process are requested to contact the Department's Equal Opportunity Compliance/Recruitment Manager, prior to the interview, to identify any outstanding underutilized areas when considering the hire or promotion of highly qualified Latino/Hispanic applicants for state service.

- The Office of Human Resources, inclusive of the Equal Opportunity Compliance/ Recruitment Manager, assists applicants (e.g. mail, telephone, walk-ins, internet, email) to better understand the CMS employment process and to help them access, complete and submit an employment or promotional application.
 - DCEO relies on CMS and other external entities affiliated with the armed forces for information to verify the authenticity of an individual's veteran status so that Latino/Hispanic veterans are identified and considered for state service.
 - DCEO's emphasis is not only placed on recruitment and hiring highly qualified Latino/Hispanic employees, but on training and the promotional needs of these individuals concerning future advancement and retention into higher level positions within state government.
 - The Equal Opportunity Compliance/ Recruitment Manager also identifies and refers well-qualified internal Latino/Hispanic employees to DCEO management staff for consideration when promotional opportunities arise.
 - On a regular basis, union and non-union job announcements along with descriptions are posted in conspicuous areas or emailed to all DCEO Offices for an employee's review and response.
 - Our Professional Development Training/Educational Program assists Latino/Hispanic employees to learn essential job techniques to carry out their daily work responsibilities more efficiently and effectively
 - Computer-based training is also offered to all Latino/Hispanic employees to increase their knowledge in the field of technology.
 - DCEO's Tuition Reimbursement program is offered to all eligible Latino/Hispanic employees. This program encourages employees to continue their education and improve their knowledge, skills and capabilities through formal educational programs. DCEO employees are also encouraged to utilize the Upward Mobility Program, if eligible.
- b) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

As positions become vacant, the Office of Human Resources reviews positions to determine if a bi-lingual option is suitable. The Bureaus may be contacted to provide a review of the vacant position to determine if a bi-lingual option is feasible. If the position duties can provide bi-lingual services, a duty statement is written into the 104 Job Descriptions and sent to CMS for approval. Positions that require a posting are posted as bi-lingual on the actual job posting. Pertaining to agency wide recruitment efforts, when DCEO's Equal Opportunity Compliance/Recruitment Manager is notified of positions that require a posting and are posted as bi-lingual, that recruitment agent shares the information with statewide professional organizations such as the President of the Illinois

Association of Hispanic State Employees; Higher educational organizations such as the Illinois Latino Council on Higher Education; State contact persons such as Mr. Hector Villagrana or Barb MacDonald of the Chicago CMS Diversity Enrichment Program; Community organizations such as the Director of the Service, Employment & Redevelopment (SER) organization; and the state chair, Ms. Blanca Vargas, of the League of United Latin American Citizens.

Also, DCEO's Equal Opportunity Compliance/Recruitment Manager regularly attends statewide career/employment fairs in an effort to seek out, identify, and attract well-qualified Latino/Hispanic applicants to state service and to urge them to complete and submit employment applications to CMS as well as keep their CMS grades current. DCEO's Equal Opportunity Compliance/Recruitment Manager also makes efforts to assist current Latino/Hispanic employees to prepare themselves for career advancement through educational training opportunities sponsored by the state as well as alerting them to upcoming job vacancies. If an eligible list is called, the list is called for the bi-lingual option for that position. At present, there are 7 vacant positions with the Spanish Speaking Option.

- c) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

DCEO not only emphasizes recruitment and hiring, but also places great importance on training, education, and promotional needs of Latino/Hispanic employees so they have an opportunity to take advantage of advancement opportunities within the Department when they arise. Therefore, the Department does offer to eligible employees a Tuition Reimbursement Program; Upward Mobility Program; Professional Development Training/Education Program; and a Technical Training Program.

