Failure to file to Step 2 within the prescribed time limits, unless mutually agreed otherwise, shall result in the grievance being resolved pursuant to the Step 1 decision. Within five (5) working days of receipt of the grievance, the Bureau Chief shall issue a written decision and serve a copy on the grievant and on the Union.

Step 3. If dissatisfied with the Step 2 decision, the Union may appeal to Step 3 within five (5) working days of receipt of the Step 2 decision or the date such decision was due, whichever is earliest, by filing a copy of the grievance with the

Agency Director or the Director's designee. Failure to file to Step 3 within the prescribed time limits, unless mutually agreed otherwise, shall result in the grievance being resolved pursuant to the Step 2 decision. The Director or their designee shall schedule a meeting to discuss the grievance with the Union. Such meeting shall be held within fifteen (15) working days of receipt of the grievance. Within ten (10) working days after such meeting, the Director or his/her designee shall issue a written decision and serve a copy on the Union.

Step 4. If dissatisfied With the Step 3 decision, or if no decision is issued within the specified time limit, the Union may appeal to the Director of CMS or his/her designee by submitting a written notice of appeal with a copy of the grievance attached within ten (10) working days after receipt of the Step 3 decision or the date such decision was due. Failure to file to Step 4 within the prescribed time limits, unless mutually agreed otherwise, shall result in the grievance being resolved pursuant to the Step 3 decision. Within twenty (20) working days after receipt of the Step 4 appeal, the CMS Director, or their designee, the parties shall schedule a meeting to:

- a) Discuss and resolve the grievance; or
- b) Select an arbitrator to hear the grievance and establish, where possible, the hearing date.
- c) Both parties agree to attempt to arrive at a joint stipulation of the facts and issues as outlined to be submitted to the arbitrator. The Employer or the Union shall have the right to request the arbitrator to require the presence of witnesses and/or documents. Each party shall bear the expense of its own witnesses.

Questions of arbitrability shall be decided by the arbitrator. The arbitrator shall make a preliminary determination on the question of arbitrability. Once a determination is made that the matter is arbitrable or is such preliminary determination cannot be reasonably made, the arbitrator shall then proceed to determine the merits of the dispute. The merits of the grievance shall be based on the exact wording of the grievance.

The arbitrator shall only have authority to determine compliance or non-compliance with the provisions of this Agreement and shall have no right to amend, modify, nullify, ignore, add to, or subtract from the provisions of this Agreement. The arbitrator shall only consider and make a decision with respect to the specific issues submitted and shall have no authority to make a decision on any other issue not so submitted. In the event the arbitrator finds a violation of the terms of this Agreement, they shall fashion an appropriate remedy. The arbitrator shall be without power to make a decision contrary to or inconsistent with or modifying or varying in any way that application of laws and rules and regulations having the force and effect of law.

The arbitrator shall submit in writing his decision within thirty (30) calendar days following close of the hearing or the submission of briefs by the parties,

whichever is later, unless the parties agree to written extension thereof. The decision shall be based solely upon their interpretation of the meaning or application of the express terms of this Agreement to the facts of the grievance presented. A decision rendered consistent with the terms of this Agreement shall be final and binding. The expenses and fees of the arbitrator and the cost of the hearing room shall be paid by the losing party. In cases of split decisions, the arbitrator shall determine what portion each party shall be billed for expenses and fees.

Nothing in this Article shall preclude the parties from agreeing to the appointment of a permanent arbitrator(s) during the term of the Agreement or to use the expedited arbitration procedures of the American Arbitration Association.

If either party desires a verbatim record of the proceedings, it may cause such a record to be made. In cases where a court reporter is used the cost of the court reporter's attendance and transcript shall be bourn by the party that requests the court reporter. However, in the event an arbitrator requests a copy of the record the costs of the court reporter's attendance and arbitrator's transcript shall be bourn equally. If both parties request copies of the record the entire cost of transcription shall be bourn equally by each party.

In any case where an employee represents themselves, the final level through which the grievance may be processed by the employee shall be at Step 2.

### **Section 4. Time Limits**

A. Grievances may be withdrawn at any step of the procedure without prejudice. Grievances not appealed within the designated time limits shall be treated as withdrawn or shall result in the grievance being resolved pursuant to the Employer's decision, as applicable. B. The time limits at any step may be extended by agreement of the parties involved at that step.

