10. Please provide any suggestions/recommendations for increasing the number of African Americans employed by your agency.

CMS will continue to send job postings to IAMG and other African American interest groups, as they occur. Additionally, CMS continues to evaluate vacancies as they occur for opportunities to increase diversity. As mentioned above, we are actively evaluating all legal means for expanding our efforts to decrease underutilization.

6. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the African American Employment Plan?

All recruitment, interviewing, and hiring is done with the assistance of the Human Resources Office, which is where the EEO Officer is located. This allows us the opportunity to make sure that filling our vacant positions comply with all mandates.

7. List all agency activities undertaken in implementing the State African American Employment Plan:

a) African American employment strategies (recruitment, internships, community linkages, development of a African American Employment Recruitment Plan):

When we have a vacancy, it is posted on the ICC, Work 4 Illinois, and Illinois Skills Match websites. It is also sent to the Illinois Association of Minorities in

Government, and they post the position on their website. While we used to receive assistance from Olga Iniguez, we now will be working with the new Diversity Enrichment Program staff. Though we haven't yet had occasion to work with them, we anticipate similar services: resumes of prospective minority candidates. We also have received assistance from Rep. LaShawn K. Ford, who published our vacancies in a jobs bulletin. In years where we have more vacancies, we have often attended minority-orientated career fairs—especially at the University of Illinois. Other contact, vary by position but are typically minority student organizations related to the specific type of vacancy involved—engineering, accounting, economics, etc.

- b) Promotional programs that provide African American employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your African American public and your African American employees:

The ICC publicizes free training programs offered by CMS and other state agencies. Employees that are part of the AFSCME bargaining Unit can participate in the state's Upward Mobility program, an option previously unavailable to our employees.

- c) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:

All Hiring and Promotion monitors are completed by the appropriate Human Resource staff member at the completion of the interview process.

- d) Recommendations provided by DHR, CMS or the Auditor General:

The Illinois Commerce Commission has always exceeded the EEO/AA guidelines set forth by the IDHR.

8. Provide results of your agency's studies and monitoring success concerning the number of African American persons employed by your agency in the EEOC categories:

The Commission is committed to hiring diverse employees in all EEOC categories.

9. Were there any increases or decreases in those levels from the prior year? If so, please provide specific details.

Yes; during the past year, the Illinois Commerce Commission lost two Professional African Americans and 1 African American in Protective Services. Due to budget constraints, we have not been able to replace the positions we have lost.

10. Please provide any suggestions/recommendations for increasing the number of African Americans employed by your agency.

Due to budget constraints, we are not sure we will be doing much hiring this year.

Please attach additional sheets as necessary.

* The Illinois Deaf and Hard of Hearing Commission's primary objective is to ensure all Illinois residents with a hearing loss will enjoy the benefits of a fully accessible society enabling each person to participate in and contribute to all aspects of life. In order to achieve this objective, all but one position within the agency is required to be fluent in American Sign Language at a colloquial level. (Currently, the individual in that position is taking American Sign Language courses.) Given the population this agency serves, the requirement of ASL is a necessity. Unfortunately, this requirement substantially limits the number of qualified applicants available when filling vacancies. Nonetheless, the agency is committed to hiring a diversified workforce. When vacancies exist, IDHHC uses all forums available to recruit new employees including deaf events such as Deaf Latino Day, Deaf Nation and ADA Celebrations. In addition to CMS, all vacancies are posted to general disability and deaf and hard of hearing organizations throughout the state and nationwide, and specifically to Chicago Land Black Deaf Advocates.

_____ Protective Service Workers

_____ Para-Professionals

_____ Service-Maintenance

5. Does your agency provide budget allocations for African American Employment Programs? If yes, provide FY 11 budget allocation for these programs:

We are a small agency and are limited in our funding for items outside of basic needs and personal expenses. Thus, we do not have a budget allocation for African American Employment Programs.

6. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the African American Employment Plan?

Currently, the agency is not underutilized in African American staff in an EEOC category. We would however, work with supervisors in an awareness effort concentrating on the underutilization of African Americans if there was an underutilization. The agency on the whole is made aware of those categories that are underutilized and there is a more concentrated effort in those counties where underutilization exists.