- d) How has your agency ensured that all appropriate staff are complying with the new mandatory Hiring and Promotion Monitor requirements:

DCEO's Equal Opportunity Compliance/Recruitment Manager reviews all hiring and promotional monitors prior to their signage by the Director or his designee. If a required field of information is left blank or is inaccurate, the EO Compliance/Recruitment Manager will discuss the matter with the responsible hiring authority(s). This action is carried out by DCEO's EO Compliance/Recruitment Manager to obtain additional clarification and resolution to the matter in question so that the employment monitoring form is complete, in compliance with state statutes, and forwarded to CMS for approval.

e) Recommendations provided by DHR, CMS or the Auditor General:

* The Illinois Deaf and Hard of Hearing Commission's primary objective is to ensure all Illinois residents with a hearing loss will enjoy the benefits of a fully accessible society enabling each person to participate in and contribute to all aspects of life. In order to achieve this objective, all but one position within the agency is required to be fluent in American Sign Language at a colloquial level. (Currently, the individual in that position is taking American Sign Language courses.) Given the population this agency serves, the requirement of ASL is a necessity. Unfortunately, this requirement substantially limits the number of qualified applicants available when filling vacancies. Nonetheless, the agency is committed to hiring a diversified workforce. When vacancies exist, IDHHC uses all forums available to recruit new employees including deaf events such as Deaf Nation and ADA Celebrations. In addition to CMS, all vacancies are posted to general disability and deaf and hard of hearing organizations throughout the state and nationwide, and specifically to the National Hispanic Council of the Deaf and Hard of Hearing.

No, the agency does not budget specifically for Hispanic Employment Programs or Bilingual programs. It did, however, pay a total of \$82,694 in Spanish-speaking bilingual pay to employees in FY07.

8. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the Hispanic Employment Plan?

9. List all agency activities undertaken in implementing the State Hispanic Employment Plan:

- a) Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):

The Agency provided an opportunity for all Hispanic employees to attend the 20th Annual Hispanic State Employees Conference Empowering Illinois Hispanics: Better Access, Better Service. Some of the conference highlights included exhibits – employment opportunities; professional development workshops; and the Latino Legislative Caucus Forum.

The Agency administers the Michael Curry intern program and was fortunate enough to have three Hispanic Americans and one African American interns serve the Executive Office and the Divisions in performing legal research, observing hearings, and assisting agency attorneys. The Executive Office monitored the interns closely, holding regular status meetings on their progress. These summer internships concluded with a lunch and a feedback session. Mentoring of interns included providing career advice upon their return to school. We hope that in the future they will consider employment in the public sector.

The Agency conducted community outreach programs in the underserved population areas of Springfield and Middle and Southern Illinois, such as

Protecting Our Seniors events, which combined an inter-agency effort to inform seniors about predatory lending practices, medical frauds, guides on purchasing or financing of homes, and information on unscrupulous lenders in the targeted communities

Secretary Martinez conducted television and radio interviews in Spanish concerning predatory lending practices in housing as well as the payday industry. Secretary Martinez was also featured in the Latino Social Magazine.

Through various Illinois state bar associations for Asians, Hispanics, African-American, and women at John Marshall and University of Illinois law schools the Chief of Staff addressed the issue of diversifying the law profession and building a successful law career serving the public.

The Chief of Staff organized a large conference on the issue of diversifying the legal profession, working closely with various entities, including the State Board of Education, the American Bar Association, and Chicago Board of Education, to combine resources and drive an agenda to diversify the law profession with presentations to law schools. At the December meeting, representatives of the above groups planned numerous activities, including mock trials, law school days, visits to public schools, and classroom presentations by lawyers.

- b) *Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:*

The Agency established a website that offers bi-lingual/Spanish brochures, pamphlets, and form to the Spanish-speaking public.

The Agency continues to evaluate and strategize on the need of bilingual employees to meet the needs of the Spanish-speaking public.

A call center has been created for HB4050 Program that includes a bilingual component serving minority communities.

