IDoA had two staff who attended the 2011 IAHSE conference held in Chicago. In addition to the CMS positing system, career fairs, announce vacancies of B/L positions to organizations such as IAHSE and others to increase the diversity of qualified applicants, for all positions, not just bilingual Spanish speaking positions.
- b) How does your agency assess bilingual skills when filling positions as bilingual option? (Example: structured oral interview, written test, none)
In order to obtain the most qualified and competent bilingual Spanish speaking staff, the agency has also instituted an on-site verbal and written test. They are namely a Revenue Tax Specialist Trainee, RTS I and RTS II for both Sangamon and Cook County. As the demand increases for bi-lingual staff to help LEP elderly, having those positions already established would enable the agency to re-direct resources, as well as expedite the hiring process for frontline positions to address such eventualities.

- d) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

See 12a. and 12c. The Department is also required to utilize the CMS Upward Mobility List when filling vacancies. In order to obtain the most qualified and competent bilingual Spanish speaking staff, the agency has also instituted an on-site verbal and written test. In addition to receiving a CMS grade for the position, the on-site test will better ensure a more qualified candidate pool when selecting B/L frontline customer service personnel at the Department.

- e) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:

It is strictly administered by the Office of Human Resources which is also responsible for the EEO functions. A monitor form is required when completing all new hires and promotions which are sent to CMS for final approval.

Following the approval of the Affirmative Action Plan, all Senior staff are notified of the agencies underutilization and instructed to address the underutilizations when possible. The Affirmative Action plan is also disseminated to all management staff and available at the front desk for all staff to review.

- a) **Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):**

The IL Department of Agriculture EEO Officer participates in various job/career fairs at junior colleges, universities and those hosted by other state agencies. Representatives from each Bureau participate in the annual career fair at the Chicago High School for Agricultural Sciences. In August, 2009 IDOA hired a member of the Director's Staff in Cook County. This employee is instrumental in attending numerous career fairs in Northern IL. In addition, IDOA posts all vacancies on the state of Illinois web-based electronic hiring system as well as IDES sponsored Skills Match website

- b) How does your agency assess bilingual skills when filling positions as bilingual option? (Example; structured oral interview, written test, none)

Structured oral interview and written test

- c) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

As of June 30, 2011, the IL Department of Agriculture had no employees receiving bilingual pay. However, IDOA hired a paraprofessional Spanish-speaking employee (who is currently receiving bilingual pay) August 1 of 2011. This employee is in Cook Co.

- d) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

The IL Department of Agriculture participates in the State of Illinois Upward Mobility program. IDOA's review of Spanish-speaking needs is ongoing. In the event the need for bilingual staff would increase, steps would be taken to ensure this need was satisfied.

- e) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:

The EEO Officer participates in the interview process notifying all panel members of the underutilization for the position prior to the interviews

being conducted. The EEO officer is also responsible for the completion of all hiring/promotion monitors.

- f) Recommendations provided by DHR, CMS or the Auditor General:

Following review of the agency's AA Plan by DHR, IDOA was found to be in compliance. While there are few opportunities to address underutilization, IDOA will continue to attend job fairs as well as post all positions on the websites for all qualified candidates.

13. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

The agency's results are provided through the completion of the bilingual needs and bilingual pay survey. There was recently a bilingual position filled in Region 1. With our agency laying off twenty-three(23) people as of November 1, 2011, IDOA does not have the adequate funding to fill the necessary bilingual positions. Recruitment efforts will be directed toward addressing underutilization as outlined in the Affirmative Action Plan.

Were there any increases or decreases in those levels from the prior year? If so, please provide specific details. No

14. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

To increase the number of Hispanic employees in various EEOC categories, IDOA plans to continue recruitment efforts by attending available job fairs as well as ongoing training for appropriate staff regarding underutilization. As of August, 2009, IDOA now has a staff member in Cook County to attend job fairs and represent IDOA in Northern Illinois on a regular basis while the Sangamon County staff will continue to represent the agency south of Cook County.

Prior to all interviews, IDOA EEO Officer will continue to inform the interview panels of the underutilization for the respective positions. We will also continue to post positions on the state of Illinois web-based electronic hiring system as well as IDES/Skills Match website.

Please attach additional sheets as necessary and be sure to complete the Certification form on the next page.

