SUBPART A: POSITION CLASSIFICATION

Section 301.5 Definitions

Wherever used in 80 Ill. Adm. Code: Subtitle B, Chapter I, "Director" shall mean the Director of Central Management Services; and "Department", shall mean the Department of Central Management Services.

Section 301.10 Classification Plan

SUBTITLE B

The Director shall maintain, and revise when necessary, a uniform position classification plan for positions under the Personnel Code based on the similarity of duties and responsibilities assigned so that the same schedule of pay may be equitably applied to all positions in the same class, under the same or substantially the same employment conditions. However, the pay of an employee whose position is reduced in rank or grade by reallocation because of a loss of duties or responsibilities after his/her appointment to such position shall not be required to be lowered for a period of one year after the position reallocation.

Section 301.20 Allocation

It is the responsibility of each agency head to report to the Director any significant changes in the duties of every position within the agency. At the request of an agency, or at the discretion of the Director, a survey, audit, or such other investigation as may be deemed necessary by the Director shall be made to determine the proper allocation of any position to a class. Upon written request of an employee, such investigation as may be deemed necessary by the Director shall be made to determine the proper allocation of the employee's position. After making such survey, audit, or other investigation, the Department of Central Management Services shall notify the agency in which such position is located of its decision as to the proper allocation of the position in question. It shall be the responsibility of the head of the agency in which the position is located to notify the incumbent in said position of the decision of the Department of Central Management Services.

Section 301.30 Reconsideration

- a) Within 30 days after receiving notice of such decision, the incumbent in such position may make a request in writing of the Director for a reconsideration of the decision. Thereafter, the Director shall reinvestigate the duties and responsibilities of such position and related positions, if necessary, and the affected employee shall be given a reasonable opportunity to be heard.
- b) After such investigation, the Director shall render a decision in writing and it shall be served on the employee in person or by certified mail, return receipt requested, at the last address shown in the personnel file. The effective date of the Director's reconsidered decision shall be the effective date of the allocation decision giving rise to the reconsideration request.
- c) An employee wishing to appeal the Director's reconsidered decision shall serve upon the Civil Service Commission notice of appeal of said reconsidered decision in writing within 15 days after receipt of notice of the reconsidered decision. A copy of the notice of appeal shall also be served upon the Director.

SUBTITLE B

Section 301.41 Assignments to Other Classes

- a) An employee whose position has been allocated to a class having a higher, lower or same maximum permissible salary or rate may remain in the position, provided however, that the Director shall determine in the case of allocation to a class having a higher maximum salary or rate whether, considering the nature of such change in duties, such employee is qualified for the position.
- b) This Section shall not be applicable to individuals whose positions have been allocated to a class which falls within the scope of Term Appointments.

(Source: Amended at 9 Ill. Reg. 11592, effective July 31, 1985)

Section 301.50 Revised Class Requirements

When requirements for a class are revised and the duties and responsibilities of positions comprising the class remain essentially unchanged, incumbents in these positions who qualified under the previous requirements for the class will be considered qualified.

SUBPART B: PAY PLAN

Section 301.160 Establishment of Plan

The Director shall prepare and maintain a pay plan for all employees subject to Jurisdiction A of the Personnel Code in accordance with the applicable provisions of the Code.

Section 301.170 Provision of the Pay Plan

The Pay Plan shall provide for uniform and equitable starting rates of pay, the time and manner in which subsequent changes of salary may be made, the rate each employee is to be paid, and for rates that are fair and reasonable compensation for the type of employment and services rendered. The Pay Plan may also include other provisions not inconsistent with law to assist in the administration of good personnel practices for the State of Illinois.

