

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit [www.illinois.gov/cms](http://www.illinois.gov/cms). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary/](http://www.healthcare.gov/sbc-glossary/) or call (800) 624-2356 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	\$0/individual for Tier I <a href="#">Providers</a> . \$275/individual for Tier II <a href="#">Network Providers</a> . \$375/individual for Out-of- <a href="#">Network Providers</a> .	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">deductible</a> before the <a href="#">plan</a> begins to pay.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. <a href="#">Preventive care</a> for Tier I and Tier II <a href="#">Network Providers</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain preventive services without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$125/individual for Prescription Drug. There are no other specific <a href="#">deductibles</a> .	You must pay all of the costs for these services up to the specific <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay for these services.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$3,000/individual or \$6,000/family for Tier I <a href="#">Providers</a> and Tier II <a href="#">Network Providers</a> combined. Unlimited for Out-of- <a href="#">Network Providers</a> .	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , <a href="#">Balance-Billing</a> charges, and Health Care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes, see <a href="http://www.healthlink.com">www.healthlink.com</a> or call (800) 624-2356 for a list of <a href="#">network providers</a> .	You pay the least if you use a <a href="#">provider</a> in Tier I. You pay more if you use a <a href="#">provider</a> in Tier II. You will pay the most if you use an out-of- <a href="#">network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an out-of- <a href="#">network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.

\* For more information about limitations and exceptions, see [plan](#) or policy document at <https://www.illinois.gov/cms>.

Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> without a <a href="#">referral</a> .
