

Local Care Health Plan (LCHP) Benefits

Local Care Health Plan (LCHP) members may choose any physician or hospital for medical services; however, when receiving services from a LCHP in-network provider, members receive enhanced benefits, resulting in lower out-of-pocket costs. LCHP has a nationwide network of providers through Aetna PPO. Benefits are outlined in the plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the LCHP. For a copy of the SPD, contact the plan administrator.