Section 301.180 Approval of Pay Plan

The Pay Plan and amendments thereto shall be prepared by the Director after consultation with operating agency heads. After preparing the Pay Plan or any amendments, the Director shall submit it to the Governor. - a) All employees, excepting those in emergency, intermittent, per diem or temporary status, unless such status is the result of accepting a non-permanent working assignment in another class, shall accumulate sick leave at the rate of one day for each month's service. Sick leave may be used for illness, disability or injury of the employee, appointments with doctor, dentist or other professional medical practitioner and also may be used in the event of serious illness, disability, injury or death of a member of the employee's immediate family. The operating agency or the Department may require evidence to substantiate that such leave days were used for the purpose herein set forth for periods of absence of ten consecutive workdays, or less. For periods of absence of more than ten consecutive workdays the employee shall provide verification for such absence in accordance with the provisions of Section 303.145. Beginning with calendar year 1995, in the event an employee does not use sick leave in any calendar year, the employee shall be awarded one (1) additional personal day on January 1 of the next calendar year. Beginning with July 1, 1997, a part-time employee who works at least half time shall be awarded pro-rated additional personal leave on January 1 when the employee has not used sick leave during the previous calendar year. A calendar year for purposes of this provision is the period beginning January 1 and ending December 31 of each year. Such additional personal day shall be used in accordance with Section 303.125.

SUBTITLE B

Section 303.102 Payment in Lieu of Sick Leave

- a) Upon termination of employment for any reason, or upon indeterminate layoff, an employee or the employee's estate is entitled to be paid for unused sick leave which has accrued on or after January 1, 1984 and prior to January 1, 1998, provided the employee is not employed in another position in state service within 4 calendar days of such termination.
- b) For purposes of this Section, sick leave is deemed to be used by an employee within the following priority order:
 - 1) Sick leave earned through December 31, 1983.
 - 2) Sick leave earned on or after January 1, 1998.
 - 3) Sick leave earned on or after January 1, 1984 and prior to January 1, 1998.

The first earned sick leave shall be the first utilized within each category.
- c) In order to determine the amount of sick leave to be paid upon termination of employment, the operating agency will:
 - 1) compute the number of sick leave days granted to the employee between January 1, 1984 and December 31, 1997;
 - 2) compute the employee's sick leave balance for that time period at time of termination; and
 - 3) cause lump sum payment to be made for one half of the amount of sick leave in subsection (c)(1) or (2) above, whichever is the lesser amount, multiplied by the daily salary rate.
- d) The method of computing the hourly or daily salary rate for sick leave qualifying for lump sum payment upon termination of employment shall be in accordance with 80 Ill. Adm. Code 310.520(a).
- e) If an employee has a negative sick leave balance pursuant to Section 303.110 when employment is terminated, no payment shall be made to the employee and the unrecouped balance due is cancelled.
- f) An employee who is reemployed, reinstated or recalled from indeterminate layoff and who received lump sum payment in lieu of unused sick days will have such days restored provided the employee repays upon return to active employment the

SUBTITLE B

gross amount paid by the State for the number of days to be so restored to the employee's sick leave account.

- g) The payment provided by this Section shall not be allowed if the purpose of the separation from employment and any subsequent reemployment is for the purpose of obtaining such payment.
- h) The accrued leave amount shall be certified in writing to the employee by the employing agency. This certification may be held by the employee or forwarded to the Retirement System.

Section 303.105 Reinstatement of Sick Leave

On or after the effective date of this Subpart, accumulated sick leave available at the time an employee's continuous state service is interrupted for which no salary payment is made shall upon verification be reinstated to the employee's account upon return to full time or regularly scheduled part-time employment except in temporary or emergency status. This reinstatement is applicable provided such interruption of service occurred not more than five years prior to the date the employee reenters state service and provided such sick leave has not been credited by the appropriate retirement system towards retirement benefits. An employee with previous State service for which sick leave was granted under provisions other than Jurisdiction C of the Personnel Code shall have such amount reinstated to the extent such sick leave is provided under Section 303.90.

(Source: Amended at 8 Ill. Reg. 7788, effective May 23, 1984)

Section 303.110 Advancement of Sick Leave

An employee with more than two years continuous service, whose personnel records warrant it, may be advanced sick leave with pay for not more than 10 working days with the written approval of the operating agency and the Director. Such advances will be charged against sick leave accumulated later in subsequent service.