10. What steps has your agency undertaken to ensure that all administrative staff responsible for hiring, interviewing, recruitment and EEO are complying with all legislative mandates of the Hispanic Employment Plan?

The Office of Affirmative Action (OAA) hosts monthly diversity meetings in Chicago and Springfield via video conferences. These meetings include the Deputy Director's of Personnel, Affirmative Action, Burgos Coordinator, Recruitment staff, representative from the Communications Office, a senior member of the Director's staff and the chief of the Offices of Latino Services, African-American and the Asian Advisory Council representative. The Diversity Committee looks at underutilization, recruitment, retention, and analyze strategies to ensure improvement with respect to our diversity. The Committee is looking to invite representatives from other Divisions this year.

11. Does your agency have a designated Hispanic Liaison who works with the Hispanic Community? If so, please provide the name:

Jose J. Lopez, Chief of Latino Services

- a) Is this person on the Executive Staff? No

12. List all agency activities undertaken in implementing the State Hispanic Employment Plan:

- a) Hispanic employment strategies (recruitment, internships, community linkages, development of a Hispanic Employment Recruitment Plan):

The Office of Latino Services has been in contact with downstate Latino coalitions to help bolster Latino and bilingual employment in DCFS specifically in those traditionally underserved regions. The primary means of communication is through e-mails to cut costs on travel. Postings are sent out to Latino coalitions and presentations are provided once a year where recruitment is part of the DCFS presentation by Latino Services.

The EEO Officer has met with the Deputy Director of Human Resources on numerous occasions to strategize the promotion of diversity

specifically with respect to Latino and bilingual employees. The Office of Latino Services is in contact with CMS Diversity Enhancement staff continually to seek assistance in recruiting Hispanic/bilingual staff in key areas.

- b) How does your agency assess bilingual skills when filling positions as bilingual option? (Example; structured oral interview, written test, none)

The Department of Children and Family Services require applicants to take a Spanish Bilingual Certification Test to all employees and interns in Spanish bilingual titles. All contracted agency staff who are assigned Spanish-speaking cases must also pass the test. The test is required to meet agency proficiency requirements (oral, written, reading, terminology, etc.).

DCFS employees currently in non-bilingual titles who bid or transfer to bilingual title position must be tested. Exception: if they have been tested before and have been certified by the Burgos Coordinator or the Chief of Latino Services for that level of employment (Professional or Clerical) in the past. A Spanish-speaking certification must be in their personal record. DCFS employees who are currently in non-bilingual titles who are asked to assist and handle Spanish cases and/or are temporarily assigned to a Spanish caseload must be tested and certified.

The Spanish bilingual certification test can only be given by the Burgos Coordinator or the Chief of the Office of Latino Services. The test is conducted in person. The test has two levels, professional and clerical. It will be determined based on the title being applied for. The exam tests the person's oral, written and reading skills.

Step 1: The applicant is given an "oral" test in both languages to determine their ability to interpret both from Spanish to English and English to Spanish. Questions will be asked about the applicant's background, education, job history, career goals and community involvement.

Step 2: The applicant is given a "written" test. The applicant is asked to translate a paragraph in writing from English to Spanish and then a different paragraph from Spanish to English. The person is allowed to take all the time they need to finish this part of the test. The time is documented in the result page.

Step 3: The applicant is asked to read what he or she wrote both in Spanish and English to review their "reading" ability.

Once the three steps are done, the tester can determine the person's familiarity with DCFS terminology. Upon passing the test, this will qualify them to receive Spanish bilingual pay.

- c) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

The Office of Latino Services and the Office of Selection and Recruitment are in communication in order to coordinate recruitment efforts throughout the Latino communities of Illinois. Employment materials have been developed in both Spanish and English for Hispanic/bilingual recruitment.

The 2010 Latino Census information is being used to target recruitment. The Office of Latino Services maintains a Latino events calendar for the entire state and continually updates this calendar. The Office of Latino Services shares this calendar with the Office of Employee Services which signals the possible targeting of Latino/Bilingual recruitment opportunities. A list is created of Spanish bilingual recruitment opportunities during the year. The Office of Employee Services indicates if they are free or there is a charge to participate. If the budget allows it will be determine if DCFS can participate in these events.