6. Does your agency provide budget allocations for Hispanic Employment Programs? Additionally, has your agency established a budget for Bilingual (Spanish-speaking option) program(s)? If yes, provide FY 07 budget allocation for each of these programs:

Due to the fact that we are a small agency, we are limited in our funding for items outside basic needs and personal expenses. Thus, we do not have a budget allocation for Hispanic Employment Programs, nor have we established a budget for Bilingual (Spanish-speaking option) program (s). We would most likely explore the addition of more Bilingual (Spanish-speaking option) programs prioritized among other items if funding became available.

7. Provide FY07 budget allocation for above Hispanic Employment Program(s) and Bilingual (Spanish-speaking option) program(s):

No funding allocated for FY07 for Hispanic Employment Program(s) and Bilingual (Spanish-speaking option) program(s).

8. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the Hispanic Employment Plan?

Currently the agency is not underutilized in Hispanics in any EEOC category. We would however, work with the supervisors in an awareness effort concentrating on the underutilization of Hispanics were there was an underutilization. The agency on the whole is made aware of those categories that are underutilized, and there is a more concentrated effort in those counties where underutilization exists.

9. List all agency activities undertaken in implementing the State Hispanic Employment Plan:

- a) Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):

Lack of funding prohibits us from setting aside line items for such employment strategies.

- b) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

Lack of funding prohibits us from setting aside line items for such employment strategies.

- c) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

Lack of funding prohibits us from setting aside line items for such employment strategies.

- d) How has your agency ensured that all appropriate staff are complying with the new mandatory Hiring and Promotion Monitor requirements:

We have a hiring packet, which now includes the Monitors, located on our GAC Intranet. It is easily accessible to the Supervisors. Upon beginning the hiring process they are aware and also reminded that they are to complete the Monitors as part of this hiring packet. The EEO Officer and the HR Director, works closely with supervisors throughout the hire process. Actual hire will not take place unless all appropriate documents are completed and signed off.

- e) Recommendations provided by DHR, CMS or the Auditor General:

None available

10. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

Due to the size of the agency and lack of funding, we do not have much hiring opportunity. Additionally, we are not underutilized in any category by Hispanics. Ultimately, we lack statistics by which to measure any results.

Were there any increases in those levels from the prior year? If so, please provide specific details.

No.

11. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

There are no recommendations at this time.

Please attach additional sheets as necessary.

The Department conducts education and outreach for Hispanic and Spanish-speaking bilingual employment as part of its education, training and outreach functions. There is not a separate budget allocation for a Hispanic and Spanish-

speaking employment program outside of currently established recruiting efforts for bilingual positions.

7. Provide FY07 budget allocation for above Hispanic Employment Program(s) and Bilingual (Spanish-speaking option) program(s):

The Department conducts education and outreach for Hispanic and Spanish-speaking bilingual employment as part of its education, training and outreach functions. There is not a separate budget allocation for a Hispanic and Spanish-speaking employment program outside of currently established recruiting efforts for bilingual positions.

However, the Department did receive funding from the U.S. Department of Housing and Urban Development (HUD) to conduct a special housing study for Hispanics. As part of this funding, IDHR was able to hire an individual who is Hispanic and bilingual as the Coordinator of this program.

8. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the Hispanic Employment Plan?

The IDHR's Chief Legal Counsel is a member of the State's Hispanic Advisory Council, which is charged with monitoring the implementation of the Hispanic Employment Plan by state agencies. b) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

The IDHR has a minority diversity program which includes Hispanic and Spanish speaking bilingual recruitment. Although, a number of staff participate, there is a staff person dedicated to education, outreach and training and one of her duties with respect to outreach is the minority diversity program and as part of this program, she works to identify potential candidates for employment with the Department of Human Rights. The Department's recruitment efforts include outreach to Hispanic and Spanish speaking veterans and persons with disabilities.

