DISCLAIMER

Monthly health insurance contributions are based on your March 1st salary, or initial salary for new hires. Your monthly contribution amount reflected within this site is based on the salary reported on your paycheck for the first pay period in March, and will be adjusted as necessary, if updated information is provided.

What is Available in Your Area in FY23

Review the following map and charts to identify plans available in your county. Then, review your monthly contribution and plan benefits to determine which plan is best for you.

Monthly Contributions

The State shares the cost of health coverage with you. While the State covers most of the cost, you must make monthly contributions determined by your annual salary. The following charts outline monthly contribution rates for full-time members. Part-time members are required to pay a percentage of the State's portion of the monthly contribution in addition to their own. Special rules apply for non-IRS dependents (see [MyBenefits.illinois.gov](https://mybenefits.illinois.gov) for more information).

Members who retire, accept a salary reduction, or return to State employment at a different salary may have their monthly contribution adjusted based upon the new salary. This applies to members who return to work after having a 10-day or greater break in State service after terminating employment. This does not apply to members who have a break in coverage due to a leave of absence.

Dependent Monthly Health Plan Contributions

In addition to monthly contributions for their own health coverage, members must make additional monthly contributions for dependents they cover. Dependents must be enrolled in the same plan as the member. The Medicare dependent monthly contribution applies only if Medicare is primary for both Parts A and B.

Number of Dependents	Aetna HMO	Blue Advantage	Health Alliance Illinois	HMO Illinois	Aetna OAP	BCBSIL* OAP	HealthLink OAP	CDHP**	QCHP***

DISCLAIMER

Retiree, annuitant, and survivor contributions for all health plan options will be in accordance with the levels set forth above in FY23. For future years, the State reserves the right to designate the plan options which constitute the basic program of health benefits and to require additional contributions in accordance with the law for any optional coverage elected by an annuitant, retiree, or survivor.

- * BCBSIL OAP = Blue Cross Blue Shield of Illinois
- ** CDHP = Consumer Driven Health Plan
- *** QCHP = Quality Care Health Plan

Adding a Dependent

If you add a dependent for the first time, or re-enroll a dependent during open enrollment, you must provide the required documentation to complete enrollment no later than June 10, 2022. Failure to provide adequate documentation by this deadline, will result in dependents not being added to your plan. Note: Any documentation received after May 31, 2022, may result in a delay of ID cards.

Opt-Out

Full-time employees, retirees, annuitants, and survivors have the option to opt-out of health coverage if they have other comprehensive coverage provided by an entity other than the Department of Central Management Services. Be advised that if you have previously opted-out, or waived benefits, you can re-enroll during the Benefit Choice Period or if you experience a Qualifying Change in Status.

Transition of Care after Health Plan Change

Members and their dependents who elect to change health plans and are then hospitalized prior to July 1 and discharged on or after July 1, are involved in an ongoing course of treatment, or have entered the third trimester of pregnancy, should contact their new plan administrator before July 1 to coordinate the transition of services.

State Employees Group Insurance Program

Medicare Requirements

Retirees and survivors must apply for Medicare benefits upon turning age 65. If the SSA determines that the member and/or dependent is eligible for Medicare Part A and/or Part B, the member and/or dependent is required by the State to enroll in Medicare Parts A and B. Those on a disability leave are also required to apply for Medicare Part A and B. Once enrolled in Medicare, the member and/or dependent is required to fax or email the front-side copy of the Medicare identification card to the State of Illinois Medicare COB Unit (contact information below).

If the SSA determines that a member and/or dependent is not eligible for premium-free Medicare Part A based on their own work history or the work history of a spouse (current, ex-spouse or deceased) at least 62 years of age, the member must request a written statement of the Medicare ineligibility from the SSA. Upon receipt, the written statement must be forwarded to the State of Illinois Medicare COB Unit to avoid a financial penalty.

HMO Benefits

Health Maintenance Organization (HMO) members are required to stay within the health plan provider network. No out-of-network services are available, other than listed below. Members will need to select a primary care physician (PCP) from a network of participating providers. The PCP will direct all healthcare services and make referrals to specialists and hospitalization. Benefits are outlined in each plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the HMO plan selected. For a copy of the SPD, contact the plan administrator (see page 11).

Open Access Plan (OAP) members will have three tiers of providers from which to choose to obtain services.

- **Tier I** offers a managed care network which provides enhanced benefits and operates similar to an HMO.
- **Tier II** offers an expanded network of providers and is a hybrid plan operating like an HMO and PPO.
- **Tier III** covers all providers which are not in the managed care networks of Tiers I or II (out-of-network providers). It is the member's responsibility to know and follow the specific requirements of the OAP. Benefits are outlined in each plan's Summary Plan Document (SPD), contact the plan administrator (see page 11).

It is the member's responsibility to know and follow the specific requirements of the QCHP. For a copy of the SPD, contact the plan administrator (see page 11).

Medical Care Assistance Program (MCAP) - Companion to your HMO, OAP, QCHP, or CDHP (if not enrolled in an HSA)

EMPLOYEES MUST RE-ENROLL EACH YEAR

The MCAP maximum contribution limit is \$2,850 for the FY23 plan year period. The rollover of unused FY23 funds will be capped at \$570.00. Participants who do not re-enroll for the new plan year will forfeit any amount eligible for rollover.

Dependent Care (Day Care) Assistance Program (DCAP)

DCAP is an account that allows you to set aside pre-tax contributions per pay period to pay for dependent care (Day Care) expenses, for children age 12 and under, or care for a physically or mentally disabled dependent. DCAP cannot be used for dependent medical expenses or for children for which you are not considered the primary or custodial parent. The DCAP maximum contribution limit is \$5,000 for the FY23 plan year period. Any unused DCAP funds at the end of the plan year will be forfeited.