C. Grievances concerning suspensions and layoffs shall be initiated at Step 3 of the grievance procedure.

Supervisors may however, grant employee requests to use sick time in smaller increments of fifteen (15) minutes after a minimum use of one-half (1/2) hour. Evidence of illness, including doctor's statement, may be required where the Employer may have reason to believe that such leave days were not used for the purpose herein set forth. For periods of absence for more than ten (10) consecutive workdays, the employee shall provide verification for such absence in accordance with the provisions of Personnel Rule 303.145. Sick leave may also be used in the event of death of grand relations and parent and child-in-laws. Prior to application for such leave or extension thereof, the employee shall inform the Employer that such condition exists or advise the Employer that such condition is continuing before the expiration of their original leave or an extension thereof and if so requested, take

a physical examination given by employer's physician if there is a doubt as to the employee's illness. The employee shall report back to work as soon as physically able. If there is a difference of opinion between employer's physician and the employee's physician as to their illness or ability to return to work, Employer may request an examination by another physician (who is not employed by the State). Such examination shall be paid for by Employer.

### **Section 5. Proof of Illness or Injury Status**

The Employer may place an employee on proof of injury status by notifying the employee and the Union that future use of sick time must be substantiated. In said notice, the Employer will state its reasons for placing the employee on proof status and will specify the type of substantiation required. The Employer shall specify any specific information it requires in the substantiation and the length of proof status. The employee or the Union may grieve being placed on proof status pursuant to the procedures of Article 11. If an employee on proof status fails to provide a medical statement which verifies the employee was seen by a medical practitioner on the date in question, the employee will not be allowed to use accumulated sick leave and may be subject to docking and/or discipline.

If the Employer demands an additional form of proof different from that which is furnished and involves cost to the employee, the Employer shall pay the cost of such professional charges, when such verifies the employee was not abusing sick leave.

### **Section 6. Resolution of Leave Disputes**

In the case of a dispute involving service connected injury or illness, no action shall be taken which is inconsistent with relevant law and/or regulations of the Illinois Workers' Compensation Commission. Such determination shall pertain solely to an employee's right to be placed on or continued on illness or injury leave, including service connected illness or injury leave. For service connected illness or injury leave, the right to select the impartial physician shall be between the employee and the Department of Central Management Services.

## **ARTICLE 15** **LAYOFF**

Layoffs shall be by appropriate organizational unit. Employees within the appropriate organizational unit and the same position classification shall be laid off in inverse order of seniority, unless a less senior employee has demonstrably superior skill and ability to perform the work required in the position classification. In the event of a layoff for the position classification of Automotive Shop Supervisor, the Automotive Shop Supervisor subject to layoff may be allowed to reduce in lieu of layoff into the position classification of Assistant Automotive Shop Supervisor, seniority permitting.

No certified or probationary employee may be laid off until all temporary, emergency, and provisional employees in the same classification and organizational unit are terminated.

## **Section 3. Notice of Layoff**

In the event that the Employer becomes aware of an impending reduction in the work force due to layoff, it will notify the Union thirty (30) calendar days prior to the effective date, except in emergency situations. Unless operational needs dictate otherwise, employees shall be given 10 calendar days notice prior to the effective date of layoff.

## **Section 4. Transfer/Reduction In Lieu of Layoff**

An employee who is subject to layoff shall be offered all available lateral or lower level permanent vacancies for which they are qualified within the agency as applicable and seniority permitting. Refusal to accept such offer will not impair the employee's right to re-employment provided in Section 5 of this Article. The parties recognize that promotion is not an option in the layoff process.

## **Section 5. Recall**

- A. When permanent vacancies occur within the Meat & Poultry Inspector Supervisor, Assistant Automotive Shop Supervisor or Automotive Shop Supervisor position classifications, prior to filling such vacancies by any other means, the affected employee shall be notified electronically of any vacancies for positions the employee has identified and has contractual rights. The employee shall be notified by email, as they become available, of vacancies for the position from which they were laid off, including the classification series, if applicable. The Employer shall recall laid off employees to such position classification pursuant to recall. Notice of Recall shall occur via the method used for all hiring notifications.
- B. A laid off employee who fails to respond within ten (10) workdays of the recall, or upon acceptance fails to be available for work within the time agreed to by Employer which shall not be less than five (5) days, shall

forfeit all recall rights.

- C. Employee's right to recall shall exist for a period of two (2) years from the effective date of layoff.

### **Section 6. Federalization**

(Meat & Poultry Inspector Supervisors Only) In the event the Employer decides to cease meat and poultry inspections, in whole or in part, and to turn such inspections over to the Federal government or some other agency, the Employer shall negotiate over its impact with the union.

### **Section 7. Temporary Layoff**

The above provisions do not apply in the event of layoff pursuant to Personnel Rule 309.510 which allows the Employer to temporarily layoff any employee for not more than five (5) scheduled workdays in any 12-month period as a result of or for lack of work or funds.

- e) From the completion of nineteen (19) years of continuous service until the completion of twenty-five (25) years of continuous service: twenty-two (22) work days per year.
- f) From completion of twenty-five (25) years of continuous service: twenty-five (25) work days per year.

