This guide includes the contribution rates for you and your dependent(s), and a description of benefits offered for the Aetna MAPD PPO Plan. The plan is available throughout Illinois and nationwide.

## During Your TRAIL MAPD Enrollment Period You May:

- **Elect to cancel coverage.** **Note:** If you cancel your CIP TRAIL MAPD enrollment, the medical, prescription drug, dental and vision coverage for you and your enrolled dependents will end. Re-enrollment is allowed anytime throughout the plan year with coverage effective the first of the month following your enrollment request or during your annual TRAIL MAPD Open Enrollment Period.
- **Elect to re-enroll in coverage.** You may re-enroll in medical, prescription drug, vision, and dental coverage if you previously canceled coverage.
- **Add or drop dependent coverage.** **IMPORTANT:** You must contact the MyBenefits Service Center (toll-free) 844-251-1777 if you want to add a dependent who is not enrolled in Medicare Parts A and B. If you add a non-Medicare dependent, you will no longer be eligible for the TRAIL MAPD plan.

# Important Information

- **You must keep Medicare Parts A and B and continue to pay the applicable Medicare premiums, including applicable IRMAA (Income Related Monthly Adjustment Amount) surcharges.**
- The Medicare Beneficiary Identifier (MBI) number must be on file for the member, as well as any eligible dependent(s). If not already on file, a copy of the required Medicare card with the MBI number must be provided to the Medicare COB Unit or your retirement system.
- If you fail to provide a copy of the required Medicare card with the MBI number during the open enrollment period, your TRAIL MAPD and CIP medical insurance coverage will be waived for the dependent(s) with the missing documentation and waived for the entire household if the member's documentation is not provided.
- You can only be in one Medicare Advantage or Medicare Part D (prescription drug) plan at a time. Enrollment in the TRAIL MAPD plan provides you with Medicare Advantage coverage as well as Medicare Part D coverage. **Therefore, enrollment in a different Medicare Advantage or Medicare Part D plan will automatically cause your TRAIL MAPD coverage to end, which will include your medical, prescription drug, dental and vision coverage..**
- You may terminate the TRAIL MAPD coverage at any time by contacting the plan administrator in writing. You may re-enroll throughout the plan year and coverage will be effective the first of the month following your enrollment request or during your annual TRAIL MAPD Open Enrollment Period.
- If your residential or mailing address changes, you must notify **both** your retirement system and the Social Security Administration in writing as quickly as possible.