SUBTITLE B

Section 303.112 Sick Leave Bank

- a) This Section contains rules governing the operation of plans allowing participating employees in each agency to bank portions of their accrued sick leave in a sick leave bank to be used by participating employees in the same agency who have exhausted their accrued vacation time, personal days, sick leave or compensatory time. This Section provides a framework within which each agency may administer a sick leave bank. Individual agency procedures should be consistent with the framework set forth in this Section unless alternative procedures have been agreed upon pursuant to collective bargaining negotiations.
- b) Definitions
- 1) *"Agency" means any branch, department, board, committee or commission of State government, but does not include units of local government, school districts or boards of election commissioners [5 ILCS 400/5.10].*
 - 2) *"Sick leave bank" means a depository into which participating employees may donate accrued sick leave time for allocation to other participating employees [5 ILCS 400/5.15].*
 - 3) *"Participating employee" means a permanent full- or part-time employee who has been employed by a State agency for a period of 6 months or more who voluntarily enrolls in the sick leave bank by depositing at least one full day of accrued sick leave in that bank [5 ILCS 400/5.20]. An employee who wishes to enroll must have a minimum of 5 days of accrued sick time on the books.*
 - 4) *"Catastrophic illness or injury" means temporary disability or incapacity resulting from a life threatening illness or injury or illness or injury of other catastrophic proportion as determined by the Director. Factors considered by the Director shall include the length of time the employee must be absent from work due to illness or injury. Catastrophic illness or injury may be due to, but not limited to, cancer, heart disease, stroke or another serious illness or injury resulting in an employee missing more than 25 work days.*
 - 5) *"Personal catastrophic illness or injury" means a catastrophic illness or injury to the employee or, if agreed upon by the agency head and the Director, members of the employee's immediate family. Factors to be considered in determining if an employee's immediate family members are covered include the nature and duration of the catastrophic illness or injury; whether the person is financially and emotionally dependent on the*

SUBTITLE B

employee; whether the presence of the employee is needed; and whether the individuals are covered pursuant to collective bargaining negotiations. Immediate family shall mean spouse, civil union partner, child, parent or any person living in the employee's household for whom the employee has custodial responsibility.

- c) Participation in the sick leave bank is voluntary on the part of any employee. Employees wishing to participate must be permanent full-time or part-time employees with a minimum of 6 months of service.
- d) *A participating employee may deposit into the sick leave bank as much accrued sick leave as desired provided that the participating employee shall retain in his or her own account at least 5 sick days [5 ILCS 400/10(b)].*
- e) Employees may voluntarily enroll at any time. Employees shall wait 60 calendar days after enrollment before utilizing the sick leave bank.
- f) An employee may use up to 25 work days from the sick leave bank per 12-month period, except that participating employees shall not use sick leave accumulated in the sick leave bank until all of their accrued vacation, personal days, sick leave and compensatory time have been used. The Director may approve limits of other than 25 work days per 12-month period. Factors considered in determining if an alternate limit should be approved include:
 - 1) the personnel jurisdiction governing the agency and employees in question;
 - 2) whether limits have been established through collective bargaining negotiations;
 - 3) the desire for uniformity among agency plans;
 - 4) operational needs of the agency.
- g) Any sick leave in the sick leave bank used by a participating employee shall be only for the personal catastrophic illness or injury of the employee and may not be transferred, returned or used for any other purpose.
- h) Each State agency shall develop procedures, consistent with this Section, for establishing a single sick leave bank for all agency employees.
- i) Injuries and illnesses that are compensable under the Workers' Compensation Act [820 ILCS 305] or Workers' Occupational Disease Act [820 ILCS 310] shall not be eligible for sick leave bank use.

SUBTITLE B

- j) *Participating employees who transfer from one agency to another may transfer their participation in the sick leave bank [5 ILCS 400/10(f)].*
- k) An employee shall not be eligible to withdraw the sick leave time he or she has contributed to the bank.
- l) Decisions affecting a participating employee's use of the sick leave bank may be submitted by the employee to a review committee. Unless otherwise approved by the Department, the committee shall consist of one agency representative and two Department representatives. In determining if alternative committee membership should be approved, the Department shall consider the jurisdiction governing the agency or employees in question. Decisions of review committees shall be final and binding; however, employees are permitted to submit additional medical documentation upon receipt of a denied application for use. The committee will review the additional medical documentation and make a determination for approval or denial based on the entirety of medical documentation provided.
- m) *Any abuse of the use of the sick leave bank shall be investigated by the agency and the Department and upon a finding of wrongdoing on the part of a participating employee, that employee shall repay all sick leave days drawn from the sick leave bank and shall be subject to other disciplinary action [5 ILCS 400/10(h)].*

Section 303.120 Furlough Program

- a) Definition
 - 1) "Employee" includes less than full-time, full-time, intermittent, per diem, temporary, emergency and provisional employees.