7. List all agency activities undertaken in implementing the State African American Employment Plan:

- a) African American employment strategies (recruitment, internships, community linkages, development of a African American Employment Recruitment Plan):
Lack of funding prohibits us from setting aside line items for such employment strategies.
- b) Promotional programs that provide African American employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your African American public and your African American employees:
Lack of funding prohibits us from setting aside line item for such employment strategies. However, employees are made aware of the State Upward Mobility Program.
- c) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:
We have a hiring packet which now includes the Hiring and Promotional Monitors located on our GAC intranet. It is easily accessible to the Supervisors. Upon beginning the hiring process they are reminded that they are to complete the Monitors as part of this hiring packet. The EEO Officer and HR Director, work closely with managers throughout the hiring process. Actual hire will not take place unless all appropriate documents are completed and signed off.
- d) Recommendations provided by DHR, CMS or the Auditor General:
None
8. Provide results of your agency's studies and monitoring success concerning the number of African American persons employed by your agency in the EEOC categories:
Due to the size of the agency and lack of funding, we do not have much hiring opportunity. Additionally, we are not underutilized in any category by African Americans. Ultimately, we lack statistics by which to measure any results.
9. Were there any increases or decreases in those levels from the prior year? If so, please provide specific details.
No
10. Please provide any suggestions/recommendations for increasing the number of African Americans employed by your agency.
There are no recommendations t this time.

Please attach additional sheets as necessary.

5. Does your agency provide budget allocations for African American Employment Programs? If yes, provide FY 11 budget allocation for these programs:

The Department conducts education and outreach for African American employment as part of its education, training and outreach functions. There is not a separate budget allocation for an African American employment program outside of currently established recruiting efforts.

6. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the African American Employment Plan?

The IDHR's Chief Legal Counsel, Human Resource staff and IDHR EEO Officer, closely monitor the activities of the Department's staff responsible for hiring, interviewing, recruitment, etc., in complying with the legislative mandates required.

7. List all agency activities undertaken in implementing the State African American Employment Plan:

- a) African American employment strategies (recruitment, internships, community linkages, development of a African American Employment Recruitment Plan):

While there is a number of staff who participate, there is a staff person dedicated to community relations and outreach, and one of the duties with respect to outreach is minority diversity. In this capacity, the staff person works to identify potential candidates for employment with the Department of Human Rights.

Specifically, this staff is responsible for the following:

- Recruiting for specific positions;
- Working with the Department's Human Resources staff to identify specific opportunities;
- Establishing relationships with a broad coalition of recruitment resources such as colleges, universities, outside employers; and

 - 2) IDHR encourages its African American employees to participate in the Illinois Association of Minorities in Government (IAMG), which provides educational and professional development of African American state employees. Each year IAMG hosts an annual State of the State Minorities Conference, which provides employee training, enrichment and information sharing among attendees.
 - 3) The Department's staff also assists employees to match their skills with available promotional opportunities in the Department and the State.
- c) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements?
1. All staff responsible for interviewing, recruiting, etc., have been advised that no appointment will be made without strict adherence to the hiring and promotion monitor procedure.

2. All staff responsible for interviewing, recruiting, etc., must work closely with the IDHR EEO/AA Officer and Human Resource Office to ensure that they have the appropriate information on the Department's underutilization.
3. The Director or Director's designee is responsible for reviewing each hiring and promotion monitor.

d) Recommendations provided by DHR, CMS or the Auditor General:

The Department staff continues to work closely with CMS' Bureau of Personnel on the hiring and promotion monitoring process, diversity programs and recruitment efforts.

IDHR staff continues to work with CMS to ensure that they (CMS) do not process a hire or promotion unless the hiring or promotion monitor has been completed and submitted with the hire or promotion transaction.

8. Provide results of your agency's studies and monitoring success concerning the number of African American persons employed by your agency in the EEOC categories:

The Illinois Department of Human Rights is excited to report that we currently do not have underutilization of African American employees in any of the EEO categories. DNR executive staff and human resources professionals have been made aware of the African American Employment Plan and are briefed on underutilization on a monthly basis. Additionally, the IDNR is committed to recruitment and networking activities conducive to identifying, hiring and promoting qualified African Americans.

7. List all agency activities undertaken in implementing the State African American Employment Plan:

- a) African American employment strategies (recruitment, internships, community linkages, development of a African American Employment Recruitment Plan):

The IDNR is maintaining good relationships with professional minority organizations such as the National Association for the Advancement of Colored People (NAACP), Illinois Association of Minorities in Government (IAMG). The IDNR is committed to continuing its efforts by participating in associated job-fairs, conferences, and fostering good relationships with minority student groups on campuses as well as other activities. IDNR continues to inform churches and community based organizations about vacancies. In 2011, IDNR implemented an internship program for which Hispanics and African-Americans were highly recruited.

- b) Promotional programs that provide African American employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your African American public and your African American employees:

IDNR encourages all employees to participate in its Technical Computer Training Program, Upward Mobility Program, Tuition Reimbursement Program, as well as conferences and seminars which enhance the level and importance of training, education, and promotional needs of its African American employees. We consistently encourage attendance and active participation in training programs specifically designed for African American employees, such as annual training conference of the Illinois Association of Minorities in Government (IAMG).