The Office of Latino Services works very closely with the Latino Consortium who is under contract by DCFS. One of their goal is to recruit Latino/bilingual students to enter the field of social work to be employable by child welfare agencies and DCFS in the future.

- d) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:

The DCFS Latino Advisory Committee organizes the Latino Family Institute Training for DCFS employees as well as those from private agencies that have contracts with DCFS.

This training conference offers a series of workshops designed to promote better practices among frontline and management staff with respect to Latino issues in child welfare practices. Employees were sent to the Illinois Association of Hispanic State Employees and Illinois Association of Agencies and Community Organizations and Migrant Advocacy conferences in 2011.

- e) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements?

Agency division deputies, managers, supervisors and OES staff receive a copy of the Quarterly underutilization report. All hiring monitors are reviewed by the Deputy Director/EEO Officer and only the hiring monitors that are in compliance are approved.

f) Recommendations provided by DHR, CMS or the Auditor General:

none

13. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

<u>0</u>	Service Maintenance	

14. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

The Department will be updating the data collection system to identify the number of Latino families and children who require Spanish bilingual assistance. The system is targeted to be in place in 2012. This will allow DCFS to enhance service to Spanish-speaking families. The Burgos Coordinator is assisting new employees during their first year of employment in an effort to increase the retention of Spanish speaking staff.

* The Illinois Deaf and Hard of Hearing Commission's primary objective is to ensure all Illinois residents with a hearing loss will enjoy the benefits of a fully accessible society enabling each person to participate in and contribute to all aspects of life. In order to achieve this objective, all positions within the agency are fluent in American Sign Language at a colloquial level. Given the population this agency serves, the requirement of ASL is a necessity. Unfortunately, this requirement substantially limits the number of qualified applicants available when filling vacancies. Nonetheless, the agency is committed to hiring a diversified workforce. When vacancies exist, IDHHC uses all forums available to recruit new employees including deaf events such as Deaf Latino Day, Deaf Nation and ADA Celebrations. Were there any increases or decreases in those levels from the prior year? If so, please provide specific details.

Additional information for question number 12c:

Director's Office – Division of Community Outreach:

This office is responsible for the agency's programs for healthcare benefits and insurance, some of which are in conjunction with the governor's office. All materials distributed are printed in English and Spanish. Deputy Director, Peter Vina also covers many of the events in the Hispanic Community.

Division of Child Support Services – Community Outreach:

All community outreach services are statewide. All of our materials are available and maintained in English and Spanish. Recently due to limitations of resources for both our division and service providers, our approach to Community Outreach has been to train providers as to the services we provide. Many of these presentations are completed bilingually. We have also made ourselves available to provide onsite services by coordinating appointment scheduling by the providers. We require a minimum of 20 scheduled appointments to meet the threshold to send a staff person out to the community

agency to provide direct services. These services are also available in English and Spanish. We have also added a bilingual staff person to the rotation of assisting incarcerated non custodial parents to address child support issues.

In addition, there is also a Teen Parent Program. The Healthy Marriage and Relationships Project is a special initiative funded by a federal grant. It offers relationship enhancement workshops as well as full case management and employment services to two sites in Chicago. One site serves a predominantly Hispanic population and the workshops are provided in Spanish. The case management and employment pieces are delivered by bilingual staff.

Division of Medical Programs – All Kids:

Currently, there are (10) Spanish Speaking option Human Services Caseworkers. There is 1 Spanish speaking option Human Services Caseworker vacancy as with the current budget constraints limited headcount is available to fill positions. Additionally, there are 5 Hispanic Human Services Caseworkers and 3 Hispanic Office Assistants, which do not have the Spanish speaking option requirement. The Human Services Caseworkers' responsibilities include processing new applications and/or maintaining active cases, talking to clients regarding Department policies and procedures, and translating mail from Spanish to English.