## **Section 2. Vacation Time**

Subject to operational needs, vacation time may be taken in increments of not less than one-half (1/2) hour after a minimum use of one hour. Supervisors may however, grant employee requests to use vacation time in smaller increments of fifteen (15) minutes after a minimum use of one-half (1/2) hour. Vacation time shall not be accumulated for more than 24 months after the end of the calendar year in which it is earned. Vacation time earned shall be computed in workdays. If an employee does not request and take accrued vacation within such twenty-four (24) month period, vacation earned during such calendar year shall be lost. Except that the period of time an employee is on an approved leave of absence pursuant to Article 13, Leaves of Absence, shall not count toward the twenty-four (24) month period.

## **Section 3. Interrupted Service**

## **Section 4. Vacation Scheduling**

The Employer, unless emergency needs dictate otherwise, shall not change an employee's vacation once it has been approved. In establishing vacation schedules, the agency shall consider both the employee's preference and the operating needs of the agency. Where the agency, based on operational needs, is unable to grant and schedule the vacation preference for all the employees within a Region or operations unit, but is able to grant some of such (one or more) vacation preferences, such approval shall be on the basis of seniority.

Vacation must be scheduled so that it may be taken no later than 24 months after the expiration of the calendar year in which such vacation was earned. If the employee does not request and take accrued vacation within such 24-month period, vacation earned during such calendar year shall be lost.

## **Section 5. Vacation Request Action**

No employee shall be required to work in a temporary position in excess of six (6) months per calendar year. For a period in excess of six (6) months, the employer shall advise the Union as to the rationale for such extension. This information shall be provided at the time the Employer determines to extend the temporary assignment. The Employer agrees not to rotate temporary assignments for the purpose of avoiding temporary assignment pay.

If an employee who has been temporarily assigned into the bargaining unit is selected for a posted vacancy within the bargaining unit, that employee shall have their creditable service date adjusted to reflect the first date on which the employee was temporarily assigned, as long as there was no interruption in the temporary assignment.

## **AFFIRMATIVE ATTENDANCE POLICY**

1. The Employer recognizes that personal problems may affect employee attendance and encourages utilization of the Employee Assistance Program.
2. Unauthorized absences shall be those absences for which time is not approved. The threshold between late arrival and unauthorized absence is one hour after the starting time. Although tardiness is not considered an unauthorized absence under this agreement, employees are expected to report to work on time each day as scheduled.
3. Authorized dock time shall be granted when sick time has been exhausted if proper medical certification is provided within three (3) work days. It is the employee's responsibility to provide medical certification to their supervisor. Documents that do not contain the necessary elements will not be accepted and the employee will be so notified. The absences shall be considered unauthorized if acceptable certification is not subsequently provided within five (5) work days.

Proper medical certification must contain the following elements:

- a) Signature, (handwritten or electronic) address, and phone number of the medical practitioner (or the authorized designee);
- b) The pertinent dates in question of the illness or injury;
- c) An Indication that the employee was unable to work on the date(s) in question for the reasons of personal or family illness;
- d) The original medical statement; if the employee needs a copy management will provide.

Notwithstanding the above, the Employer may accept an electronically generated statement with an electronic signature, telehealth documentation, or a facsimile with cover page, as long as the necessary information is provided as set forth in 3(a), (b), (c) and (d). Nothing prohibits the Employer from contacting the medical practitioner to request further documentation if the Employer suspects time abuse.

Vacation, holiday, compensatory and personal business time shall be requested in advance, except in emergency situations and as set forth in Paragraph #5. If no personal business, vacation, holiday or compensatory time is available, authorized dock time shall be approved for emergency situations, subject to verification of the emergency situation.

4. Authorized dock time under these circumstances is limited to five (5) days within a twelve (12) month period, unless approval for more time is granted by the authorizing supervisor. Employees who have used all allowable authorized dock time shall be informed of their right to apply for an appropriate leave of absence.

Employees who have been on proof status within the previous three (3) months shall have no right to authorized dock time.

5. All employees' requests for benefit time usage must be supported by a request for time off form submitted by the employee. In accordance with agency practice, requests for available benefit time other than unscheduled sick leave, emergency personal business and inclement weather situations, shall be made reasonably in advance, in writing, using the proper form. Consideration of such requests shall be in accordance with the Master Agreement.
6. Supervisors must process all completed forms generated from call-ins within five (5) calendar days of submission, either approving or disapproving the request.
7. As long as the employee meets the applicable Leave of Absence requirements, the Employer will approve leave for the time frame documented, including request for short-term leaves.

It is the employee's responsibility to provide proper medical certification to their supervisor. Documents that do not contain the necessary elements will not be accepted and the employee will be so notified. The absences shall be considered unauthorized if acceptable certification is not subsequently provided within five (5) workdays. Proper medical certification must contain the following elements:

- a. Signature, address, and phone number of the medical practitioner (or authorized designee)
- b. The pertinent date(s) in question of the illness or injury.
- c. An indication that the employee was unable to work on the date(s) in question for reasons of personal or family illness.
- d. The original medical statement must be submitted; if the employee needs a copy management will provide.

