The Safety Responsibility Law

For general information only

(See Sections 625 ILCS 5/7-100 through 5/7-216 of the Illinois Vehicle Code for complete statute.)

In certain cases drivers and owners may be required to prove financial responsibility, usually by presenting evidence of automobile liability insurance.

When any person sustains property damage in excess of \$1,500 (or, \$500 if any driver is not insured) or personal injuries, the names of uninsured motorists are sent to the Secretary of State with a legal notice of possible security deposit. The notice names all potential property damage and bodily injury claimants, and lists the evaluated amounts of the potential claims. The evaluations are based on information shown in the reports filed by drivers or owners. It is important that reports be filed promptly and that complete and accurate descriptions of property damage and bodily injuries be shown in the spaces provided on the report form.

The accident file, which usually contains a police report and a report from each driver, will be sent to the Secretary of State. That office will review the reports to ascertain if the uninsured driver was legally at fault. If the driver was clearly not at fault, the file will be closed; otherwise a Notice of Suspension will be mailed. The notice of Suspension outlines the Methods of Compliance with the Illinois Safety Responsibility Law; it also advises the uninsured motorist of the right within 15 days of the Notice of Suspension to request a hearing. If a request for hearing is not received, the suspension becomes effective 45 days from the date of the Notice of Suspension. If a hearing is held and the Hearing Officer concludes, after considering all written and oral evidence, that there is a reasonable possibility of legal fault, the uninsured motorist has the following options: 1. Deposit security; 2. Present evidence of releases from liability (or signed agreements to pay for damages in installments) from all potential claimants named on the security deposit notice; 3. Show evidence of a final adjudication of nonliability, if the uninsured motorist fails to comply with any of the above options, his/her drivers license (if driver) and vehicle registration privileges (if owner) would be suspended.

(None of the above affects any person's right to sue to recover damages.)

(Security deposits, releases, or installment agreements are to be submitted to the Secretary of State.)