Bureau of Medical Administrative Support – Health Benefits Hotline:

This office is responsible for responding to client/provider telephone inquiries including, but not limited to, the following programs:

All Kids; Family Care; Medicare; Medicare D; Medicaid; Illinois Cares Rx; (Senior Care & Circuit Breaker); Illinois Breast and Cervical Cancer Program (IBCCP); Health Benefits for Workers with Disabilities (HBWD); Illinois Healthy Women (IHW); Medicaid Presumptive Eligibility; Veteran's Care; First Transit (transportation issues) Illinois Health Connect; Disease Management; Prior Approval; Third Party Liability (TPL); Credible Coverage; Durable Medical Equipment (DME) and Pharmacy Prior Approval

A breakdown of hotline staff by title and option is as follows:

2 Hispanic Executive I (Option Spanish speaking) supervisors and 7 Hispanic Office Specialists.

- b) How does your agency assess bilingual skills when filling positions as bilingual option? (Example; structured oral interview, written test, none)

Depending on the position for which the Department is recruiting, oral interviews and/or written testing is utilized. One or both are utilized to determine the candidate's ability to write and speak Spanish.

- c) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:

While the IDHR has a number of staff who participate, there is a staff person dedicated to education, outreach and training; one of her duties with respect to outreach is minority diversity. In this capacity, she works to identify potential candidates for employment with the Department of Human Rights. The Department's recruitment efforts include outreach to Hispanic and Spanish-speaking veterans and persons with disabilities.

Specifically, this staff is responsible for the following:

- Recruiting for specific positions;
- Working with the Department's Human Resources staff to identify specific opportunities for Spanish-speaking positions;

- Establishing relationships with a broad coalition of recruitment resources such as colleges, universities, outside employers; and
 - Ensuring that individuals are aware of job vacancies.
- d) Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:
- 1) The IDHR Human Resource staff meet regularly with the IDHR Director to review the Department's staffing pattern and strategy for Hispanic and Bilingual employees.
 - 2) IDHR encourages its Hispanic employees to participate in the Illinois Association of Hispanic Employees (IAHSE), which provides educational and professional development of Hispanic state employees.
 - 3) The Department's minority diversity program staff also assists employees to match their skills with available promotional opportunities in the Department and the State.
- e) How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:
1. All staff responsible for interviewing, recruiting, etc., have been advised that no appointment will be made without strict adherence to the hiring and promotion monitor procedure.
 2. All staff responsible for interviewing, recruiting, etc., must work closely with the IDHR EEO/AA Officer and Human Resource Office to ensure that they have the appropriate information on the Department's underutilization.
 3. The Director or Director's designee is responsible for reviewing each hiring and promotion monitor.
- f) Recommendations provided by DHR, CMS or the Auditor General:
- The Department staff continues to work closely with CMS' Bureau of Personnel on the hiring and promotion monitoring process, diversity programs and recruitment efforts.
- IDHR staff continues to work with CMS to ensure that they (CMS) do not process a hire or promotion unless the hiring or promotion monitor has been completed and submitted with the hire or promotion transaction.

13. Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:

The Illinois Department of Human Rights continues to seek opportunities to improve, but reports that as of June 30, 2011, 19% of its current (actual) headcount is Hispanic. Additionally, 17% of DHR's current (actual) headcount has the Spanish speaking bilingual option.

Were there any increases or decreases in those levels from the prior year? If so, please provide specific details.

As a result of retirement, promotions and transfers, the level decreased by 3% (22% last year) The Department is underutilized by one Para-Professional.

14. Please provide any suggestions/recommendations for increasing the number of Hispanics and Spanish-speaking bilinguals employed by your agency.

The Department continues to review its positions; the need of its customers and the quality of its outreach efforts to ensure that all communities have the same access to services provided by the Department. Another element of the Department's efforts focused on redesigning the Department's website and including the translation of Department brochures in multiple languages.

Additionally, IDHS, through its Recruitment, Hiring and Discipline Committee conducts monthly meetings to discuss and monitor all legislative mandates of the Hispanic Employment Plan.

IDHS also has active members on the Illinois Hispanic Advisory Council and the Latino Family Commission. IDHS' Office of Hispanic and Latino Affairs assists and partners with the Latino community as well as performs outreach and recruitment to help address affirmative action goals and underutilization of Hispanics within IDHS.

The Recruitment Unit has developed a Recruitment Database which includes many Hispanic organizations. The Recruitment Unit has participated in Latino events in an effort to recruit potential candidate, for example LULAC. OHLA also sends e-blasts to their targeted email list with 900-1200 community contacts. Job opportunities have been posted on the Chicago Latino Network E-Newsletter, which reaches 40,000 Latino professionals and they have been shared with the Latino Mental Health Providers Network. OHLA did intensive outreach and recruitment during our recent testing opportunity for Mental Health Technician Trainees. The Recruitment Unit has developed the first draft of a Hispanic Recruitment Plan, which we will be continuing to refine during FY12.