SUBTITLE B

- 2) "Furlough" is a timekeeping status in which an employee is placed for a temporary period of leave without duties or pay because of conditions that require an agency to curtail its operations; a furlough program may be either voluntary or involuntary at the discretion of the agency head. Furlough is a tool to continue State services with minimal disruption and retain valuable employees at reduced cost. The employee's employment status shall not change because of the furlough. Furlough shall not change the employee's continuous or creditable service dates for the purpose of annual evaluations, retirement or longevity, the employee's health or life insurance coverage or the employee's accrual of vacation, sick or personal time. Employees on furlough shall not be at work or on standby or on-call duty and shall not perform State work during furlough time. Furlough shall not be used when permanent or temporary layoff or emergency shut-down is appropriate. Furlough shall not be used as a substitute for permanent part-time employment. Furlough shall not be a means or form of discipline. Employees on paid military leave or other unpaid leave shall not be scheduled for furlough during the leave and shall be scheduled upon return to work if the furlough program remains in effect.
- 3) "Furlough-Exempt Employee" means a uniform, narrow definition of "furlough-exempt" shall be applied throughout the furlough program by the agency head. Furlough-exempt employees may include employees:
 - A) in 24/7 facilities, to ensure adequate service delivery and staff coverage, and who would have to be replaced at a higher cost than the costs saved through furlough;
 - B) who perform critical functions of the agency, or protect the safety and health of employees, clients or patients of the agency or the public;
 - C) who are paid 100% by federal funds; and
 - D) who are in revenue-generating positions that generate more money than the costs that would be saved by furlough.
- b) Program Approval – An agency head, with prior approval from the Office of the Governor and the Director of Central Management Services, may institute a furlough program. The agency shall provide advanced notification to affected employees as soon as practicable. An agency head shall indicate whether the furlough is for the entire agency or a designated division or program, the initial effective date of the program, the number of days that employees shall be on

SUBTITLE B

furlough and the end date of the furlough program. Agencies shall track which employees have taken furlough and the cost savings to the State.

- c) Furlough Time – Furlough time shall be scheduled in a manner that is consistent with the operating needs of the agency. Furlough may be taken in full or ½ day increments only and may be nonconsecutive. Employees on schedules with shortened workweeks shall take furlough time on a prorated basis. Sick time, accumulated holiday time, Earned Equivalent Time (EET), and compensatory time shall not be used to remain in pay status while on furlough. Accrued vacation time and accrued personal time may be used by employees subject to a non-bargaining unit furlough program to remain in pay status while on furlough. Taking a furlough day before or after a holiday shall not result in loss of pay for the holiday. Furlough time shall not count toward overtime. Conflicts regarding scheduling furlough time shall be resolved based first on the operational needs of the agency and second by continuous service date. All furlough time shall be pre-approved. Previously charged unpaid time (unexcused absence, unauthorized absence, excused absence or suspension time) shall not be used to meet an employee's furlough obligation. Employees subject to a non-bargaining unit furlough program may elect to take a furlough day on a holiday; however, an agency shall not mandate that an employee take a furlough day on a holiday.
- d) Time Sheets – Furloughs shall be indicated by a daily entry of FD (Furlough Day) on an employee's time sheet. In the event an employee elects to utilize a vacation or personal day in the place of a non-bargaining unit furlough day, the employee's time sheet shall indicate an entry of FV (Furlough, Vacation) or FP (Furlough, Personal).
- e) Furlough Time Value – The value of a furlough day is worth exactly the same amount of money regardless of the number of days in the pay period and is computed by dividing the annualized rate of pay by the total number of days in a work year as filed with the Department of Central Management Services. Regularly recurring items, such as longevity pay, shift differential, bilingual pay, and other premium pay items that are paid each month, are included in determining the regular monthly rate. Agencies shall not use temporary or interim assignment pay to determine the value for employees on temporary or interim assignment. The value of the deducted day will be subtracted from the semi-monthly rate. Employees taking furlough on a day when their scheduled number of work hours varies from the employing agency's normal work schedule on that day are only required to furlough the number of hours in that employing agency's normal schedule. For example, an employee who is scheduled to work 10 hours on a furlough day in an agency with a normal work schedule of 7.5 hours will furlough 7.5 hours and either work the remaining 2.5 hours or utilize benefit time (vacation, personal, accumulated holiday, EET or compensatory time) for the remaining 2.5 hours that day. The value of such furloughed hours is