Specifically, this staff is responsible for the following:

- Recruit for specific positions
- Work with Department's Human Resource staff to identify specific opportunities for Spanish-speaking positions
- Establish relationships with a broad coalition of recruitment resources such as colleges, universities, outside employers
- Ensure that individuals are aware of job vacancies

c) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

1. The IDHR Human Resource staff meet monthly with the IDHR Director to review the Department's staffing pattern and strategy for Hispanic and Bilingual employees.
2. IDHR encourages its Hispanic employees to participate in the Illinois Association of Hispanic Employees (IAHSE), which provides educational and professional development of Latino state employees.

e) Recommendations provided by DHR, CMS or the Auditor General:

The Department staff continue to work closely with CMS' Bureau of Personnel on the hiring and promotion monitoring process, diversity programs and recruitment efforts.

IDHR staff work closely with CMS to ensure that they (CMS) do not process a hire or promotion unless the hiring or promotion monitor has been completed and submitted with the hire or promotion transaction.

10. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

The Illinois Department of Human Rights is again excited to report that we currently do not have underutilization of Hispanic employees in any of the EEO categories. Although, there is always an opportunity to improve, the Department

proudly reports that as of this report date, 20% of its current authorized headcount is Hispanic. Additionally, over 17% of our authorized headcount has the Spanish speaking bilingual option.

Were there any increases in those levels from the prior year? If so, please provide specific details.

Yes, the Department increased the number of Hispanic employees and the number of Spanish speaking bilingual employees. The Department's focus is to provide a better quality of service to its Spanish only speaking customers by adding more staff able to communicate in Spanish.

11. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

The Department continues to review its positions; the need of its customers and the quality of its outreach efforts to ensure that all communities have the same access to services provided by the Department. On-going monitoring checks and balances are in place to ensure compliance.

9. List all agency activities undertaken in implementing the State Hispanic Employment Plan:

- a) Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):

DHS continues to do aggressive outreach and education in the community. Job vacancy E-Blast notifications routinely sent to appropriate partners for candidate referrals. Recruitment staff increasing visibility in the Hispanic/Latino Community by way of conducting state hiring information sessions within the native language.

Training agency partner staff on state hiring procedures. Creation of written materials for dissemination to internal/external customers. Targeted hiring of Hispanic/Latinos in one of every three jobs that the agency fills. - b) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

Creation of Spanish Speaking Petition Policy – allows certified DHS employees who currently hold a non Spanish speaking position number to petition to be transferred into a Spanish speaking position number to receive bilingual pay. Applicants must pass DHS a proficiency test. Where appropriate, designating one of every three new hires as Hispanic/Latino with or without Spanish speaking options.

It is an opportunity for an individual with bilingual skills to receive additional paid education as well as the ability to continue to promote to higher levels within the counselor series.

- d) How has your agency ensured that all appropriate staff are complying with the new mandatory Hiring and Promotion Monitor requirements:

The Office of Human Resources continues to monitor the completion and submission of these forms. We work directly with the Personnel Liaisons in all areas of the agency to ensure awareness and provide assistance when needed.

DHS designates one out of every three new hires or promotions to be filled by a Hispanic/Latino. Expand the list of titles eligible to receive bilingual pay. Increase the numbers of recruiters to enable a full time staff to focus on diversity hiring and increase the recruitment budget. The Office of Hispanic and Latino Affairs plans to obtain approval for recruitment funding to organize a series of events that would target specific Latin/Hispanic professionals and continue to recruit for the hard to fill positions which require bilingual skills.

- b) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

The Department utilizes the same strategies as described in 9(a).

- c) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

The Department currently employs nine (9) Spanish-speaking employees to meet the needs of our Spanish-speaking clients. The agency's total Hispanic underutilization is one (1). This underutilization is in the Official/Manager EEO category. When an employment opportunity arises in this EEO category, an increased effort will be made to recruit and hire a Hispanic employee to eliminate underutilization.

- d) How has your agency ensure that all appropriate staff are complying with the new mandatory Hiring and Promotion Monitor requirements:

The agency's EEO Officer and agency head monitor the hiring selections and submit the required Hiring and Promotion Monitors with new hire or promotion transactions.