In addition, OHLA staff maintain a list of potential candidates. These individuals are sent brochures from Human Resources which provide the candidate with information on the hiring process. Inquiries received from applicants regarding the hiring process are connected directly to the IDHS Human Resources office.

- b) How does your agency assess bilingual skills when filling positions as bilingual option? (Example; structured oral interview, written test, none)**

IDHS requires the successful completion of a structured, intensive foreign language proficiency test. The test includes both oral and written sections and it is administered by a fully bilingual staff.

- c) Spanish-speaking option employment strategies to increase the number of available bilingual/Spanish employees to service the needs of your Spanish-speaking public:**

As a result of the commitment of IDHS, the Agency has created the Limited English Proficiency (LEP) Committee to review and analyze the need for additional Spanish Speaking positions. The LEP Committee is working with all six Divisions to ensure each one has an LEP plan which includes hiring sufficient bilingual staff.

Moreover, in the fall of 2010, IDHS Divisions were asked to conduct a Spanish bilingual needs assessment to identify which of the ePARs being submitted should be coded as a Spanish bilingual option. This effort ensured that new ePARs would take Spanish bilingual needs into consideration and sought to increase the number of Spanish bilingual staff across the state.

- d) **Promotional programs that provide Hispanic employees with career ladder enhancement, self-development training or otherwise enhance your agency's ability to meet the needs of your Spanish-speaking public and your Hispanic employees:**

IDHS employees are allowed and encouraged to participate in the Upward Mobility program which is a joint venture between the State of Illinois and the American Federation of State County and Municipal Employees Collective Bargaining Unit. Also, IDHS employees are allowed and encouraged to participate in a variety of career enhancement programs offered by the Bureau of Training and Development. The Bureau offers a cultural competence workshop, which includes information on service provision to LEP's. IDHS is examining the possibility of making this training available via the web and making it mandatory to build the Agency's capacity to serve Latino customers.

- e) **How has your agency ensured that all appropriate staff are complying with the mandatory Hiring and Promotion Monitor requirements:**

Hiring and Promotion Monitors are reviewed by the Chief Equal Employment and Affirmative Action Officer for IDHS to ensure consistency with IDHS' and IDHR's policies, goals and directives. The Chief provides quarterly and annual data, complete with an update and analysis, via email to all executive staff to promote awareness and compliance.

- f) **Recommendations provided by DHR, CMS or the Auditor General:**

None.

13. **Provide results of your agency's studies and monitoring success concerning the number of Hispanics and Spanish-speaking bilingual persons employed by your agency in the EEOC categories:**

This group will collaborate with IDOT and the Tollway on ways to address those barriers.

The Diversity Recruitment and Outreach Office has been created to use various methods in recruiting individuals from under-represented groups using various mechanisms. Although several job classifications will be recruited, special emphasis will be placed on increasing the diversity in the Civil Engineer Trainee, Engineer Technician, and Highway Maintainer applicant pools.