SUBTITLE B

determined by computing the annualized hourly rate (i.e., annual salary divided by the hours in a regular annual work schedule, 1957.5, for example), multiplying the rate by the number of furlough hours taken and deducting that amount from the annual salary.

Section 303.125 Leave for Personal Business

- a) All employees, excepting those in emergency, per diem or temporary status shall be permitted 3 personal days off each calendar year with pay. Beginning with calendar year 1995, in the event an employee does not use sick leave in any calendar year, the employee shall be awarded 1 additional personal day on January 1 of the next calendar year. Beginning with July 1, 1997, a part-time employee who works at least half-time shall be awarded pro-rated additional personal leave on January 1 when the employee has not used sick leave during the previous calendar year. A calendar year for purposes of this provision is the period beginning January 1 and ending December 31 of each year. Such personal days may be used for such occurrences as observance of religious holidays, Christmas shopping, absence due to severe weather conditions, or for other similar personal reasons, but shall not be used to extend a holiday or annual leave except as permitted in advance by the operating agency through prior written approval. Employees entitled to receive such leave who enter service during the year shall be given credit for such leave at the rate of $\frac{1}{2}$ day for each 2 months service for the calendar year in which hired. Such personal leave may not be used in increments of less than $\frac{1}{2}$ hour at a time. Except for those emergency situations which preclude the making of prior arrangements, such days off shall be scheduled sufficiently in advance to be consistent with operating needs of the employer. Supervisors may, however, grant employee requests to use personal leave in increments of $\frac{1}{4}$ hour, after a minimum use of $\frac{1}{2}$ hour.
- b) Personal leave shall not accumulate from calendar year to calendar year; nor shall any employee be entitled to payment for unused personal leave upon separation from the service except as provided in Section 8c(2) of the Personnel Code. The accrued leave amount paid under this Section of the Personnel Code shall be certified in writing to the employee by the employing agency. This certification may be held by the employee or forwarded to the Retirement System.
- c) Employees subject to a non-bargaining unit furlough program may substitute accrued personal leave for furlough time in order to remain in paid status. Utilization of accrued personal leave for furlough must be in $\frac{1}{2}$ day or full day increments and must be in accordance with furlough program requirements.

In addition, employees will be required to provide proof of a parent-child relationship such as a birth certificate or other appropriate documentation.
- b) New Adoption
 - 1) All employees will be eligible for 10 weeks (50 work days) of paid parental leave per twelve (12) month period for a new adoption. If the adoption occurs after foster placement, the leave is permitted only if the child or children has/have not resided with the employee for more than three (3) years. The twelve (12) month leave period begins either:
 - A) when physical custody of the child or children has been granted to the employee, provided that the employee can show that the formal adoption process is underway; or
 - B) in cases of adoption following foster placement, upon filing of the Petition for Adoption.
 - 2) The employee must:
 - A) notify the agency personnel office of intent to take leave as soon as the employee is aware of impending adoption;
 - B) submit proof of the legal status of the adoption, including proof of finalization; and
 - C) if applicable, submit documentation from a child welfare agency regarding the length of the child's residency with the employee.
- c) Employees using leave under this Section must use the leave benefit in weeklong increments (5 consecutive working days).

The State shall require proof of a stillbirth, such as a fetal death certificate or certificate of stillbirth. This leave shall be limited to one leave per employee for each stillbirth. In addition, employees may be required to provide proof of a parent-child relationship. Employees using leave under this Section must use the leave benefit immediately.

