The Honorable Bruce Rauner Governor State of Illinois 207 State Capitol Springfield, Illinois 62706

Dear Governor Rauner:

The State Services Assurance Act, Public Act 95-707, passed in November 2008, requires each state agency to report to the General Assembly annually their staffing level of bilingual employees.

Please find enclosed the report of bilingual employees currently employed at the Department of Central Management Services. Establishing positions with multilingual options and incorporating multilingual skills into existing positions allow our agency to provide better services more efficiently to the public.

Should you have any questions or need any additional information, please contact Carlos R. Charneco, CMS Bureau of Personnel, Division of Statewide Services at 312/814-0922.

Sincerely,

Michael M. Hoffman Acting Director

Enclosure