Health Savings Accounts (HSA) for Active State Employees - Companion to CDHP Enrollment ONLY

EMPLOYEES MUST RE-ENROLL EACH YEAR

An HSA is like a 401(k) for healthcare, yet the HSA tax benefits are far greater. It is a tax-favored, interest-bearing account that active State employees can use to pay for qualified medical expenses now, or in the future. Active State employees who qualify (see Qualifying for an HSA below), can save or invest the account funds. Paired with the Consumer Driven Health Plan (CDHP), an HSA is a powerful financial tool that gives you more control of your healthcare decisions.

The State will contribute a third of the deductible to an active State employee's HSA. Maximum HSA contributions (Employer + Employee) for FY23 will be:

Under Age 55			Age 55 and older		
	Individual	Family		Individual	Family
Employer Contribution =	\$500	\$1,000	Employer Contribution =	\$500	\$1,000
Employee Contribution =	\$3,150	\$6,300	Employee Contribution =	\$ 4,150	\$7,300
Max IRS Allowed Contribution =	\$3,650	\$7,300	Max IRS Allowed Contribution =	\$4,650	\$8,300

Contributions to your HSA can be made through pre-tax payroll deductions or post-tax direct payment. Active State employees can make tax-free withdrawals to pay for qualified medical expenses, for you and your eligible dependents. HSAs are portable and all contributions rollover to the next plan year. If the employee invests HSA funds, those funds remain in the investment account. HSAs may be used for future healthcare expenses including out-of-pocket expenses after retirement, Medicare, and long-term care (LTC) premiums, up to IRS limits and certain LTC expenses. There are no income limitations.

Qualifying for an HSA

To be an eligible individual and qualify for an HSA, you must:

- Be covered under a high-deductible health plan
- Have no other health coverage (except what is permitted under Other health coverage: https://www.irs.gov/publications/p969#en_US_2019_publink1000204039)
- Not be enrolled in Medicare. This includes Part A
- Not be claimed as a dependent on someone else's tax return

You cannot be enrolled in both an HSA and MCAP Flexible Spending Account.

Vision

Vision coverage is provided at no cost to all members enrolled in a State health plan and is administered by EyeMed. All enrolled members and dependents receive the same vision coverage regardless of the health plan selected.

Service	In-Network	Out-of-Network**	Benefit Frequency
Eye Exam	\$30 copayment	\$30 allowance	Once every 12 months
Standard Frames	\$30 copayment (up to \$175 retail frame cost; member responsible for balance over \$175)	\$70 allowance	Once every 24 months
Vision Lenses* (single, bifocal and trifocal)	\$30 copayment	\$50 allowance for single vision lenses. \$80 allowance for bifocal and trifocal lenses	Once every 12 months
Contact Lenses (All contact lenses are in lieu of vision lenses)	\$120 allowance	\$120 allowance	Once every 12 months

* Vision Lenses: Member pays all optional lens enhancement charges. In-network providers may offer additional discounts on lens enhancements and multiple pair purchases.

** Out-of-network claims must be filed within one year from the date of service.

Dental

Employees have the option to enroll in Dental Only coverage. However, if you enroll in health coverage and choose dental coverage, dependents must mirror the coverage of the member.

Federally Required Notices

Notice of Creditable Coverage

Prescription Drug information for State of Illinois Medicare-eligible Plan Participants

This Notice confirms that the State Employees Group Insurance Program (SEGIP) has determined that the prescription drug coverage it provides is Creditable Coverage. This means that the prescription coverage offered through SEGIP is, on average, as good as, or better than the standard Medicare prescription drug coverage (Medicare Part D). You can keep your existing group prescription coverage and choose not to enroll in a Medicare Part D plan.

Because your existing coverage is Creditable Coverage, you will not be penalized if you later decide to enroll in a Medicare prescription drug plan. However, you must remember that if you drop your coverage through SEGIP and experience a continuous period of 63 days or longer without Creditable Coverage, you may be penalized if you enroll in a Medicare Part D plan later. If you choose to drop your SEGIP coverage, the Medicare Special Enrollment Period for enrollment into a Medicare Part D plan is two months after your SEGIP coverage ends.

If you keep your existing group coverage through SEGIP, it is not necessary to join a Medicare prescription drug plan this year. Plan participants who decide to enroll in a Medicare prescription drug plan may need to provide a copy of the Notice of Creditable Coverage to enroll in the Medicare prescription plan without a financial penalty. Participants may obtain a Benefits Confirmation Statement as a Notice of Creditable Coverage by contacting the MyBenefits Service Center (toll-free) 844-251-1777, or 844-251-1778 (TDD/TTY).

Summary of Benefits and Coverage (SBC) and Glossary

Under the Affordable Care Act, health insurance issuers and group health plans are required to provide you with an easy-to-understand summary about a health plan's benefits and coverage. The summary is designed to help you better understand and evaluate your health insurance choices.

The forms include a short, plain language Summary of Benefits and Coverage (SBC) and a glossary of terms commonly used in health insurance coverage, such as "deductible" and "copayment."

All insurance companies and group health plans must use the same standard SBC form to help you compare health plans. The SBC form also includes details, called "coverage examples," which are comparison tools that allow you to see what the plan would generally cover in two common medical situations. You have the right to receive the SBC when shopping for, or enrolling in coverage, or if you request a copy from your issuer or group health plan. You may also request a paper copy of the SBCs and glossary of terms from your health insurance company or group health plan. All State health plan SBCs are available on [MyBenefits.illinois.gov](https://mybenefits.illinois.gov).

Notice of Privacy Practices

The Notice of Privacy Practices will be updated at [MyBenefits.illinois.gov](https://mybenefits.illinois.gov), effective July 1, 2022.
