

# PlatePass® – All-Inclusive Cost by State

*\*Subject to change without notice. For per usage day tolls, PlatePass coverage is NOT available on tollways in Alabama, Alaska, Kansas, Louisiana, Michigan, Minnesota, Nevada, Oklahoma, Oregon, South Carolina, Utah, California's I-15 Express Lanes from SR 78 to SR 163 in San Diego, Illinois' Chicago Skyway Bridge connecting Chicago to Indiana, Virginia's Dulles Greenway (SR 267) and the Chesapeake Bay Bridge Tunnel, and Washington's SR 167 HOT Lanes. Additionally, Ohio has some points along the Ohio Turnpike with lift gates requiring a transponder where PlatePass will not work.*

# PlatePass® – Speed & Ease

## PlatePass®

- Fast and easy. Installed in cars or video toll by plate. Access to express lanes.

### PlatePass® All-Inclusive Tolling

- All-Inclusive Tolling will be for every day of the rental, regardless of the calendar usage day.
- Price per day will vary based on the location of the rental.
- All-Inclusive model will automatically be added to the Hertz Rental Agreement. No invoice will be issued after the rental is closed.
- Travelers will need to “opt-in” for this new all-inclusive model. If they do not, PlatePass® will automatically default to the per usage day (\$9.99 plus toll) model.
- Travelers must “opt-in” at the time of rent, either at the counter or the exit gate. Travelers may also “opt-in” at the time of return.

### PlatePass® Per Day Tolling

- Hertz travelers will be charged for each toll, plus \$9.99 per usage day.