- e) Recommendations provided by DHR, CMS or the Auditor General:

No recommendations received.

10. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

Currently, 16% of the agency's employees are Hispanic and 10% are utilized in Spanish-speaking bilingual positions.

Were there any increases in those levels from the prior year? If so, please provide specific details.

The agency hired two (2) additional Hispanic employees during FY07. The number of Spanish-speaking bilingual positions remained the same during FY07.

11. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency. While the agency's underutilization is currently only one (1), we would like assistance from CMS Personnel in receiving/recruiting Hispanic candidates for any open positions that arise. Hispanic candidates do not always apply for our open positions unless it is a Spanish-speaking option position. We would like to increase our Hispanic population since we see that more of the customers we serve are Hispanic, especially in the Northern Illinois area. The agency will be enforcing the new Employee Classification Act effective January 1, 2008 and with this new law will be increasing its enforcement staff, including Spanish-speaking bilingual positions.

This plan is reviewed regularly at our Monthly Managers' meeting and a report outlining progress is presented. Personnel responsible for interviewing, recruitment and EEO programs are also present at these meetings.
9. List all agency activities undertaken in implementing the State Hispanic Employment Plan:
- a) Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):
Community Outreach will be strengthened by contact with community based organizations and other Hispanic/ Latino organizations.
These organizations and contacts will be notified of vacancies and forwarded copies of postings. The current contact list includes the following: Hispanic Alliance for Career Enhancement; Hispanic Illinois State Law Enforcement Association; Illinois Coalition for Immigrant and Refugee Rights; Illinois Hispanic Chamber of Commerce; Illinois Legislative Latino Caucus Foundation; Casa Central; Instituto del Progreso Latino; Mujeres Latinas en Accion; Mexican American Legal Defense and Educational Fund; Puerto Rican Legal Defense and Education Fund; and the League of United Latin American Citizens. _____

At this time, the Commission directs employees to make use of the Upward Mobility Program. The Commission also pay for some of

our employees to attend the Illinois Association of Hispanic State Employees' annual conference. We also have an Education and Research Division that works to provide training geared to professional and personal development. - d) How has your agency ensured that all appropriate staff are complying with the new mandatory Hiring and Promotion Monitor requirements:
All promotion and hiring packages are sent to CMS for processing. The appropriate monitor is included in each package. If a package is found to be non-compliant with mandatory Hiring and Promotion Monitor requirements, the transaction is not processed. _____

No recommendations regarding Hispanic employment have been received from the Department of Rights, Central Management Services not the Auditor General. _____
10. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:
We monitor the success of our Spanish-speaking employees. Since the establishment of these positions, we have not seen a need to increase the number of bilingual positions in those departments most utilized by the Spanish-speaking public, as 96% of injured employees filing workers' compensation claims hire English-speaking legal counsel.
- Were there any increases in those levels from the prior year? If so, please provide specific details.
There have not been any increases in comparison to previous years. _____
11. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