2011 BILINGUAL NEEDS AND BILINGUAL PAY SURVEY	SURVEY QUESTION
GENERAL KEY: 32 Agencies reported bilingual service requirements for FY10. Only these agencies answered Survey Questions 12a & 12b.	For agencies with bilingual staff: What methods does the agency employ to determine the number of bilingual positions of all types needed to render effective service to its clients?
FY 2011 AGENCIES, BOARDS & COMMISSIONS	12a
Aging, Department on	The Illinois Department on Aging utilizes the Nextalk/Textnet units to effectively serve clientele with disabilities. The Nextalk/Textnet services enable PCs to function like a TDD/TTY unit and allow callers to be routed to any user within an agency or at other agencies. Callers may leave messages that can be forwarded through email and outgoing calls can be typed through the PC. Nextalk logs all calls and document all transactions. Senior HelpLine staff track the number of calls and callers who require assistance in a language other than Spanish or English. To date, the majority of LEP callers require assistance in Spanish and have not required the need to add other language skills. The department is working toward to fill bilingual coded positions to accommodate the different languages that are needed.
Agriculture, Department of	As IDOA's Human Resource manager, I keep a close relationship with all other Division managers/Bureau Chiefs to make sure we can render an effective service in terms of filling bilingual positions. At present, there is no need to hire a full-time employee to serve any communication needs other than English and Spanish. During the IL State Fair/DuQuoin State Fair, a temporary sign-language interpreter is hired on contract to perform sign language interpretation as needed. In the event the requests for any language other than English or Spanish were greater than a temporary employee could serve, IDOA would evaluate the necessity and ensure compliance with the growing need.
Arts Council	Judgment is made by the agency based on the number of grant applications and phone inquiries received each year. In addition, by the number of grant submitted to the agency receiving technical assistance pertaining to their own applications.
Central Management Services, Department of	The agency tracks cases for which translation and interpretation skills are required. The historical statistics reported on surveys such as this, evaluations by the individuals in bilingual positions of the time and effort spent; and whether CMS efforts are adequate. These are all factors in determining the bilingual skill requirements and services.
Children and Family Services, Department of	The Department of Children and Family Services is in the process of developing a new coding system for cases and investigations which will allow our department a method of determining the number of cases needing bilingual services which will then determine the number of staff that this agency needs to employ. Our current system does not accurately reflect the number of bilingual positions that are needed. However at this point our agency uses the following system: A comparison between Council of Accreditation standard of 20 cases to 1 caseworker versus the actual number of cases opened in the agency. Looking at the Child Abuse Hotline intake cases from Spanish Speakers versus the number of Spanish Speaking bilingual Hotline intake caseworker and the total number of bilingual Child Abuse Investigators. Looking at demographic numbers in counties where the Spanish Speaking or monolingual immigrant populations are growing statewide and comparing that to the number of bilingual staff assigned to each IDCFS office in those counties.
Commerce and Economic Opportunity, Department of	Determinations are made by management, based on client needs in respective offices. Needs are assessed with vacancies or work activity changes requiring bilingual skills.
Commerce Commission	Currently, the agency is only equipped to handle consumer inquiries in English and Spanish. To the best of its knowledge, the agency did not receive requests for communications in spoken languages other than English or Spanish in Fiscal Year 2011.
Corrections, Department of	The agency is planning on conducting a survey of current inmate population of the number of non-English speaking and writing inmates we have currently. With this information, we will determine the number of bilingual staff needed.
Deaf and Hard of Hearing Commission	All positions require the use of sign language in order to communicate effectively with individuals with a hearing loss. This includes the community we serve as well as staff.
Employment Security, Department of	Agency reviews telephone interpreter usage, number of Limited English Proficient claimants who file claims, frequency of contact with LEP claimants. The number of callers who call the Spanish TeleServe line. Census data. The number of bilingual staff in each physical location where there is public contact.
Environmental Protection Agency	The agency uses a sample of calls to determine adequate service is provided to the public and surveys bilingual staff annually in conjunction with this survey to verify utilization of bilingual skills.
Executive Inspector General, Office of the	No determinations made. Their service is provided as a result of diverse staff.
Financial and Professional Regulation	Determination is made by the number of telephone inquiries and complaints received by the Department that require translators; and, the number of licensees who require translators during investigations/examinations.
Gaming Board	None, as several agency staff and Illinois State Police assigned to the Illinois Gaming Board are bilingual in Spanish and English and can provide effective service to our agency's clients.