- b) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:

The Agency minority goal continues to be a challenge. DHR has recommended that the Agency attempt to address underutilization.

The Office of Compliance, EEO and Ethics works closely with the Division of Human Resources to build a diverse workforce through closely monitoring the recruitment, hiring, promotion and retention of African American employees in the relevant EEOC categories where the agency underutilized. The department will continue to identify well-qualified African-Americans through the recruitment process; and as approved vacancies become available, we will fill accordingly.

9. Were there any increases or decreases in those levels from the prior year? If so, please provide specific details.

In the previous year, the IDNR had 29 African American employees, as of June 30, 2011 there are 26 African American employees. This is largely due to attrition.

10. Please provide any suggestions/recommendations for increasing the number of African Americans employed by your agency.

The agency needs an increased budget allocation to fill our vacancies.

7. List all agency activities undertaken in implementing the State African American Employment Plan:

- a) African American employment strategies (recruitment, internships, community linkages, development of a African American Employment Recruitment Plan):

IPCB seeks qualified candidates through job postings, applications, and resumes. Resources from the IDHR are also utilized when there is an underutilization to resolve.

- b) Promotional programs that provide African American employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your African American public and your African American employees:

IPCB encourages self enrichment classes provided by DHS. The Board does not have the funding to allow any funding for other outside training at this time.

- c) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:

Yes. IPCB Human Resources is in compliance with the mandatory Hiring and Promotion Monitor.

- d) Recommendations provided by DHR, CMS or the Auditor General:

IPCB is in full compliance with DHR requirements regarding EEO. The Board has no audit findings regarding this.

8. Provide results of your agency's studies and monitoring success concerning the number of African American persons employed by your agency in the EEOC categories:

6. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the African American Employment Plan?

- 1) **Developed an internal Engineer Technician Recruitment Taskforce of management staff to oversee components of recruitment outreach for the Engineer Technician position.**
- 2) **Developed and implemented, in partnership with the Illinois Tollway, the first Diversity Symposium. The purpose is to reach out to diverse community organizations that are advocates for underutilized persons seeking employment. These organizations participated in a discussion with IDOT and the Tollway to determine the best way to connect with the clients they serve and to understand actual or perceived barriers to employment. This group will collaborate with IDOT and the Tollway on ways to address those barriers.**
- 3) **IDOT's multi-year Strategic Plan indicates a high priority will be given to the recruitment of qualified, diverse employees. The Diversity**

Recruitment and Outreach Office has been created to use various methods in recruiting individuals from under-represented groups using various mechanisms. Although several job classifications will be recruited, special emphasis will be placed on increasing the diversity in the Civil Engineer Trainee, Engineer Technician, and Highway Maintainer applicant pools.

7. List all agency activities undertaken in implementing the State African American Employment Plan:

- a) African American employment strategies (recruitment, internships, community linkages, development of a African American Employment Recruitment Plan):**
 - 1. Outreach programs have been developed to reach the underutilized population to increase the awareness of civil engineering as a career.**
 - Civil Engineering College Scholarship Program**
 - Engineering Academy for Elementary and High School students.**
 - Chicago Public School District annual Job Shadow Day and Summer Internship Program for High School Juniors.**
 - 2. Attend college engineering and community career fairs as staffing permits.**
 - 3. In partnership with Triton College and Southern Illinois University-Carbondale to launch Engineer Technician training pilot program. This is a 10-week formal classroom and experiential educational opportunity to help increase the qualified applicant pool for IDOT entry level Engineer Technicians.**
 - 4. Created and launched a Minority Outreach website showing current diversity programs and providing opportunities to join the IDOT Professional and Academic Network Alliance. The network provides updates of position postings, career fairs, and outreach efforts to a statewide data base of interested individuals, community organizations, and elected officials. Individuals from multiple regions (statewide) represent business owners, NAACP, ministers, and other catalysts to reach underutilized populations with employment and training opportunities.**
 - 5. Developed an external Recruitment Taskforce of community partners and stakeholders to review barriers in recruitment and hiring, perceived or actual that will bring suggested solutions to IDOT to help overcome those identified barriers.**
 - 6. Informational sessions given routinely at local community colleges (i.e. Olive Harvey, Prairie State, etc.) to provide necessary information on application procedures for the Highway Maintainer permanent position and application information for the IDOT temporary Highway Maintainer "Snowbird" position.**

