Instructions:

Please read before completing Demographic Information (see reverse side).

- Section I: Include the demographic information on all full-time employees, and any annuitants and/or elected officials.
- Section II: Employees who will be enrolled should be categorized as either Non-Medicare or Medicare Primary. Of those employees indicate the number that have dependents in the listed categories. Include dependents in dependent categories only if the employees intend to enroll those dependents.
- Section III: Include the demographic information on dependents that you intend to enroll.
- At least 50% of all full time employees of municipalities, rehabilitation facilities, domestic violence shelters and child advocacy centers must participate. School Districts must enroll 50% of their full time employees who have not waived coverage under the district's cafeteria plan.
- Elected officials who receive salary or wages from the unit may also participate regardless of the number of hours worked.
- Each unit has the option to cover annuitants, survivors and part-time employees.