2011 BILINGUAL NEEDS AND BILINGUAL PAY SURVEY	SURVEY QUESTION
GENERAL KEY: 32 Agencies reported bilingual service requirements for FY10. Only these agencies answered Survey Questions 12a & 12b.	For agencies with bilingual staff: What methods does the agency employ to determine the number of bilingual positions of all types needed to render effective service to its clients?
FY 2011 AGENCIES, BOARDS & COMMISSIONS	12a
Guardianship and Advocacy Commission	Based upon need after determining client requirements.
Healthcare and Family Services, Department of	The number of bilingual needs/positions required is based on geographical needs.
Human Rights Commission	None.
Human Rights, Department of	The Departments' Charge Processing, Fair Housing and Legal Divisions process charges of discrimination. A number of these charges are filed by non-English speaking individuals. The number of bilingual positions required to process cases are based on the number of charges filed annually by individuals who do not speak English. Additionally, the Department does have positions which do not process cases but are required to communicate orally and in writing with individuals who do not speak English (specifically individuals who are fluent in Spanish). The need is determined by the type of service provided and required such as training, community outreach, liaison, receptionist, etc. In addition to Spanish, the Department also has Polish and Korean bilingual option positions.
Human Services, Department of	The number is determined by client/patient evaluation of language skill needs, number of clients served with that need. The information is reviewed on a yearly basis.
Insurance, Department of	DOI looks at the types of language services needed, the technology available to provide assistance, the specific area where it is used the most(i.e., interviews and consumer assistance), as well as the number of staff available to provide the assistance. DOI needs a minimum of 2 staff per language is needed, including signing and braille.
Juvenile Justice, Department of	Bilingual needs of Cliental vary based on average commitment of 6 months or less. Contractual provisions allow for temporary assignment pay when existing staff may be required to assist with bilingual need on an intermittent basis.
Labor, Department of	We have determined the need for 10 bilingual position in our Chicago Office based on the volume of phone calls, complaints filed and walk-ins from non-English speaking clientele in that geographic area.
Labor Relations Board, Illinois	The agency believes that having one bilingual position is sufficient to manage the increase in Spanish speaking assistance that has occurred this past year.
Natural Resources, Department of	Need for bilingual positions is determined by the demand for services according to geographical area.
Prisoner Review Board	By reviewing the number of calls, hearings, etc each year to be sure we are maintaining a sufficient amount of bilingual staff.
Public Health, Department of	Bilingual needs are assessed by the management staff when positions are created and filled based on the volume of calls received from Limited English Proficient population.
Racing Board	Population serviced typically has an interpreter available to them.
Revenue, Department of	We review with the program administrators who have field staff or contact with the public if their needs are being met.
State Fire Marshal, Office of the	The agency determines the number of bilingual positions needed to render effective services throughout the state of Illinois based on translations needed for our field staff and phone calls received in our offices. We have bilingual positions located in our Springfield and Chicago offices and in areas of the state where the demand is greater.
State Police, Illinois	The agency relies on personnel in the field to request the need for bilingual skill.
Transportation, Department of	The organizational entities notify the central office of the need based upon work functions provided by the unit and public interaction needs. The central office reviews the need and works with the entity to establish appropriate position(s).
Workers' Compensation Commission, Illinois	Bilingual needs are determined by the increase or decrease in requests for interpreters.