- a) An employee who suffers an on-the-job injury or who contracts a service-connected disease shall be allowed full pay during the first 3 working days of absence without utilization of any accumulated sick leave or other benefits. Thereafter the employee shall be permitted to utilize accumulated sick leave or other benefits unless the employee has applied for and been granted temporary total disability benefits in lieu of salary or wages pursuant to provisions of the Workers' Compensation Act [80 ILCS 305] or through the State's self-insurance program.
- b) In the event such service-connected injury or illness becomes the subject of payment of benefits provided in the Workers' Compensation Act by the Industrial Commission, the courts, the State self-insurance program or other appropriate authority, the employee shall restore to the State the dollar equivalent which duplicates payment received as sick leave or other accumulated benefit time, and the employee's benefit accounts shall be credited with leave time equivalents.
- c) Employees whose compensable service connected injury or illness requires appointments with a doctor, dentist, or other professional medical practitioner shall, with supervisor approval, be allowed to go to such appointments without loss of pay and without utilization of sick leave.

Section 303.145 Disability Leave

- a) An employee who is unable to perform a substantial portion of his/her regularly assigned duties due to temporary physical or mental disability shall upon request be granted a leave for the duration of such disability.
- b) In granting such leave or use of sick leave as provided in Section 303.90, the agency shall apply the following standards:
 - 1) A substantial portion of regularly assigned duties shall be those duties or responsibilities normally performed by the employee which constitute a significant portion of the employee's time or which constitute the differentiating factors which identify that particular position from other positions, provided the balance of duties can be reassigned by the agency;
 - 2) A request for disability leave shall be in writing except when the agency is advised by other appropriate means of the employee's disability in which event the employee's signature is not required;
 - 3) Except for service-connected disability as provided in Section 303.135, the employee shall have exhausted available sick leave provided under

SUBTITLE B

Section 303.90 prior to being granted a disability leave; an employee may use other accrued paid time for this purpose but is not required to do so;

- 4) During a disability leave, the disabled employee shall provide written verification by a person licensed under the Medical Practice Act of 1987 [225 ILCS 60] or under similar laws of Illinois or of other states or countries or by an individual authorized by a recognized religious denomination to treat by prayer or spiritual means; such verification shall show the diagnosis, prognosis and expected duration of the disability; such verification shall be made no less often than every 30 days during a period of disability, unless the nature of the disability precludes the need for such frequency of verification;
 - 5) As soon as an employee becomes aware of an impending period of disability, he/she shall notify the appropriate supervisor of such disability and provide a written statement by the attending physician of the approximate date the employee will be unable to perform his/her regularly assigned duties;
 - 6) If the agency has reason to believe that the employee is able or unable to perform a substantial portion of his/her regularly assigned duties, it may seek and rely upon the decision of an impartial physician chosen by agreement of the parties or in the absence of such agreement upon the decision of an impartial physician who is not a State employee and who is selected by the State Employees' Retirement System.
- c) Failure of an employee to provide verification of continued disability upon reasonable request shall on due notice cause termination of such leave.
- d) An employee's disability leave shall terminate when said employee is no longer temporarily disabled from performing his/her regularly assigned duties.
- 1) An employee is no longer temporarily disabled when he/she is able to perform his/her regularly assigned duties upon advice of the appropriate authority or, in the absence of such authority, the attending physician.
 - 2) An employee is no longer temporarily disabled when he/she is found to be permanently disabled and unable to perform a substantial or significant portion of his/her regularly assigned duties by the appropriate authority, or in the absence of such authority, by the attending physician.
 - 3) In determining whether to approve a requested discharge of an employee for failure to return from a disability leave or for physical inability to perform the duties of a position, the Director may seek and rely upon the

- f) An employee who is on disability leave while in temporary or emergency status, except if such status results from a leave of absence to accept such position, shall be eligible for such leave for the balance of such appointment and shall earn or accrue no other benefit arising from this Subpart.
- g) When the employer has requested a fitness for duty evaluation, pursuant to subsection (b)(6) of this Section, that determines the employee is unfit for duty and the employee's physician certifies the employee is fit for duty, the employer may rely upon the decision of the impartial physician as to the employee's fitness for duty. The examination shall be paid for by the employer.

