TOTAL RETIREE ADVANTAGE ILLINOIS

**Open Enrollment Period:
November 1 - 30, 2022**

**Plan Year:
January 1 – December 31, 2023**

No need to enroll,
unless you have
changes, or you wish to
opt-out of the plan.

Beginning January 1, 2023, Aetna Medicare Advantage Prescription Drug (MAPD) PPO Plan will replace your current plan. No need to enroll, unless you have a change, or wish to opt-out of the plan. This guide includes the contribution rates for you and your dependent(s) and a description of benefits offered for the Aetna MAPD PPO. The plan is available throughout Illinois and nationwide. This guide will also show you how to enroll through the MyBenefits website at [MyBenefits.illinois.gov](https://mybenefits.illinois.gov).

During Your TRAIL MAPD Enrollment Period You May:

- **Elect to cancel your coverage.** Note: If you cancel your TRIP TRAIL MAPD coverage, medical and prescription drug coverage for you and your enrolled dependents will end. Re-enrollment is allowed for TRIP members throughout the plan year with coverage effective the first of the month following your enrollment request or during your annual TRAIL MAPD Enrollment Period.
- **Elect to re-enroll in coverage.** You may re-enroll in medical/prescription drug coverage if you previously canceled coverage.
- **Add or drop dependent coverage. IMPORTANT:** You must contact the MyBenefits Service Center (toll-free) 844-251-1777 if you want to add a dependent who is not enrolled in Medicare Parts A and B. If you add a non-Medicare dependent, you will be ineligible to enroll in a TRAIL MAPD plan.

Important Information

- **You must keep Medicare Parts A and B and continue to pay the applicable Medicare premiums, including applicable IRMAA (Income Related Monthly Adjustment Amount) surcharges.**
- If the member's and/or dependent's Medicare Beneficiary Identifier (MBI) number is not on file, it must be provided during your enrollment, please make sure you have this information available.
- If you fail to provide a copy of the Medicare card with your MBI number to the Medicare COB unit or your Retirement system, your TRAIL MAPD and TRIP medical insurance will be waived for the dependent(s) with the missing documentation and waived for the entire household if the member's documentation is not provided.
- You can only be in one Medicare Advantage or Medicare Part D (prescription drug) plan at a time. Enrollment in the TRAIL MAPD plan provides you with Medicare Advantage coverage as well as Medicare Part D coverage. **Therefore, enrollment in a different Medicare Advantage or Medicare Part D plan will automatically cause your TRAIL MAPD coverage to end, which will include termination of your TRIP medical and prescription drug coverage.**
- You may terminate the TRAIL MAPD coverage at any time by contacting the plan administrator in writing. You may re-enroll throughout the plan year and coverage will be effective the first of the month following your enrollment request or during your annual TRAIL MAPD Enrollment Period.
- If your residential or mailing address changes, you must notify **both** your retirement system and the Social Security Administration in writing as quickly as possible.

Health Plan Contributions

Members in the Teachers' Retirement Insurance Program (TRIP) are responsible for a monthly contribution for Medicare Advantage coverage that includes prescription drug benefits. If your school district currently pays your TRIP insurance premium, it may continue to pay the premium on your behalf after you enroll in TRAIL. If you wish to verify the premium payment arrangements for your TRAIL MAPD coverage, you should contact your school district.