2011 BILINGUAL NEEDS AND BILINGUAL PAY SURVEY	SURVEY QUESTION
GENERAL KEY: 32 Agencies reported bilingual service requirements for FY10. Only these agencies answered Survey Questions 12a & 12b.	For agencies with bilingual staff: What methods does the agency employ to determine the number of bilingual positions with Spanish language options needed to render effective service to its Spanish speaking clients?
FY 2011 AGENCIES, BOARDS & COMMISSIONS	12b
Aging, Department on	In addition to answering the Senior HelpLine, our bilingual staff responds to clients contacting the Department's Circuit Breaker Illinois Cares Rx Division with bilingual Spanish calls, correspondence, translations, and walk-in assistance. The Senior HelpLine logs all bilingual calls and documents through the Nortel IVR phone system and taxonomy. The Department also uses bilingual staff to host public speaking, staffing exhibits and conferences and translating outreach materials and publication materials. We are also looking at an opportunity to fill a bilingual Aging Specialist position in the Chicago office.
Agriculture, Department of	The Chicago area consists of predominantly Spanish-speaking state licensed and inspected establishments. Based on the number of plants requiring Spanish-speaking inspectors, IDOA strives to always have at least one Spanish-speaking inspector on staff.
Arts Council	The IAC is a small agency with only 16 full-time staff. One position has the Spanish language option for the agency.
Central Management Services, Department of	The agency tracks cases for which translation and interpretation skills are required. The historical statistics reported on surveys such as this, evaluations by the individuals in bilingual positions of the time and effort spent; and whether CMS efforts are adequate. These are all factors in determining the bilingual skill requirements and services.
Children and Family Services, Department of	Intact cases are staffed at 15 cases per worker. Placement cases are staffed at 15 cases per worker. Investigations are staffed at 12 investigations per worker.
Commerce and Economic Opportunity, Department of	Same process is utilized as in 12a, determinations are made by management, based on client needs in respective offices. Needs are also assessed with vacancies or work activity changes requiring addition or deletion of bilingual skills.
Commerce Commission	In Fiscal Year 2011, there were 785 calls offered to our consumer counselors in Spanish. Of those calls, 34.9% were not answered. Over the same time period, English speaking calls were not answered 8.5% of the time. The difference can be attributed to low Spanish speaking staffing levels. With only four Spanish speaking employees for eleven of the twelve months of the fiscal year, there were frequent gaps in coverage that were unavoidable due to vacation, illness, break time and lunch schedules. The division lost its most senior Spanish speaking counselor on June 1, 2011, amplifying the coverage issues significantly.
Corrections, Department of	The agency is planning on conducting a survey of current inmate population of the number of non-English speaking and writing inmates we have currently. With this information, we will determine the number of bilingual staff needed.
Deaf and Hard of Hearing Commission	If we do provide services to Spanish speaking individuals, we hire Interpreters with Spanish speaking sign language knowledge.
Employment Security, Department of	Agency reviews telephone interpreter usage, number of Limited English Proficient claimants who file claims, frequency of contact with LEP claimants. The number of callers who call the Spanish TeleServe line. Census data. The number of bilingual staff in each physical location where there is public contact.
Environmental Protection Agency	The agency uses a sample of calls to determine adequate service is provided to the public and surveys bilingual staff annually in conjunction with this survey to verify utilization of bilingual skills.
Executive Inspector General, Office of the	No determinations made. Their service is provided as a result of diverse staff.
Financial and Professional Regulation	Determination is made by the number of telephone inquiries and complaints received by the Department that require translators; and, the number of licensees who require translators during investigations/examinations.
Gaming Board	None, as several agency staff and Illinois State Police assigned to the Illinois Gaming Board are bilingual in Spanish and English and can provide effective service to our agency's clients.
Guardianship and Advocacy Commission	Based upon need after determining client requirements
Healthcare and Family Services, Department of	The number of bilingual needs/positions required is based on geographical needs.
Human Rights Commission	None.

The need is determined by the type of service provided and required such as training, community outreach, liaison, receptionist, etc. In addition to Spanish, the Department also has Polish and Korean bilingual option positions.

RECOMMENDATIONS/COMMENTS

The agency failed to meet the Department of Human Rights standard of 21% for minority goal compliance. In FY12, the agency should focus recruitment efforts in underutilized area on minorities. The Department recommends that the agency establish a training program in accordance with Section 7-105(H) of the Human Rights Act and in cooperation with the Department of Central Management Services, which would enhance the ability to address the affirmative action needs of the agency. Accordingly, the Department of Central Management Services will be notified of the need to establish this training program.

RECOMMENDATIONS/COMMENTS

*Although this agency eliminated its disability underutilization and significantly reduced its female underutilization, it failed to meet the Department of Human Rights' 21% standard for minority goal compliance. The Department of Human Rights recognizes the agency's overall effort in regards to affirmative action recruiting and monitoring. The Bureau of Civil Affairs worked closely with the Bureau of Recruitment and Selection and the Office of Hispanic and Latino Affairs to expand the recruitment pool to include more minority members. The EEO/AA Officer has done a good job in identifying possible barriers to goal attainment and developing strategies to address such barriers. She is also to be commended for apprising DHR as well as agency management of developments in the EEO/AA program and clearly operates with the support of management. Finally, DHR appreciates the cooperation of the Bureau of Civil Affairs in responding to requests regarding EEO/AA compliance and providing technical assistance throughout the year to other agency EEO/AA Officers.

*The agency uses an EEO/AA officer from another agency. Per the Human Rights Act, Section 2-105 (b)(4) and DHR rules, Section 2520.780, agencies with 1,000 or more employees must appoint a full-time EEO/AA officer, subject to DHR's approval. The agency should designate an individual as EEO/AA officer as indicated in the Act and Rules.

The agency failed to meet the Department of Human Rights standard of 21% for minority goal compliance. In FY12, the agency should focus recruitment efforts in underutilized areas of minorities. The Department recommends that the agency establish a training program in accordance with Section 7-105 (H) of the Human Rights Act and in cooperation with the Department of Central Management Services, which would enhance the ability to address the affirmative action needs of the agency. Accordingly, the Department of Central Management Services will be notified of the need to establish this training program.