Section 303.148 Family Responsibility Leave

- a) An employee who wishes to be absent from work in order to meet or fulfill responsibilities, as defined in subsection (f), arising from the employee's role in his or her family or as head of the household will normally, upon request and in the absence of another more appropriate form of leave, be granted a Family Responsibility Leave (FRL) for a period not to exceed one year. Employees shall not be required to use any accumulated benefit time prior to taking FRL. Such request shall not be unreasonably denied. The agency head will consider whether the need for the FRL is substantial, whether the action is consistent with the treatment of other similar situations and whether the action is equitable in view of the particular circumstances prompting the request.

SUBTITLE B

- b) Any request for FRL shall be submitted in writing by the employee not less than 15 calendar days in advance of the leave unless such notice is precluded by emergency conditions and shall state the purpose of the leave and the expected duration of absence.
- c) FRL shall be granted only to a permanent full-time employee, except that an intermittent employee shall be non-scheduled for the duration of the required leave. An employee in temporary, emergency, provisional or trainee status shall not be granted FRL.
- d) "Family responsibility", for purposes of this Section, is defined as the duty or obligation perceived by the employee to provide care, full-time supervision, custody or non-professional treatment for a member of the employee's immediate family or household *under circumstances temporarily inconsistent with uninterrupted employment in State service* [20 ILCS 415/8c(5)].
- e) "Family" has the customary and usual definition for this term for purposes of this Section, that is:
 - 1) group of 2 or more individuals living under one roof, having one head of the household and usually, but not always, having a common ancestry, and including the employee's spouse or civil union partner;
 - 2) the natural relation of the employee, even though not living in the same household, as parent, sibling or child; or
 - 3) adoptive, custodial and in-law individuals when residing in the employee's household or any relative or person living in the employee's household for whom the employee has custodial responsibility or persons living in the employee's household who are financially and emotionally dependant on the employee when the presence of the employee is needed, but excluding persons not otherwise related of the same or opposite sex sharing the same living quarters but not meeting any other criteria for family.
- f) Standards for granting a Family Responsibility Leave are:
 - 1) to provide nursing (breastfeeding) and/or custodial care for the employee's newborn infant, whether natural born or adopted;
 - 2) to care for a temporarily disabled, incapacitated or bedridden resident of the employee's household or member of the employee's family;

SUBTITLE B

- 3) to furnish special guidance, care or supervision of a resident of the employee's household or a member of the employee's family in extraordinary need of that guidance, care or supervision;
 - 4) to respond to the temporary dislocation of the family due to a natural disaster, crime, insurrection, war or other disruptive event;
 - 5) to settle the estate of a deceased member of the employee's family or to act as conservator, if so appointed, when providing the exercise of those functions precludes the employee from working; or

- 1) a written statement by a physician or medical practitioner licensed under the Medical Practice Act of 1987 [225 ILCS 60] or under similar laws of Illinois or of another state or country or by an individual authorized by a recognized religious denomination to treat by prayer or spiritual means. SUBTITLE B

- j) Failure of an employee, upon request by the employing agency, to provide required verification or substantiation is cause, with due notice, for termination of the leave.
- k) FRL shall not be used for purpose of securing alternative employment. An employee, during FRL, may not be gainfully employed full time, otherwise the leave shall terminate.
- l) Upon expiration of an FRL or, prior to expiration, by mutual agreement between the employee and the employing agency, the agency shall return the employee to the same or similar position classification that the employee held immediately prior to the commencement of the leave. SUBPART F: TUITION REIMBURSEMENT

Section 303.390 Tuition Reimbursement

- a) Tuition reimbursement is intended to serve as a management tool for the development of employees and for the attainment of agency goals. It should be administered as a mechanism through which mutual advantages are gained by both the employee and the State. Tuition reimbursement is not an unconditional or unilateral employee right or benefit.
- b) Each agency is responsible for providing budgetary funding for its tuition reimbursement program. The policy administered pursuant to these rules is not intended to alter, replace or diminish the content or use of Federal Grant in Aid, agency sponsored stipend or educational leave of absence programs. In administering this policy, other programs should be distinguished from tuition reimbursement programs and treated separately.
- c) **Policy Guidelines.**
The following tuition reimbursement guidelines have been developed so as to provide maximum flexibility and a framework within which a decentralized, but uniform, policy can be administered. These guidelines do not preclude agencies from imposing additional requirements or procedures with regard to tuition reimbursement in response to unique training requirements or budgetary restrictions.

