February 1 - December 31, 2014

Dear CIP Retiree, Survivor or Dependent:

We are pleased to announce important changes to your retiree healthcare benefits. Effective February 1, 2014, the State will offer new, comprehensive and valuable Medicare Advantage plans that will provide medical and prescription drug coverage for eligible retirees and their eligible dependents. These plans, commonly known as "MA-PD" plans are Medicare-approved plans that include Medicare Part A (hospital insurance), Part B (medical insurance) and Part D (prescription drug) coverage. The advantage of having coverage under these plans is that you will have all the medical and prescription drug coverage you need in one plan, with one ID card. Whichever plan you choose, your plan administrator will be there to help you if you have any claim-related issues with doctors, hospitals, pharmacies or other providers.

You will receive an enrollment kit containing an Open Enrollment Form before the start of the Open Enrollment Period on November 12th. The Open Enrollment Period will be November 12 through December 13, 2013. **You must complete the Open Enrollment Form and return it to the State Universities Retirement System (SURS) postmarked by December 13, 2013, to have State-sponsored medical, prescription drug, vision and dental coverage after January 31, 2014.**

**Your healthcare plan choices:** All eligible members can choose coverage under the nationwide MA-PD PPO plan, administered by UnitedHealthcare (UHC). As an alternative to the UHC PPO plan, if you are an Illinois resident, you may be eligible to enroll in a MA-PD HMO plan offered by Aetna (Aetna is offering the Coventry Advantra HMO, which is administered by Coventry of Illinois) and/or Humana (HMO plans vary by Illinois county of residence). These companies are three of the largest and most well-respected providers of these kinds of plans in the country and were selected through a State-run procurement process that took into account plan quality, access to doctors/hospitals and pharmacies, member services and cost. **Note:** Your dental and vision benefit plans are **not** changing; however, you must enroll in one of the State-sponsored MA-PD plans in order to continue to have access to your existing dental and vision benefits.

### About the MA-PD Preferred Provider Organization (PPO) Plan

The passive PPO plan, offered by UnitedHealthcare (UHC), **does not** have restrictions of in- and out-of-network coverage. Members can see any willing provider as long as the provider is in the Medicare program - the provider **does not** have to be in the UHC network. When a member goes out-of-network for care, the PPO plan pays providers just as much as Medicare would have paid, and members pay the same out of pocket percentage as if they had stayed in the network.

### About the MA-PD Health Maintenance Organization (HMO) Plans

Members who enroll in one of these plans, either Coventry Advantra or Humana, must choose a primary care physician from the HMO's network of providers. The physician you select will coordinate your care and refer you to specialists when needed. Out-of-network care is covered only in cases of emergency

### The "Plan Year" is Changing

Your Open Enrollment Period will now be held in the fall of each year instead of during the month of May, as in the past. For 2014, the plan year will begin February 1 and end December 31, 2014. **You will remain enrolled in your current State healthcare plans through January 31, 2014. The new MA-PD coverage you choose will start February 1, 2014.**

### Rate Schedule effective February 1, 2014

<b>CIP Medicare Advantage Plan Monthly Rates</b>			
	<b>Coventry Advantra HMO</b>	<b>Humana HMOs</b>	<b>United Healthcare PPO</b>
Member Rate	\$43.44	\$63.42	\$55.64
Dependent Rate	\$173.76	\$253.68	\$222.54

### Failure to Enroll

If you miss the December 13, 2013, enrollment deadline, medical, prescription drug, dental and vision coverage for you and your enrolled dependents will end January 31, 2014, and **you will not be allowed to re-enroll in the College Insurance Program (CIP) at any time in the future.**

### More Details are Coming

Meetings about your new coverage options will be held throughout Illinois this fall. A schedule of meeting locations, dates and times, as well as the dedicated phone numbers for each of the plans, will be mailed in the State's open enrollment kit, as well as posted on the Benefits website at [www.benefitschoice.il.gov](http://www.benefitschoice.il.gov). This kit will be sent prior to the beginning of the Open Enrollment Period. The MA-PD health plans (i.e., UnitedHealthcare, Coventry Advantra and/or Humana) will also be sending you plan information. All materials provided by the State and by the plan administrators will be posted on the Benefits website.

As an added benefit to members, the MA-PD plans offer a variety of wellness/clinical programs, such as the Silver Sneakers® fitness program. Although the programs vary by health plan vendor, some examples include wellness programs, disease management programs, case management programs, discount programs, medication therapy management and meal programs.

Watch your mailbox in the coming weeks for more information about the Open Enrollment Period and the valuable and comprehensive MA-PD plans available to you. **Please pay careful attention to information packets that have the new State of Illinois retiree Medicare Advantage logo and program name, "Total Retiree Advantage Illinois – Your Trail to Better Health," on them. These information packets will have information about the plans available to you through your State of Illinois insurance.**

Sincerely,