Agencies with Bilingual Needs	Number of Employees Receiving Bilingual Pay for Signing	Number of Employees Receiving Bilingual Pay for Using Braille	How Are Needs Determined? (Check survey forms for more complete information.)	How is the number of bilingual positions required to serve the Spanish-speaking public determined? (Check survey forms for more complete information.)
Aging	0	0	In addition to the Senior Hotline, our bilingual staff respond to clients contacting the Department's Circuit Breaker Division with bilingual calls, correspondence and translations. The Senior Hotline logs all calls and documents bilingual calls. The Department uses its bilingual staff to host public speaking events, staff exhibits and conferences and to translate outreach materials.	The Department's call center needs 4 Spanish-speaking staff to provide services to the growing population of Spanish-speaking seniors as well as residents and caregivers in Long Term Health Care Facilities.
Agriculture	0	0	The Agency receives many bilingual assistance requests in the Chicago area because many employees work in predominantly Spanish-speaking state licensed and inspected establishments. The Agency strives to maintain a bilingual supervisor and two Spanish-speaking meat inspectors in the Chicago area. We are currently awaiting permission to fill a Spanish-speaking Meat & Poultry Inspector which was vacated in February 2007.	3 bilingual positions/employees can provide quality service to the Spanish-speaking public.
Arts Council	0	0	The number of grant applications and phone inquiries received each year that require technical assistance determines needs.	1 position has been assigned this responsibility and has proved to be sufficient for the needs of the agency.
Central Management Services	0	0	Bilingual needs are determined by careful monitoring of the change of accommodation requests for manual sign interpreters; logging of language service requests during calls, appointments for interview or at any point of the employment process; the number of public requests for translated agency literature; the number of instances of staff-produced translation of agency brochures; monitoring of census data specific to population shifts throughout the state.	CMS currently has 3 employees who utilize Spanish language skills, however, to better serve the Spanish speaking public, and additional 5 employees would be ideal, bringing the total to 8.
Commerce & Economic Opportunity	0	0	Determinations are made based upon clients' needs in the respective Office/Bureau.	The Agency had 7 staff in bilingual positions during Fiscal Year 2007. 1 vacancy posted in Fiscal Year 2007 has now been filled for Fiscal Year 2008. To the best of the Agency's determination, the Agency is meeting the needs of the Spanish-speaking clients seeking services.
Commerce Commission	0	0	The Consumer Services Division of the Illinois Commerce Commission had 5 employees using bilingual skills to fulfill their job duties in Fiscal Year 2007. All 5 positions are represented by AFSCME. 4 of the 5 employees are Hispanic.	1 of those positions was vacated prior to the start of the current fiscal year. In FY 2006 1,490 calls required bilingual assistance were received. In FY 2007, that number reduced to 645. Additionally, the percentage of calls lost before being answered reduced from 25% in FY 2006 to 20% in FY 2007.
Deaf & Hard of Hearing Commission	6	0	6 positions are currently filled with 1 vacancy posted.	No response.
Employment Security	1	0	The Agency prepares a language assessment report for each service location. The report includes census information on the number of individuals in household with limited English proficiency, the number of claimants with limited English proficiency, and telephone interpreter language usage by staff.	No response.
Environmental Protection Agency	0	0	The Agency uses a sample of calls to ensure that adequate service is provided to the public.	2
Executive Inspector General	0	0	No determination is made. The service is rendered as a result of a diverse staff.	No response.

Human Rights Commission	0	0	HRC makes its determinations based on the volume of calls and/or complaints which require the use of multilingual services. The agency does not have the resources to track the number of cases requiring bilingual services.	HRC makes the determination based on the requests for Spanish language services.
Human Rights Department	0	0	The Department's Charge Processing and Legal Divisions process charges of discrimination. A number of these charges are filed by non-English speaking individuals. The number of bilingual positions required to process cases is based on the number of charges filed annually by individuals who do not speak English and additionally the requests for translation services for oral and written communication for individuals who do not speak or write in English.	See the previous answer. In FY 2007 the Department posted 6 additional positions requiring bilingual skills.
Human Services	135	75	Analysis is made of client/customer caseloads and discussions with local agencies regarding needs. Decisions are based upon factors such as admission trends, clinical screenings and team reviews.	600
Labor	0	0	Spanish-speaking and Polish-speaking, 9 positions are required to provide adequate service.	8
Labor Relations Board, State & Local	0	0	The Agency believes having 1 bilingual position is sufficient to manage the need for bilingual services.	The Agency's service to the Spanish-speaking public is efficiently delivered with 1 Spanish-speaking position.
Natural Resources	0	0	The Agency takes into account the geographic location of the position as well as the programs offered at that location.	Not Applicable.
Property Tax Appeal Board	0	0	The Property Tax Appeal Board has received 1 inquiry that required bilingual assistance and the assistance was provided through a CMS Master Contract.	The Property Tax Appeal Board will continue to utilize the CMS Master Contract as needed.
Prisoner Review Board	0	0	The Prisoner Review Board receives a large number of telephone calls from Spanish-speaking clientele. Most of the Spanish-speaking individuals calling in are victims registered with our Victim Notification Program. We maintain a database of victims registered with our program. We currently have over 16,000 victims registered with our program, many of them Spanish-speaking individuals.	Currently our agency has 1 bilingual employee and position and at this time it is adequate for the PRB.