Notwithstanding the above, the Employer may accept an electronically generated statement with an electronic signature or a facsimile with cover page, as long as the necessary information is provided as set forth in 7(a), (b), (c) and (d).

8. Unauthorized absences not called in pursuant to the work rules are subject to the following corrective and progressive disciplinary action:

A.

Occurrence	Unauthorized absence with call-in
1 <sup>st</sup>	Counseling
2 <sup>nd</sup>	Oral reprimand
3 <sup>rd</sup>	Written reprimand
4 <sup>th</sup>	1-day suspension
5 <sup>th</sup>	3-day suspension
6 <sup>th</sup>	5-day suspension

7 <sup>th</sup>	10-day suspension
8 <sup>th</sup>	15-day suspension
9 <sup>th</sup>	20-day suspension
10 <sup>th</sup>	Discharge

B. Each day of unauthorized absence shall be considered a separate offense for the purposes of progressive discipline.

C. Each day of unauthorized absence without a call-in shall be considered as two offenses, and appropriate progressive discipline shall be administrated pursuant to Paragraph 8.A. above.

Under this Affirmative Attendance Agreement, except for the last offense before discharge, no employee will serve any suspension time. Employees will be given the usual notice of a suspension but will be expected to report to work and lose no wages. An employee will only serve five (5) days of actual suspension time for the last offense prior to discharge.

D. The parties agree that this section does not alter the provision in the Personnel Rule regarding discharge for five (5) consecutive days of unauthorized absence with no call-in (XA).

9. Prior to placing an employee on proof status, the supervisor shall meet with the employee to discuss the attendance records.
  - a. An employee whose attendance record creates reason to suspect abuse of sick time shall be counseled. Subsequently, and if a suspected abuse sick day is used, the employee will immediately be given notice in writing of their placement on proof status for a 90-day period and appropriate disciplinary action may be imposed. If an employee claims the use of sick time on the day before or the day after a holiday, the Employer has the right to require written medical documentation.
  - b. While on Proof Status, proper medical certification will be required for each absence.
  - c. An employee's failure to provide proper medical certification within two (2) work days after the employee returns for each earned sick day used while on proof status, will be treated as an unauthorized absence and result in being docked time and progressive discipline, as outlined in Paragraph 8.
  - d. Proof status shall be reviewed with the employee after each 90-day period. If the procedural guidelines have been followed by the employee during the 90-day proof status period, the employee shall be given a written notice which cites the specific date when the Proof Status will be terminated. If reasons to suspect abuse continue and/or the pattern of sick usage has not improved, the employee shall remain on proof status.

- e. Employees on proof status who are out of earned sick time and who continue to claim illness, shall apply for a Leave of Absence or face discipline, unless superseded by law.
  - f. Proper medical certification for proof status shall contain the following minimum elements:
    - 1. Date, signature (handwritten or electronic), address, and phone number of the medical practitioner.
    - 2. The pertinent date(s) in question, for which earned sick leave is being requested and that the patient was seen.
    - 3. Verification that the employee was unable to work on the date(s) in question, i.e. personal or family illness.
    - 4. The original medical statement, not a photocopy or facsimile, must be submitted, if the employee needs a copy management will provide one.
  - g. Employees on proof status who utilize sick time for bereavement may be required to provide appropriate documentation (i.e. death certificate or obituary announcement)
  - h. It is the employee's responsibility to provide proper medical certification. Documents that do not contain the necessary elements shall not be accepted and the employee shall be so notified. The absences shall be considered unauthorized if acceptable certification is not subsequently provided within two (2) work days after notification of the required certification.
- 10. Discipline will be considered timely and progressive based on a rolling 24-month period. If the last disciplinary action is more than 24 months old, the progression will start over.
  - 11. Employees not covered by an Affirmative Attendance Agreement prior to the effective date of this agreement shall be placed on the closest step of the discipline track for the same offense that does not represent an increase in the level of discipline but shall be no greater than a ten (10) day suspension. Employees, who have discipline under a prior Affirmative Attendance Policy, shall be placed on the closest step of the discipline track for the same offense that does not represent an increase in the level of discipline.
  - 12. The Employer recognizes that personal problems may affect the attendance of employees. Upon request by the local Union president or designee, employees will be afforded a joint Union/Management consultation at the last suspension

prior to discharge. The purpose of such consultations will be to provide guidance and counseling to the employee as to the need for their services, the consequences of continued unauthorized absences, the ability of services for problems, specifically including EAP, which may be identified and the ability to request a leave of absence.

13. This agreement supersedes any other agreement(s) on this issue.
