## Enrollment Opportunities

After the Benefit Choice Period ends, you will only be able to change your benefits if you have an enrollment opportunity.

You must report an enrollment opportunity at [MyBenefits.illinois.gov](https://mybenefits.illinois.gov) within 60 days of the event to be eligible to make benefit changes outside of the Benefit Choice Period. Also note that it is required to report important events to the MyBenefits Service Center, including, a change in Medicare status, marriage, or divorce. To report a financial or medical power of attorney, contact your retirement system.

Please note: Members becoming Medicare-eligible will have a separate enrollment opportunity prior to their 65th birthday. Details can be found on Page 7.

## Terminating CIP Coverage

To terminate coverage at any time, contact the MyBenefits Service Center by calling (toll-free) 844-251-1777. The cancellation of coverage will be effective the first of the month following receipt of the request. Benefit recipients and dependent beneficiaries who terminate from CIP may re-enroll during an open enrollment period or other qualifying enrollment opportunity. Please refer to the College Insurance Program (CIP) Handbook for other qualifying enrollment opportunities.

## Transition of Care after Health Plan Change

Benefit recipients and their dependents who elect to change health plans and are then hospitalized prior to July 1, 2023 and discharged on or after July 1, 2023 should contact both the current and future health plan administrators and primary care physicians as soon as possible to coordinate the transition of services.

Benefit recipients or dependents who are involved in an ongoing course of treatment or have entered the third trimester of pregnancy, should contact their new plan administrator before July 1, 2023 to coordinate the transition of services for treatment.