Public Health	0	0	Bilingual needs are assessed by the management staff when positions are created and filled based on the volume of calls received from the non-English speaking sector.	The agency utilizes its Limited English Proficiency (LEP) Task Force comprised of direct-service and mid-level management staff to address issues and the service needs of our LEP clients and monitors quality assurance. This task force reports to senior management recommendations to further enhance the quality of services to LEP clients.
Revenue	1	0	Due to the complex issues that the Agency encounters, bilingual tax experts are needed to communicate with non-English speaking business owners and taxpayers.	21
State Fire Marshal	0	0	Currently, the bilingual needs for the OSFM are fairly low. The needs of our clientele are assessed by the amount of requests for a translator or as the need arises in the field where a member of our staff encounters a non-English speaking business owner or needs to interrogate or take a statement from a non-English speaking individual.	The OSFM has developed public education literature and presentations regarding fire prevention tips for the Spanish-speaking members of the general public. The OSFM also provides a Spanish course to fire depts. throughout the state. In anticipation of bilingual needs, the OSFM has created a Fire Prevention Inspector 1 position in Cook county requiring Spanish bilingual skills and an Arson Investigator 1 position requiring Spanish bilingual skills in Will county. Placement of Spanish-speaking field staff is based mainly on the Hispanic population of the territory for which the employee will be responsible.
State Police	0	0	The agency relies on personnel in the field to request the need for bilingual skills.	The number of bilingual positions required is determined by current usage.
Transportation	0	0	IDOT does not serve a relatively high portion of the public through direct contact. Reviewed positions with high exposure to the public were determined to be Highway Maintainers in the Emergency Traffic Patrol Unit.	No response.
Workers' Compensation Commission	0	0	No response.	No response.

RECOMMENDATIONS/COMMENTS

1. For FY07, the Department of Human Rights has provided EEO/AA training to upper management at DCFS. The agency was also provided recruitment information so that affirmative action groups, mainly Asian organizations, could be contacted for employment opportunities. The Director, Chief Legal Counsel, and staff have met with the Director and EEO/AA Officer of DCFS to address the concerns about complying with affirmative action obligations.

2. For DCFS affirmative action performance for FY07, 80% of the underutilization in the agency is Asians. The agency has contacted and must continue to contact Asian organizations to address the concerns of bringing in Asian applicants to the agency.
3. The Department recommends that your agency continue the training program in accordance with Section 7-105(H) of the Human Rights Act and in cooperation with the Department of Central Management Services, which should enhance the ability to address the affirmative action needs of your agency. Accordingly, the Department of Central Management Services will be notified of the need to establish this training program.
4. DCFS must continue with the monthly affirmative action reports.

RECOMMENDATIONS/COMMENTS

This agency failed to meet the Department's minimum affirmative action standard of 25%; however it reduced their underutilization and made a good faith effort to address their goals.

This agency continues to address its disability underutilization through the efforts of a coordinator and a committee charged with this responsibility. This underutilization was reduced this year but continues to pose a significant problem.

The Department of Human Rights reviewed this agency's disciplinary practices, which indicate a problem. The agency has been asked to look into the matter more fully.

This agency exceeded the Department of Human Rights' (DHR) minimum compliance criteria, and its hiring reflected diversity. Disability underutilization continues to pose a significant problem. DHR reviewed the agency's disciplinary practices which indicate a problem. The agency has been asked to look into the matter more fully. DHR provided EEO/AA training to IDOT diversity council.