7. **Partnerships through the above listed outreach efforts, committees, and projects with Illinois Department of Employment Security (IDES), Illinois Department of Veterans' Affairs (IDVA), Secretary of State (SOS), Central Management Services (CMS), and the Illinois Department of Commerce and Economic Opportunity (DCEO).**
- b) **Promotional programs that provide African American employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your African American public and your African American employees:**
- 1) **Professional Advancement of Career Engineers (PACE), a leadership development training for IDOT engineers at level II or III.**
 - 2) **Accelerated Leadership Proficiency Series (ALPS), a program to develop and improve managerial skills and organizational knowledge for first line supervisors and staff that have significant program responsibilities.**
 - 3) **Executive Leadership Development Series (ELDS), a program designed to enhance management skills of midlevel personnel to prepare for increased administrative challenges.**
 - 4) **The Growth and Training of Employees (GATE) program provides courses that develop skills to increase employee competence. Participants learn how to work in diverse groups, improve productivity, increase communication skills, and understand IDOT Departmental policies and regulations. GATE courses such as communicating through colors, effective interviewing, etc., are directed at both personal growth and leadership techniques. GATE training establishes a more professional work environment, improves productivity, and is IDOT-relevant to ensure that our work force projects a more professional public image.**
- c) **How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:**
1. **By Departmental Order all matters relating to recruitment, hiring, training, promotion, transfer, and departmental education and social activities shall be free of all discriminatory practices.**
 2. **By Departmental Order each employee must give his/her total commitment to the Affirmative Action Plan and fully support the department's efforts to achieve Equal Opportunity Employment.**

3. IDOT ensures compliance with Hiring and Promotion Monitor requirements by reporting all hiring, promotion, transfers and voluntary reductions to IDOT's civil rights officer. If the civil rights officer disagrees with the choice for a particular position and a qualified person from a protected class (minority, female) is available the civil rights officer may recommend said person.

d) Recommendations provided by DHR, CMS or the Auditor General:

RECOMMENDATIONS/COMMENTS

The agency failed to meet the Department of Human Rights standard of 21% for minority goal compliance. In FY12, the agency should focus recruitment efforts in underutilized area on minorities. The Department recommends that the agency establish a training program in accordance with Section 7-105(H) of the Human Rights Act and in cooperation with the Department of Central Management Services, which would enhance the ability to address the affirmative action needs of the agency. Accordingly, the Department of Central Management Services will be notified of the need to establish this training program.

RECOMMENDATIONS/COMMENTS

*Although this agency eliminated its disability underutilization and significantly reduced its female underutilization, it failed to meet the Department of Human Rights' 21% standard for minority goal compliance. The Department of Human Rights recognizes the agency's overall effort in regards to affirmative action recruiting and monitoring. The Bureau of Civil Affairs worked closely with the Bureau of Recruitment and Selection and the Office of Hispanic and Latino Affairs to expand the recruitment pool to include more minority members. The EEO/AA Officer has done a good job in identifying possible barriers to goal attainment and developing strategies to address such barriers. She is also to be commended for apprising DHR as well as agency management of developments in the EEO/AA program and clearly operates with the support of management. Finally, DHR appreciates the cooperation of the Bureau of Civil Affairs in responding to requests regarding EEO/AA compliance and providing technical assistance throughout the year to other agency EEO/AA Officers.

RECOMMENDATIONS/COMMENTS

*The agency uses an EEO/AA officer from another agency. Per the Human Rights Act, Section 2-105 (b)(4) and DHR rules, Section 2520.780, agencies with 1,000 or more employees must appoint a full-time EEO/AA officer, subject to DHR's approval. The agency should designate an individual as EEO/AA officer as indicated in the Act and Rules.

The agency failed to meet the Department of Human Rights standard of 21% for minority goal compliance. In FY12, the agency should focus recruitment efforts in underutilized areas of minorities. The Department recommends that the agency establish a training program in accordance with Section 7-105 (H) of the Human Rights Act and in cooperation with the Department of Central Management Services, which would enhance the ability to address the affirmative action needs of the agency. Accordingly, the Department of Central Management Services will be notified of the need to establish this training program.

RECOMMENDATIONS/COMMENTS

The agency had too few opportunities to evaluate performance in regards to female goals. The agency failed to meet the Department of Human Rights' standard of 21% for minority goal performance. Out of 65 opportunities to hire and promote, only 4 or 6% addressed underutilization. The agency should also make further effort to address the disability underutilization.

The Department recommends that the agency continue the training program in accordance with Section 7-105 (H) of the Human Rights Act and in cooperation with the Department of Central Management Services, which would enhance the ability to address the affirmative action needs of the agency. Accordingly, the Department of Central Management Services will be notified of the need to continue this training program.