SUBTITLE B

- 1) Eligibility: Any full time employee is eligible for reimbursement consideration. Employees hired on a temporary or emergency basis are not eligible for consideration.
- 2) Tuition and Fees: Reimbursement will apply only toward tuition and lab fees. Additional costs such as for books, matriculation, activity and health fees will not be reimbursable expenses.
- 3) Reimbursement: Reimbursement is not to exceed 100% of tuition and lab costs at public institutions, and 80% at private institutions. Agencies may establish an annual dollar cap per employee, depending upon funds available for the program.
- 4) Satisfactory Course Completion: Reimbursement for an approved course is contingent upon the employee submitting evidence of satisfactory completion (e.g., at least a grade of "C") together with receipts documenting the amount of tuition moneys paid. Reimbursement will be accomplished by means of a standard invoice voucher. At no time shall tuition be paid or reimbursed prior to completion of the course.
- 5) Course Load: Course load should be mutually agreed upon by the employee and his or her supervisor and should not harm an employee's on-the-job effectiveness.
- 6) Course Scheduling: Education and/or career development work should be scheduled as an off-duty activity. When a desired course is not available as an off-duty activity, an employee may use vacation or personal time. An employee and his or her supervisor may also arrange a flexible work schedule, provided such a schedule does not adversely affect work loads in his or her unit of assignment.
- 7) Full Participation: Priority should be given to those courses in which full participation is required on a regular basis and where final grades are issued since such conditions provide a reasonable basis against which satisfactory completion can be measured. In those cases where facilities for full participation in classroom instruction are not available or where attendance creates undue hardship, an agency director may approve enrollment in V.A. approved correspondence courses.
- 8) Degree Program: Reimbursement may be approved for work-related courses which are taken to complete requirements for a grammar school certificate or high school diploma, and for courses that lead to the upgrading of skills for the performance of an employee's assigned work

SUBTITLE B

responsibilities. Reimbursement may also be approved for work-related courses toward completion of college or graduate level degree programs.

- 9) Enrollment: Applicants will be required to gain approval from their supervisors and agency director (or authorized representative) prior to course enrollment.
 - 10) Aid From Other Source: In applying for tuition reimbursement, an employee will indicate whether (s)he is or is not receiving aid from other sources (such as the G.I. bill, Federal Grants, Scholarships, etc.). The fact that an employee is eligible for or receiving aid from another source does not render him or her ineligible for participation in the Tuition Reimbursement Program. However, tuition reimbursement should be made only toward the balance between the outside aid awarded and the remaining tuition due.
 - 11) Exclusions: Reimbursement is not intended to apply to in-service training conducted within the agency, nor is it intended to apply to workshops, professional conferences, seminars, or other short term programs.
- d) Work Commitment/Pay Back. Employees receiving tuition reimbursement from the State shall incur a work commitment to the State.
- 1) Except as provided in subsection (d)(6) below, if State-paid training did not lead to a post secondary degree, employees shall be obligated to continue in the employ of the State for a period of at least 18 months following completion of the most recent course.
 - 2) If State-paid training did lead to a post secondary degree (i.e., Bachelors, Masters or other higher level professional or post graduate degree) and the State paid for 50% or more of the hours required to earn the degree, employees shall be obligated to continue in the employ of the State for a minimum of four (4) years after receiving the degree. Course work begun before January 1, 1992, shall not be counted as part of the 50% requirement under this Section.
 - 3) The tuition reimbursement agreement that is executed pursuant to this Section may require the employee to provide written status reports on his/her progress toward receiving a post secondary degree.
 - 4) If the employee voluntarily leaves State employment prior to fulfilling this work commitment, the agency that paid the tuition may recover payments in addition to interest at the rate of 1% per month from the time the State makes the payment until the time the State recovers the payment.

SUBTITLE B

- 5) The amount owed by an employee shall be reduced by 25% for each year the employee works for the State after the employee receives a post secondary degree, or by $\frac{1}{18}$ th of the gross amount for each month the employee works for the State after completing the most recent course which does not lead to a post secondary degree.
